## *Part I – General*

### **Message of the Vice-Chancellor**

The year 2016 was a year of strengthening and consolidation of teaching and research for the University of Ruhuna. The university improved its position while contributing significantly in the fields of knowledge creation and dissemination. All the academic and administrative programmes of the university were launched as scheduled while reaching its goals through improving the quality and relevance of its educational and research programmes.

During the year, curricula of the certain degree programmes were revised to ensure more recognition to the graduate programmes of the university. Faculties of Agriculture, Engineering, Management and Finance and Science organized international symposia contributing to the productive expansion of knowledge in addition to the national and student research symposia.

The infrastructure development has also been taken place prominently during the year with the formation of number of buildings and other physical structures.

Two main academic events of the university namely, the General Convocation and the Annual Academic Sessions and the Vice Chancellor's Award Ceremony were held as scheduled.

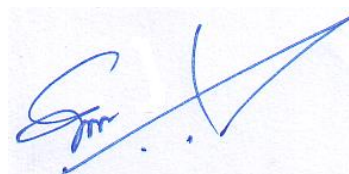

The first batch of the Faculty of Agriculture after introducing three degree programmes was graduated in the year 2016. IESL (Institution of Engineers, Sri Lanka) has granted full accreditation for the B.Sc.Eng. degree programmes specialized in Civil and Environmental Engineering and, Electrical and Information Engineering for the period of 2016 to 2020. Accordingly, these degree programmes are

recognized in all Washington Accord signatory countries.

The Faculty of Technology was officially established in 2016 and it has planned to offer two degree programmes for the first batch of students to be enrolled in 2017 namely, Bachelor of Engineering Technology (BET) focusing on Electromechanical Technology and Bachelor of Information and Communication Technology (BICT) focusing on Application Development.

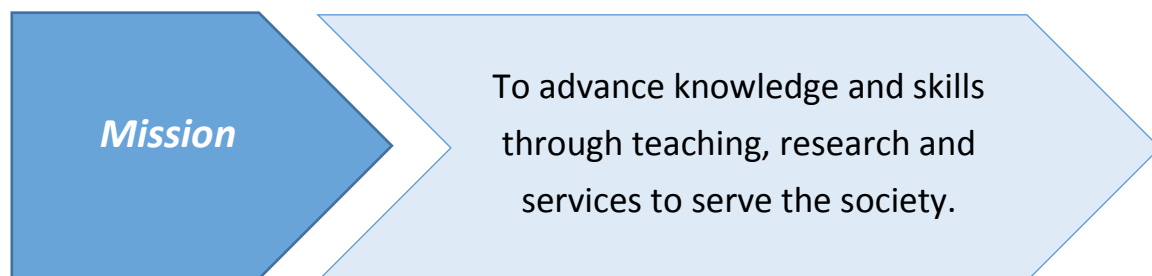

All supporting units of the university including Centre for International Affairs, Medical Center, Career Guidance Unit, Center for Modern Languages and Civilization, Physical Education Unit, General Administration and Legal and Documentation division provided their services positively for smooth running of the operations of the university.

As a leading national university of Sri Lanka, University of Ruhuna strives to provide the best learning environment in order to achieve international standards and provide accredited academic programmes. The university has already started on a radical shake up in various fields to keep face with rapid changes in society and the labor market which needs national graduates capable of taking responsibility.

**Prof. Gamini Senanayake**  
**Vice Chancellor**

## **Vision & Mission of the University of Ruhuna**

## Goals & Objectives

### **Goal 1 - Expanding access to education, research and services.**

#### *Objectives:*

- 1.1. To increase the intake of internal undergraduate students from 1860 to 2340 by year 2018.
  - Agriculture undergraduates from 250 to 300
  - Engineering undergraduates from 225 to 255
  - FMST undergraduates from 60 to 150
  - Management & Finance undergraduates from 320 to 350
  - Medicine and allied health science undergraduates from 140 to 160 and from 125 to 135 respectively
  - Science undergraduates from 390 to 490
  - Technology undergraduates from 00 to 100
  - H&SS undergraduates from 350 to 400
- 1.2. To commence 05 new degree programs by 2016
- 1.3. To introduce 22 new distance courses and 01 online course by year 2018.
- 1.4. To implement the common credit transfer system by year 2015.
- 1.5. To increase the enrollment of postgraduate students by 5 % annually.
- 1.6. To introduce 30 new partnership programmes with external organizations by year 2018.
- 1.7. To increase the number of beneficiaries / recipients of services and outreach activities from 87,820 to 200,000 per year by year 2018.
- 1.8. To increase the capacity and facilities for research by 50% by year 2018.
  - No of publications in indexed journals from 105 to 250 per year
  - No of postgraduate research students enrolled from 38 to 100 per year.
  - No of research grants from 50 to 75 per year
- 1.9. To implement "Open Access Scientific Instrumentation Policy" within the university by 2015
- 1.10. To commence a new Faculty to offer degrees in Technology stream by 2016

### **Goal 2 - Enhancing quality of education, research and services.**

#### *Objectives:*

- 2.1. To ensure 65% of the academic staff to have obtained Ph.D. or equivalent qualifications by year 2018.
- 2.2. To ensure 80 % of the administrative staff to have obtained postgraduate/professional qualifications by year 2018.
- 2.3. To ensure implementation of management information system (MIS) in all faculties, library and administration units by year 2014.
- 2.4. To equip all lecture theatres with modern teaching facilities by year 2018.
- 2.5. To reach the subject benchmarks established by UGC/other relevant accrediting bodies for all degree programmes by year 2018.
- 2.6. To obtain international accreditation (Washington Accord) for B.Sc. Engineering degree program by 2018.
- 2.7. To establish 5 "Centralized Instrumentation Labs" with state of art equipment by year 2018.
- 2.8. To upgrade the existing skills laboratory at Faculty of Medicine with state of art equipment by 2016
- 2.9. To increase the library collection by 30% by year 2018.
- 2.10. To double the library usage by year 2018.
- 2.11. To provide access to ICT facilities for all students and staff by year 2015.

