Hon. Ajith P. Perera

Hon. Niroshan Perera,— Select Committee of Parliament to inquire and report on the statement made by the Hon. (Dr.) Sarath Amunugama, Minister of International Monetary Co-operation in Parliament with regard to the investments made by the Central Bank of Sri Lanka in Greek Bonds,—

Whereas around 2010 several Euro zone economies fell into crises as a result of the global financial crisis compounded by irresponsible domestic economic management;

And whereas Greece was one of the worst affected countries with its growth rate falling well below estimates, fiscal imbalances building up with expenditure outstripping tax revenues by a large margin, debt beginning to spiral out of control and the credibility of official statistics falling to almost zero particularly upon the revelation that the Greek government had consistently misled the European Union with fictitious budget deficit figures;

And whereas by the first quarter of 2010 the ability of the Greek government to meet its debt obligations had come into serious question driving fears of a possible sovereign default;

And whereas rating agencies began downgrading Greek debt to 'junk' status and with its private credit to Greece virtually dried up;

And whereas in April 2010 the Greek government requested and obtained a EURO 110 billion bail-out package jointly funded by the Euro zone countries and the International Monetary Fund (IMF) conditional upon implementing a tough austerity package with the hope of putting a stop to the deteriorating economy;

And whereas the Greek government was unable to carry through the tough fiscal conditions, given no flexibility on the monetary side, the measures implemented were sufficient to push people to the streets to riot;

And whereas the Greek economy continued to falter and the confidence in Greek debt fell dramatically leading to heightened expectations of sovereign default;

And whereas in March 2011 Moody's further downgraded Greek debt deep into 'junk' territory with a speculative and high risk rating along with a negative outlook;

And whereas with this development, investors quickly began dismissing Greek bonds as 'worthless paper' and its yields began to rise with imminent default as the Euro zone IMF bail-out was stuck with the Greek government unable to implement the austerity package to meet disbursement conditions;

And whereas in this background the Central Bank of Sri Lanka in early April 2011 had purportedly invested EURO 22 million on Greek bonds at the risk of great loss;

And whereas on July 17<sup>th</sup>, 2012 this was raised in Parliament after the press revealed that there had been a large loss to the Central Bank of Sri Lanka due to selling some of its Greek bonds at a loss;

And whereas the Minister of International Monetary Co-operation was asked if it was true and if so the details of the investments and an explanation as to why such an investment was made, and in particular, without the consent of the Monetary Board;

And whereas the Hon. (Dr.) Sarath Amunugama, Minister of International Monetary Co-operation, replying to the question stated that in fact the Central Bank had invested in Greek bonds in early April;

And whereas in justifying the investments the Hon. Minister stated that *"The decision (to invest in Greek bonds) was influenced by the fact that at that time (April 5<sup>th</sup>, 2011) there was a robust framework in place for crisis management in Europe supported by a Financial Stability Package."*;

And whereas the Hon. Minister further stated that *"So, there was this big fund that the global monetary authorities created to save Greece at that point of time. Therefore, the risk was considered to be reasonably low and tolerable in the circumstances... "*;

And whereas it is noted that the above statement by the Hon. (Dr.) Sarath Amunugama, Minister of International Monetary Co-operation, is incorrect;

And whereas the risk in Greek bonds was reasonably high and default was imminent;

And whereas at the time of the said investments in Greek bonds the European Financial Stability Facility (EFSF) had no arrangement with that country;

And whereas even if Greece were to have obtained a bail-out from the EFSF that would not have been to the benefit of Sri Lanka as the temporary EFSF that was being converted in to the permanent European Satiability Mechanism (ESM) with 'preferred creditor' status second only to the International Monetary Fund (IMF);

And whereas 'preferred creditor' status meant that at payment in order of preference investment made by the ESM would have preference over all other parties except the IMF;

And whereas the investments by the Central Bank of Sri Lanka were in serious peril of being defaulted;

And whereas the Hon. Minister misled the House by implying that the funds invested by the Central Bank of Sri Lanka were safe when in fact they were in great danger;

