P.54/15

Hon. Buddhika Pathirana,— Introducing new products made using coconut water,— That this Parliament resolves that a process be implemented to introduce new products made using coconut water with the help of new technology, targeting the local and international markets under a proper methodology, as a huge amount of coconut water is wasted within Sri Lanka annually.

P.55/15

Hon. Buddhika Pathirana,— Exploring new resources in the ocean,— That this Parliament resolves that a formal further study on oceanic resources should be conducted with a view to creating a large number of employment opportunities, and to earn wealth, as Sri Lanka is a country with a large marine zone, that has given priority only for the fishing industry and since there is a vast amount of natural resources connected to the ocean.

P.56/15

Hon. Buddhika Pathirana,— Prevention of Sri Lankan fishing resources being harvested by foreigners,— That this Parliament resolves that a systematic programme be devised and implemented by the Government to prevent foreigners from fishing in the Sri Lankan waters and to prevent foreign vessels from using it as a port for fishing since the fisheries resources within the Sri Lankan marine zone are harvested by foreigners thus causing a severe economic disadvantage to Sri Lankan fishermen.

P.57/15

Hon. Buddhika Pathirana,— Increasing Jackfruit production and exporting associated products,— That this Parliament resolves that since the country can earn a huge amount of foreign exchange by exporting Jackfruit based products through expansion of the cultivation of Jackfruit, which is a very delectable fruit with medicinal qualities, that can be cultivated without agrochemicals, a systematic programme should be drawn up with the intervention of the government toward this end.

P.58/15