2.12. To ensure 50% of students achieving UTEL level 5 of English proficiency examination and passing UTICT examination by year 2018.

2.13. To enhance facilities for extracurricular and co-curricular activities by 50% by year 2018.

### **Goal 3 - Enhancing relevance of education and research.**

#### **Objectives:**

3.1. To revise curriculum of all undergraduate degree programmes to improve the relevance and increase the overall employability to 85% within 6 months of graduation by year 2018.

- Agriculture graduates from 65% to 90%
- Engineering graduates from 90% to 95%
- FMST graduates from 80% to 90%
- H&SS graduates from 29% to 70%
- Management & Finance graduates from 70% to 90%
- Allied health science graduates to 90%
- Science graduates from 80% to 90%

3.2. To revise curriculum of all distant and continuing degree programmes to improve the relevance and increase the employability to 60% by year 2018.

3.3. To revise curriculum of all non degree study programmes to fit into the SLQF by year 2015.

3.4. To introduce industry training/implant training of undergraduates in all degree programs by year 2016.

3.5. To ensure 50% of research undertaken by university is to address the national/regional needs by year 2018.

3.6. To introduce Outcome Based Education (OBE) methods to all degree programmes by 2018

3.7. To define graduate attributes for every degree programme by year 2015.

### **Goal 4 - Ensuring justice and equity with respect to gender, ethnicity, religion and differently-abled persons.**

#### **Objectives:**

4.1. To ensure the provision of basic infrastructure facilities to cater to differently-abled persons in 30% of existing buildings by year 2018.

4.2. To ensure the provision of access and basic facilities for differently-abled persons in all new buildings.

4.3. To improve learning facilities for a total of 15 differently-abled students by year 2018.

4.4. To provide financial/social support for all students who have dire economic/ social needs by year 2017.

4.5. To ensure conducive environment for all ethno-religious communities to study and live in harmony by year 2014.

4.6. To ensure equal opportunities in all activities irrespective of gender, ethnicity and religion by year 2014.

4.7. To introduce a course module in social harmony to all degree programs by 2014.

4.8. To establish Tamil Language Teaching Unit (TLTU) to offer Tamil Language Certificate Courses by 2014.

### **Goal 5 - Enhancing good governance through effective and efficient management of the resources.**

#### **Objectives:**

5.1. To maintain effective and efficient management and good governance in administration and finance.

5.2. To introduce performance based incentive scheme for nonacademic staff by 2014

- |  |  |
|--|--|
| <p>5.3. To decrease percentage level of vacant academic and nonacademic cadre positions to less than 5% by 2018.</p> <p>5.4. To increase the use of ICT up to 80% to improve the effectiveness and the efficiency of administration by 2018.</p> <p>5.5. To maintain the smooth functioning of grievances handling process for university community.</p> <p>5.6. To maintain the effective and efficient management of funds received by the University.</p> <p>5.7. To maintain the smooth functioning of counseling and welfare services for university community.</p> | <p>5.8. To increase the office space of main administration by 2000 m<sup>2</sup> by 2016.</p> <p>5.9. To increase accommodation facilities for university staff by providing 30 bachelors quarters and 20 married quarters by 2015</p> <p>5.10. To increase students' hostel facilities for another 1600 students by 2016</p> <p>5.11. To maintain transparency and accountability in recruitments, decision-making and resource allocation.</p> <p>5.12. To obtain true and fair audit opinion by 2014</p> |
|--|--|

**Goal 6 - Upgrading the university to the top 2000 in the TIMES Higher Education and QS ranking list**

**Objectives:**

- |  |  |
|--|--|
| <p>6.1. To establish new 14 link programs with foreign universities, research institutes and corporate bodies by 2018</p> <p>6.2. To enroll 60 foreign undergraduate students per year by 2018.</p> <p>6.3. To enroll 15 foreign postgraduate students per year to the Faculty of Graduate Studies by 2018.</p> <p>6.4. To assign 16 foreign academics/scholars per year to the university by 2018</p> <p>6.5. To increase the financial allocation for awarding travel grants for presenting papers at international research conferences, paying</p> | <p>page fees for publishing in high impact indexed journals from 8 m LKR to 12 m LKR by 2018.</p> <p>6.6. To establish a fund worth of 2 m LKR per year to facilitate commercialization of research findings (including cost of patents) by 2014.</p> <p>6.7. To help 35 Industries with innovations, inventions and consultancy through public - private partnerships on research &amp; development and commercialization of research findings by 2018.</p> <p>6.8. To publish 6 online journals by 2018.</p> |
|--|--|

**Goal 7 - Enhancing the uniqueness of the University**

**Objectives:**

- |  |  |
|--|--|
| <p>7.1. To introduce new degree programs and new courses for existing degree programmes related to freshwater and marine Sciences, to make the University of Ruhuna unique by year 2018.</p> <ul style="list-style-type: none"> <li>• New Degree programmes <ul style="list-style-type: none"> <li>○ B.Sc. in Marine Engineering by the Faculty of Engineering and Faculty of Fisheries and Marine Sciences and Technology.</li> </ul> </li> </ul> | <ul style="list-style-type: none"> <li>○ B.Sc. in Naval Architecture by the Faculty of Engineering, Faculty of Fisheries and Marine Sciences and Technology and Colombo Dockyard.</li> <li>○ B.Sc. in Marine Sciences and Management by the Faculty of Management and Finance, Faculty of Fisheries and Marine Sciences and Technology and Sri Lanka Navy.</li> <li>○ B.Sc. in Maritime Affairs and Policy by the Faculty of Fisheries and Marine</li> </ul> |
|--|--|