And whereas soon after the reckless investment by the Central Bank of Sri Lanka in Greek bonds, the Greek government faltered again and its debt rating was downgraded to the lowest in the world;

And whereas by October 2011 Greece went into a controlled default with creditors agreeing to a more than 50 percent write off on their debt;

And whereas the Central Bank of Sri Lanka also had 53.5 percent of the principal of its remaining (after selling at a deep discount) Greek bonds wiped out at a great loss to the country;

And whereas the Hon. (Dr.) Sarath Amunugama, Minister of International Monetary Co-operation, in his statement on July 17<sup>th</sup>, 2012 by not disclosing the truth and justifying the investment where the "*risk was considered to be reasonably low and tolerable*" purportedly due to "*a big fund that the global monetary authorities created to save Greece at that point of time*" has deliberately misled the House.

This Parliament resolves that a Select Committee of Parliament be appointed to:

- (a) determine whether and to what extent the Hon. (Dr.) Sarath Amunugama, Minister of International Monetary Co-operation has misled this House with regard to the investments of EURO 22 million on Greek bonds by the Central Bank of Sri Lanka; and
  - (b) recommend to this House what action should be taken in the circumstances.
2. (a) That the Committee and its Chairman shall be nominated by Mr. Speaker; and
  - (b) That notwithstanding the provisions of Standing Order 95, the Committee shall consist of not more than twenty one (21) Members.
3. That the Committee shall have the power to:
    - (a) fix its quorum;
    - (b) send for persons, papers and records, may order any person to attend before Parliament or before such Committee, and to produce any paper, book record or document in the possession or under the control of such person ;

- (c) verify or otherwise ascertain by the oral examination of witnesses and examine witnesses upon oath or affirmation which the Chairman of the Committee or a person specially authorized for that purpose may administer;
  - (d) obtain the services of Specialists and Experts in the relevant fields to assist the Committee ; and
  - (e) make interim reports from time to time and to sit notwithstanding any adjournment of Parliament.
4. The Committee shall make its Report within one year of the date of its first sitting or such other or further time as Parliament may grant.

Hon. (Mrs) Vijayakala Maheswaran,— Select Committee of Parliament to inquire and report on the prison riot which took place on November 9<sup>th</sup>, 2012,—

Whereas a prison riot of enormous magnitude took place on the night of November 9<sup>th</sup>, 2012 and continued till early hours of November 10<sup>th</sup>, 2012 and has resulted in nearly 30 deaths and equal number of injured including the Deputy Inspector General of Police, Commandant of the Special Task Force;

And whereas this is not the first time that such occurrences have happened within prisons;

And whereas it appears that these incidents happened because of corruption in the system;

This House resolves that a Select Committee of Parliament be appointed to inquire and report on—

- (a) what was the immediate cause of this riot;
- (b) what sparks off prison riots so often;
- (c) what are the long standing issues that effect prison discipline;

Hon. R . Yogarajan,— Vote of No Confidence on the Hon. (Mrs.) Pavithradevi Wanniarachchi, Minister of Power and Energy,—

Whereas Hon. (Mrs.) Pavithradevi Wanniarachchi, Minister of Power and Energy in the course of her reply to the question raised by Hon John Amaratunga, Chief Opposition Whip on 23<sup>rd</sup> April, 2013 regarding the electricity tariff hikes, positively stated that the proposal to implement the recent power tariff hike had been made by her predecessor, Hon. Patali Champika Ranawaka before she had assumed duties in her present post;

And whereas Hon. Patali Champika Ranawaka presently the Minister of Technology, Research and Atomic Energy has specifically denied any responsibility to the increase in the electricity tariff, in a statement issued on 24<sup>th</sup> April, 2013;

And whereas in fact he has gone to the extent of challenging her to produce evidence to substantiate her statement;

And whereas it is obvious that the Minister of Power and Energy has deliberately mislead this House and in doing so, is guilty of a breach of privilege of the whole House and also its Members;

That this Parliament therefore resolves that it no longer has any confidence in the Hon. (Mrs.) Pavithradevi Wanniarachchi to continue as the Minister of Power and Energy.