- Sciences and Technology and Faculty of Management and Finance
  - B.Sc. in Marine Technology by the Faculty of Fisheries and Marine Sciences and Technology
- New courses for existing degree programmes
  - Faculty of Management and Finance – Tourism and Hospitality Management, Maritime Insurance, International Trade and Finance, Logistics Management
  - Faculty of Science - Marine Chemistry, Marine Algae Cultivation and Taxonomy, Physical Properties of ocean waters and Remote Sensing, Marine Biology, Marine Ecology
  - Faculty of Agriculture – Sea Farming,
  - Faculty of Engineering – Maritime Civil Engineering, Marine Navigation, Naval Architecture
- 7.2. To establish the Coastal Resources Awareness Center (CoRAC) by year 2014.
- 7.3. To establish new links with 5 international maritime universities and research institutes by year 2016.
- 7.4. To develop a university township around the university including national level aquarium and a state of art auditorium with 1500 seating capacity by year 2017.
- 7.5. To establish a national level library resource collection by 2014.

## Key Performance Indicators

KPI	Base Year (2013)	2014	2015	2016	2017	2018
<b>1. Expanding access to education, research and services.</b>						
1.1. To increase the intake of internal undergraduate students from 1860 to 2340 by year 2018.						
Student enrollment per year	1860	1956	2052	2148	2244	2340
1.2. To commence 05 new degree programs by 2016						
No. of degree courses introduced	-	01	03	05		
1.3. To introduce 22 new distance courses and 01 online course by year 2018						
No. of distance/online courses introduced	-	05	10	17	21	23
1.4. To implement the common credit transfer system by year 2015						
No. of transferable credits	-	-	20	60	80	90
1.5. To increase the enrollment of postgraduate students by 5 % annually						
No. of students enrolled per year	420	441	463	489	514	540
1.6. To introduce 30 new partnership programmes with external organizations by year 2018						
No. of partnerships established	-	05	15	20	25	30
1.7. To increase the number of beneficiaries / recipients of services and outreach activities from 87,820 to 200,000 per year by year 2018						
No. of beneficiaries/ recipients	87,820	110,256	132,696	155,128	177,564	200,000
1.8. To increase the capacity and facilities for research by 50% by year 2018						
No of publications in indexed journals per year	105	134	163	192	121	150
No of postgraduate research students enrolled per year	38	50	62	74	86	100
No of research grants per year	50	55	60	65	70	75
1.9. To implement "Open Access Scientific Instrumentation Policy" within the university by 2015						
No of high end instruments operated under this policy	00	05	10	15	20	25
1.10. To commence a new Faculty to offer degrees in Technology stream by 2016						
Commencement of the new Faculty	-	-	-	01		
<b>2. Enhancing quality of education, research and services.</b>						
2.1. To ensure 65% of the academic staff to have obtained Ph.D. or equivalent qualifications by year 2018.						
No. of academics with Ph.D. or equivalent	195 (40%)	215	245	290	340	390 (65%)
2.2. To ensure 80 % of the administrative staff to have obtained postgraduate/professional qualifications by year 2018						
No. of administrative officers with postgraduate/ professional qualifications	14 (43%)	17	20	24	28	32(80 %)
2.3. To ensure implementation of management information system (MIS) in all faculties, library and administration units by year 2014.						
No. faculties/ units implementing MIS	06	All				
2.4. To equip all lecture theatres with modern teaching facilities by year 2018.						
% of lecture theaters with modern teaching facilities	40%	60%	70%	80%	90%	100%
2.5. To reach the subject benchmarks established by UGC/other relevant accrediting bodies for all degree programmes by year 2018.						

KPI	Base Year (2013)	2014	2015	2016	2017	2018
No of degree programmes with subject benchmark achieved	05	06	07	08	09	All
<b>2.6. To obtain international accreditation (Washington Accord) for B.Sc. Engineering degree program by 2018.</b>						
Steps taken to obtain Washington Accord accreditation	Preliminary steps	Preparation for Accord	Internal evaluation	Apply	Evaluation	Accreditation
<b>2.7. To establish 5 "Centralized Instrumentation Labs" with state of art equipment by year 2018</b>						
No. of "Centralized Instrumentation Labs"	00	01	02	03	04	05
<b>2.8. To upgrade the existing skills laboratory at Faculty of Medicine with state of art equipment by 2016</b>						
No. of equipments received	16	17	19	21	23	25
<b>2.9. To increase the library collection by 30% by year 2018</b>						
No. of books in the library	163877	172890	181922	190944	201245	213040
<b>2.10. To double the library usage by year 2018</b>						
Average No. of library users per day	1090	1308	1526	1744	1962	2180
<b>2.11. To provide access to ICT facilities for all students and staff by year 2015</b>						
ICT facilities available (No. of Computers available for student)	694	750	800	900	1000	1200
<b>2.12. To ensure 50% of students achieving UTEL level 5 of English proficiency examination and passing UTICT examination by year 2018</b>						
No. students passing UTEL level 5	785	1200	1600	2400	3000	4000
No. of students passing UTICT	1041	1250	1600	2400	3000	4000
<b>2.13. To enhance facilities for extracurricular and co-curricular activities by 50% by year 2018</b>						
No. of activities	103	120	150	170	190	210
<b>3. Enhancing relevance of education and research.</b>						
<b>3.1. To revise curriculum of all internal undergraduate degree programmes to improve the relevance and increase the overall employability to 85% within 6 months of graduation by year 2018</b>						
% employability of Agriculture graduates	65	70	75	80	85	90
% employability of Engineering graduates	90	91	92	93	94	95
% employability of FMST graduates	80	82	84	86	88	90
% employability of H&SS graduates	29	37	45	53	61	70
% employability of M&F graduates	70	74	78	82	86	90
% employability of Allied Health Sci. graduates	unknown	60	65	70	80	90
% employability of Science graduates	80	82	84	86	88	90
<b>3.2. To revise curriculum of all distant and continuing degree programmes to improve the relevance and increase the employability to 60% by year 2018</b>						
% employability of external graduates	unknown	35	40	45	50	60
<b>3.3. To revise curriculum of all non degree study programmes to fit into the SLQF by year 2015</b>						
No. revised non degree study programmes	07	11	all	all	all	all
<b>3.4. To introduce industry training / implant training of undergraduates in all degree programs by year 2016</b>						
No. of degree programmes with industry/ implant training	07	08	09	all	all	all
<b>3.5. To ensure 50% of research undertaken by university is to address the national/ regional needs by year 2018</b>						
% of research addressing national/ regional needs	25	30	35	40	45	50

KPI	Base Year (2013)	2014	2015	2016	2017	2018
<b>3.6. To introduce Outcome Based Education (OBE) methods to all degree programmes by 2018</b>						
No. of degree programmes using OBE methods	01	01	02	04	06	08
<b>3.7. To define graduate attributes for every degree programme by year 2015</b>						
No. of degree programmes with defined graduate attributes	00	01	03	05	07	08
<b>4. Ensuring justice and equity with respect to gender, ethnicity, religion and differently-abled persons.</b>						
<b>4.1 To ensure the provision of basic infrastructure facilities to cater to differently-abled persons in 30% of existing buildings by year 2018</b>						
% of existing buildings with basic facilities for differently-abled persons	00	05	10	15	20	30
<b>4.2 To ensure the provision of access and basic facilities for differently-abled persons in all new buildings</b>						
No. of new buildings with basic facilities for differently-abled persons	00	all	all	all	all	all
<b>4.3 To improve learning facilities for a total of 15 differently-abled students by year 2018</b>						
No. of differently-abled students entered	04	06	08	10	12	15
<b>4.4 To provide financial/social support for all students who have dire economic/ social needs by year 2017</b>						
% of needy students receiving financial support	30	40	60	80	90	100
<b>4.5 To ensure conducive environment for all ethno-religious communities to study and live in harmony by year 2014</b>						
Satisfaction rate of different ethno-religious groups	60%	100%				
No. of multi-cultural events per year	04	06	08	10	12	12
<b>4.6 To ensure equal opportunities in all activities irrespective of gender, ethnicity and religion by year 2014</b>						
No. of complaints received	05	00	00	00	00	00
No. of common documents prepared in all three languages	8	15	all	all	all	all
<b>4.7 To introduce a course module in social harmony to all degree programs by 2014</b>						
No of degree programmes with social harmony course module	00	08	08	08	08	08
<b>4.8 To establish Tamil Language Teaching Unit (TLTU) to offer Tamil Language Certificate Courses by 2014</b>						
No of students following Tamil language certificate course	900	2000	3000	4000	5000	all
<b>5. Enhancing good governance through effective and efficient management of the resources</b>						
<b>5.1. To maintain effective and efficient management and good governance in administration and finance</b>						
Queries in Auditor General's annual report	26	20	10	05	00	00
No. of complaints against administration	02	00	00	00	00	00
ISO Certification/ Productivity Awards	-	-	Yes	Yes	Yes	Yes
<b>5.2. To introduce performance based incentive scheme for nonacademic staff by 2014</b>						
No. of nonacademic staff receiving performance based incentives	00	20	30	40	50	60
<b>5.3. To decrease percentage level of vacant academic and nonacademic cadre positions to less than 5% by 2018</b>						
No. vacant academic cadre positions	140	120	98	78	54	32

KPI		Base Year (2013)	2014	2015	2016	2017	2018
No. vacant nonacademic cadre positions		89	70	60	50	40	35
5.4. To increase the use of ICT up to 80% to improve the effectiveness and the efficiency of administration by 2018							
% usage of ICT in administration		10%	30%	40%	45%	50%	60%
5.5. To maintain the smooth functioning of grievances handling process for university community							
Satisfaction rate of employees about handling grievances		40%	50%	60%	70%	80%	90%
5.6. To maintain the effective and efficient management of funds received by the University							
% use of funds received annually			100%	100%	100%	100%	100%
5.7. To maintain the smooth functioning of counseling and welfare services for university community							
% of students receiving accommodation		40%	50%	60%	65%	70%	75%
No. of students and employees visiting counseling center		42	100	150	200	250	300
5.8. To increase the office space of main administration by 2000 m <sup>2</sup> by 2016							
New administration building		Planning	Approval	Construction	Commissioning		
5.9. To increase accommodation facilities for university staff by providing 30 bachelors quarters and 20 married quarters by 2015							
No. of new bachelors quarters		00	30				
No. of new married quarters		00	08	12			
5.10. To increase students' hostel facilities for another 1600 students by 2016							
No. of students receiving new hostel facilities		00	800	800	1600		
5.11. To maintain transparency and accountability in recruitments, decision-making and resource allocation							
No. of statutory/regulatory meetings held per year	Council/ Senate/Faculty Board	11	11	11	11	11	11
	Finance Committee	06	06	06	06	06	06
	Audit & Management Committee	04	04	04	04	04	04
	Leave and Awards Committee/ Tender Board	11	11	11	11	11	11
	Board of Management (Distance & Continuing Education Unit)	06	06	06	06	06	06
5.12. To obtain true and fair audit opinion by 2014							
Auditor General's Opinion (True and Fair)		-	Yes	Yes	Yes	Yes	Yes
<b>6. Upgrading the university to the top 2000 in the TIMES Higher Education and QS ranking list</b>							
6.1. To establish new 14 link programs with foreign universities, research institutes and corporate bodies by 2018							
No. of link programmes established		28	30	32	34	39	43
6.2. To enroll 60 foreign undergraduate students per year by 2018							
No. of foreign undergraduate students enrolled per year		03	05	15	30	45	60
6.3. To enroll 15 foreign postgraduate students per year to the Faculty of Graduate Studies by 2018							
No. foreign postgraduate students enrolled per year		00	10	12	13	14	15
6.4. To assign 16 foreign academics/scholars per year to the university by 2018							

KPI	Base Year (2013)	2014	2015	2016	2017	2018
No. of foreign academics/scholars assigned to University of Ruhuna per year	22	25	28	32	35	38
6.5. To increase the financial allocation for awarding travel grants for presenting papers at international research conferences, paying page fees for publishing in high impact indexed journals from 8 m LKR to 12 m LKR by 2018						
Amount of the financial allocation for awarding travel grants for presenting papers at international research conferences, paying page fees for publishing in high impact indexed journals (LKR Millions)	08	08	09	10	11	12
6.6. To establish a fund worth of 2 m LKR per year to facilitate commercialization of research findings (including cost of patents) by 2014						
Fund for commercialization of research (m LKR)	00	02	02	02	02	02
6.7. To help 35 Industries with innovations, inventions and consultancy through public - private partnerships on research & development and commercialization of research findings by 2018						
No. of public –private partnerships established with industries	13	18	23	27	30	35
6.8. To publish six online journals by 2018						
No. of online journals published	04	04	05	05	05	06
<b>7. Enhancing the uniqueness of the university</b>						
7.1. To introduce new degree programs and new courses for existing degree programmes to make the university the center for excellence in aquatic resources by year 2018.						
No. of new degree programmes	-	-	01	03	04	06
No. of new courses introduced to existing degree programmes	-	01	05	08	11	13
7.2. To establish the Coastal Resources Awareness Center (CoRAC) by year 2014						
Coastal Resources Center		Establi shed				
7.3. To establish new links with 5 international maritime universities and research institutes by year 2016						
No. of new links established	-	01	03	05	05	05
7.4. To develop a university township around the university including national level aquarium and a state of art auditorium with 1500 seating capacity by year 2017						
Aquarium	Planning	Construct ion	Construct ion	Construct ion	Commissi oning	
University township	Planning	Construct ion	Construct ion	Commissi oning		
Auditorium	Planning	Construct ion	Commissi oning			
7.5. To establish a national level library resource collection by 2014						
National level library resource collection	In progress	Completi on				

## Governing Authority

**The Chancellor** - Ven. Rajakeeya Pandit Pallaththara Sri Sumanajothi Thero

### Council of the University

<i>Vice-Chancellor</i>	-	Snr.Prof. Gamini Senanayake
<i>Deputy Vice-Chancellor</i>	-	Dr. A.M.N. Alagiyawanna
<i>Deans of the Faculties</i>		
<i>Dean/Agriculture</i>	-	Prof. K.L.Wasantha Kumara
<i>Dean/Engineering</i>	-	Dr. P.D.C. Perera
<i>Dean/Fisheries and Marine Sciences &amp; Technology</i>	-	Dr. R.A. Maithreepala
<i>Dean/Humanities &amp; Social Sciences</i>	-	Prof. S. Wawwage
<i>Dean/Management and Finance</i>	-	Dr. T.S.L.W.Gunawardhana
<i>Dean/Medicine</i>	-	Snr. Prof. Sarath Lekamwasam
<i>Dean/Science</i>	-	Prof. P.A. Jayantha
<i>Dean/ Technology</i>	-	Snr. Prof. W.G.D.Dharmaratne
<i>Dean/Graduate Studies</i>	-	Prof. L.P. Jayatissa
<i>Appointed Members</i>	-	Rev. Malimbada Gnanaloka Thero
	-	Mr. S.A.Andrahennadi
	-	Mr. Asoka De Silva
	-	Dr. Thilak T.Ranasinghe
	-	Mr. H.G. Gunasoma
	-	Mrs. E.A.C. Vidanagamachchi
	-	Prof. (Ms) Anoja Fernando
	-	Mr. M.G. Punchihewa
	-	Mr. Anura Dissanayake
	-	Prof. R.N.Pathirana
	-	Mr. R. C. De Zoysa
	-	Mr. T.M. Nimal De Silva
<i>Senate Nominees</i>	-	Prof. (Mrs.) N.J. de S. Amarasinghe
	-	Prof. Saman Abeysinghe
<i>Registrar (Ex Officio Secretary)</i>	-	Mrs. P.S. Kalugama

# Senate of the University

<b>Vice-Chancellor</b>	-	Snr. Prof. Gamini Senanayake
<b>Deputy Vice-Chancellor</b>	-	Dr. A.M.N. Alagiyawanna
<b>Deans of the Faculties</b>		
Dean/Agriculture	-	Prof. K.L.Wasantha Kumara
Dean/Engineering	-	Dr. P.D.C. Perera
Dean/Fisheries and Marine Sciences & Technology	-	Dr. R.A.Maithreepala
Dean/Humanities & Social Sciences	-	Prof. S. Wawwage
Dean/Management and Finance	-	Dr. T.S.L.W.Gunawardhana
Dean/Medicine	-	Snr. Prof. Sarath Lekamwasam
Dean/Science	-	Prof. P.A. Jayantha
Dean/ Technology	-	Snr. Prof. W.G.D.Dharmaratne
Dean/Graduate Studies	-	Prof. L.P. Jayatissa
<b>Librarian</b>	-	Mr. Ananda Karunaratne
<b>Registrar</b>	-	Mrs. P.S. Kalugama
<b>Heads of the Departments of Study</b>		
<b>Faculty of Agriculture</b>		
Agricultural Biology	-	Dr. Mrs. N. Dahanayake
Agricultural Economics	-	Mr. A.L. Sandika
Agricultural Engineering	-	Mr. S .Wijetunga
Animal Science	-	Dr. Mrs. N.M.N.K. Narayana
Crop Science	-	Prof. K.K.I.U. Aruna Kumara
Food Science & Technology	-	Dr. P.L.N. Lakshman
Soil Science	-	Prof. Mrs. D.A.L. Leelamani
<b>Faculty of Engineering</b>		
Civil and Environmental Eng.	-	Dr.G.S.Y. De Silva
Electrical and Information Eng.	-	Dr. S.H.K.K.Gunawickrama
Mechanical and Manufacturing Eng.	-	Dr. Sumith Baduge
Interdisciplinary Studies	-	Mr. W.T.G. Samantha
<b>Faculty of Fisheries and Marine Sciences &amp; Technology</b>		
Fisheries & Aquaculture	-	Mr. K.H.M.A. Deepananda
Limnology & Water Technology	-	Dr.(Mrs.) H.B.Asanthi
Oceanography & Marine Geology	-	Dr. P.N. Ranasinghe

**Faculty of Humanities & Social Sciences**

<i>Economics</i>	-	Dr.B.M.Sumanaratne
<i>Public Policy</i>	-	Mr. E.G.Wijesiri
<i>Geography</i>	-	Mr. G. Senarath
<i>History &amp; Archaeology</i>	-	Dr. M.V. Chandrasiri
<i>Pali &amp; Buddhist Studies</i>	-	Dr. A.S.Bandara
<i>Sinhala</i>	-	Prof. (Mrs.) Dharma Rajapaksha
<i>Sociology</i>	-	Mr. Upali Pannilage
<i>English and Linguistics</i>	-	Prof. E.A.G. Fonseka

**Faculty of Management and Finance**

<i>Accounting &amp; Finance</i>	-	Dr. Mrs. T.M.A. Tennakoon
<i>Management &amp; Entrepreneurship</i>	-	Mr. M.W.S.Sanjeewa Silva
<i>Marketing</i>	-	Prof. P.A.P.S. Kumara

**Faculty of Medicine**

<i>Anatomy</i>	-	Dr. M.B. Samarawickrama
<i>Bio-Chemistry</i>	-	Dr. M.T. Napagoda
<i>Community Medicine</i>	-	Prof. S.K.C. Wimalasundara
<i>Forensic Medicine</i>	-	Dr. Clifford Perera
<i>Medicine</i>	-	Dr. Mrs. C.K. Bodhinayake
<i>Microbiology</i>	-	Dr. W.M.D.G.B. Wijyaratne
<i>Obstetrics &amp; Gynecology</i>	-	Dr. M.D.C.S. Kularathna
<i>Paediatrics</i>	-	Dr. I.V.Devasiri
<i>Parasitology</i>	-	Dr. T.C. Yahathugoda
<i>Pathology</i>	-	Dr.(Mrs.) T.G.Liyanage
<i>Pharmacology</i>	-	Dr.(Mrs.) S.S.Jayasinghe
<i>Physiology</i>	-	Dr. R.S.J. Lenora
<i>Psychiatry</i>	-	Dr. K.M.S.A.K. Jayasekara
<i>Surgery</i>	-	Dr. R.W. Senevirathna
<i>Anaesthesiology</i>	-	-

**Faculty of Science**

<i>Botany</i>	-	Prof. S. Abeysinghe
<i>Chemistry</i>	-	Prof.(Mrs.) V.P. Bulugahapitiya
<i>Computer Science</i>	-	Dr. T.S. Illeperuma
<i>Mathematics</i>	-	Dr. W.A.R. De Mel
<i>Physics</i>	-	Dr. G.D.K. Mahanama
<i>Zoology</i>	-	Prof. P.M.C.S. De Silva

### **Faculty of Technology**

<i>Information &amp; Communication Technology</i>	-	Mr. S.A.S. Lorensuhewa
<i>Bio Systems Technology</i>	-	Prof. E.P.S. Chandana
<i>Engineering Technology</i>	-	Dr. K.G.S.H. Gunawardene
<i>Multidisciplinary Studies</i>	-	Snr. Prof. W.G.D.Dharmaratne

### **Professors**

<i>Professor of Crop Science</i>	-	Snr. Prof. Ranjith Senarathna
<i>Professor of Agric Biology</i>	-	Snr. Prof. Rohan Rajapaksha
<i>Professor of Agricultural Economics</i>	-	Snr. Prof. Mahinda Wijeratne
<i>Professor of Animal Science</i>	-	Snr.Prof.(Mrs.) R.T.Serasinghe
<i>Professor in Crop Science</i>		Snr.Prof. S. Subasinghe
<i>Professor in Animal Science</i>	-	Snr. Prof. W.W.D.A.Gunawardhana
<i>Professor in Agricultural Engineering</i>	-	Prof. (Mrs.) C.M.Nawarathna
<i>Professor in Agricultural Engineering</i>	-	Prof. P.L.A.G.Alwis
<i>Professor in Agricultural Engineering</i>	-	Prof.G.J.Yayasinghe
<i>Professor in Food Science &amp; Technology</i>	-	Prof.Vijith S.Jayamanna
<i>Professor in Agricultural Economics</i>	-	Prof. Mangala De Soysa
<i>Professor in Agricultural Economics</i>	-	Prof.L.M.Abeywickrama
<i>Professor in Soil Science</i>	-	Prof. S.D. Wanniarachchi
<i>Professor in Animal Science</i>	-	Prof. N.S.B.M.Attapattu
<i>Professor of Fisheries Biology</i>	-	Snr. Prof. (Miss) P.R.T.Kumaranatunga
<i>Professor in Limnology</i>	-	Prof. T.P.D. Gamage
<i>Professor in Sinhala</i>	-	Prof. Jayantha Amarasinghe
<i>Professor in Sinhala</i>	-	Prof.K.G.Amarasekara
<i>Professor in Geography</i>	-	Snr. Prof. P.Hewage
<i>Professor in Buddhist Culture</i>	-	Rev. Prof. Midigama Soratha
<i>Professor in Sociology</i>	-	Snr.Prof.S.W.Amarasinghe
<i>Professor in Economics</i>	-	Snr. Prof. P.Vithanage
<i>Professor of Medicine</i>	-	Snr.Prof. Susirith Mendis
<i>Professor of Pediatrics</i>	-	Prof.U.K.Jayantha
<i>Professor of Pathology</i>	-	Prof.(Mrs) L.K.B.Mudduwa
<i>Professor in Obstetrics &amp; Gynecology</i>	-	Snr Prof. I.M.R. Goonewardena
<i>Professor in Parasitology</i>	-	Snr.Prof. (Mrs.) M.V..Weerasooriya
<i>Professor in Pediatrics</i>	-	Prof. Sujeewa Amarasena
<i>Professor in Medicine</i>	-	Prof. Thilak Weerathna
<i>Professor in Medicine</i>	-	Prof. K.D. Pathirana
<i>Professor in Anatomy</i>	-	Snr. Prof. B.G.Nanayakkara
<i>Professor in Anatomy</i>	-	Prof. (Mrs.) Isurani Ileperuma
<i>Professor in Community Medicine</i>	-	Prof. P.V. de Silva

*Professor in Community Medicine*

### **General Convocation**

The 23<sup>rd</sup> Convocation and 10<sup>th</sup> Convocation for the External Degrees of the University of Ruhuna, were held on 27<sup>th</sup>, 28<sup>th</sup>, 29<sup>th</sup> May 2016 at the Gymnasium of the University of Ruhuna. The following number of graduands conferred their degrees at the convocation.

<b>Degree awarded</b>	<b>No. of Graduands</b>
Post graduands	
Doctor of Philosophy	04
Master of Philosophy	14
Master of Science in Animal Science	01
Master of Science in Food Science and Technology	02
Master of Science Green Technology	01

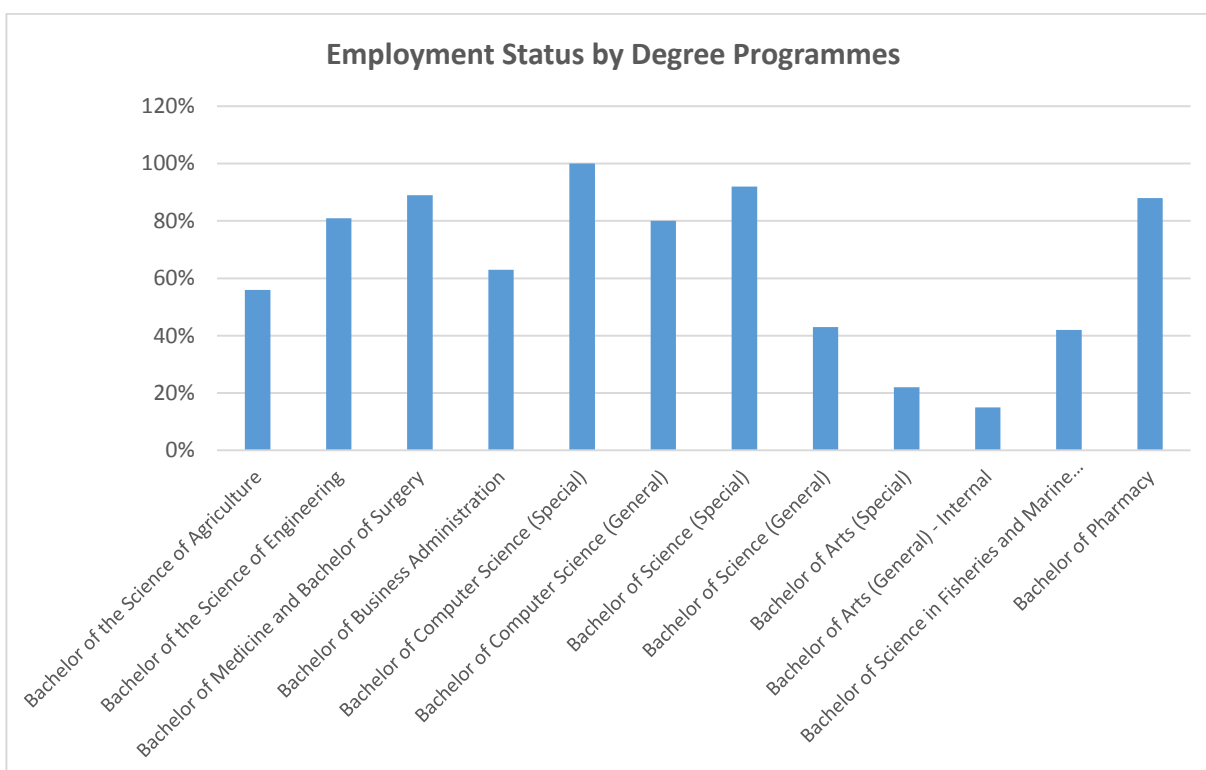

<b>Degree awarded</b>	<b>No. of Graduands</b>
Master of Arts in Economics	34
Master of Arts in Sociology	38
Under graduands	
Bachelor of the Science of Agriculture	139
Bachelor of the Science of Engineering	208
Bachelor of Medicine and Bachelor of Surgery	137
Bachelor of Business Administration	298
Bachelor of Computer Science (Special)	13
Bachelor of Computer Science (General)	20
Bachelor of Science (Special)	65
Bachelor of Science (General)	158
Bachelor of Arts (Special)	284
Bachelor of Arts (General) – Internal	159
Bachelor of Arts (General) - External	799
Bachelor of Science in Fisheries and Marine Sciences	59
Bachelor of Pharmacy	09
<b>Total</b>	<b>2442</b>

### **Employment Status by Degree Programmes**

The employment status of graduands was decided based on their responses on the questionnaire which was collected from graduands at the time of convocation held in 2016.

<b>Degree Programme</b>	<b>No. of Graduands</b>	<b>No. of Graduands for Replied of Questionnaire</b>	<b>No. of Employed Graduands at the time of Convocation</b>	<b>Percentage</b>
Bachelor of the Science of Agriculture	139	133	74	56%
Bachelor of the Science of Engineering	208	192	155	81%
Bachelor of Medicine and Bachelor of Surgery	137	121	108	89%
Bachelor of Business Administration	298	293	186	63%
Bachelor of Computer Science (Special)	13	13	13	100%
Bachelor of Computer Science (General)	20	15	12	80%
Bachelor of Science (Special)	65	63	58	92%
Bachelor of Science (General)	158	147	63	43%
Bachelor of Arts (Special)	284	279	62	22%
Bachelor of Arts (General) - Internal	159	161	24	15%

Degree Programme	No. of Graduands	No. of Graduands for Replied of Questionnaire	No. of Employed Graduands at the time of Convocation	Percentage
Bachelor of Arts (General) - External	799	-	-	-
Bachelor of Science in Fisheries and Marine Sciences	59	59	25	42%
Bachelor of Pharmacy	09	8	7	88%

## Scholarships other than Mahapola & Bursary

### Faculty of Engineering

The Faculty arranged two scholarships each Aus\$ 400 per year through Association of Sri Lankan Engineers Australia (ASLES).

RACEE (Ruhuna Alumni Association of Civil and Environmental Engineering) sponsored three scholarships each worth of Rs. 2,500.00 per month for 10 months.

Department of Civil and Environmental Engineering arranged 10 scholarships each Rs. 2,500.00 per month for 10 months through LANWA (Pvt) Ltd.,

Faculty arranged 20 scholarships for needy students, each Rs. 1,800.00 per month for 12 months through private sponsors.

In addition, 4 scholarships were awarded each worth of Rs. 1,500.00 per month for 10 months from the Engineering Faculty Scholarship Foundation.

Through the arrangements made by University, two students received Jayamini Samaraweera scholarships each worth of Rs. 2,500.00 per month for 10 months and two students received Ensina Wickramasekara scholarship of Rs. 500/= per month for 12 months. One student received Chandrapala Weerakoon scholarship of Rs. 1,000/- per month for 12 months.

## *Part IV - Reports of Faculties*

### Faculty of Agriculture

#### Dean's Statement/Review

We have risen above the challenges we faced in the year 2016 in several areas and emerged stronger, building new successes with advanced teaching and research programs while successful in community services. The first batch of students from all 3 degree programs graduated in the year 2016. I am delighted to see that students from these degree programs have taken advantage of opportunities to apply what they learn in the classroom to real-world situations over the course of the year.

As our faculty members receive accolades and honors both in academia and in research in the year, they advance our reputation and elevate the quality of our applied curriculum. One major project we initiated was a comprehensive curriculum revision. This project has multiple drivers including a need to change our teaching methodologies to better teach today's students, who learn differently, focus on student centered learning, and outcome based education approaches. We need to adapt to the rapid changes in the area of Agriculture, integrating new

technologies and traditional knowledge, and better preparing our students for the future.

The Faculty kept on organizing number of outreach programs, national and international level symposia, workshops, etc. as a result, contributed significantly towards regional and national level developments.

The infrastructure development has also been taken place during the year with the opening of auditorium, student and staff canteens, etc. supporting learning environment of the students. With the support of the Faculty, number of achievement were also made by the students in sports such as becoming the runner up of the inter-Faculty sports meet of the University of Ruhuna.

It's with great pleasure I conclude that 2016 was certainly a successful year for the Faculty and we have planned to continue to maintain it. While we never truly expect to reach perfection, we do expect to maintain our excellence through continuous improvement in all aspects of our mission.

#### Staff Involvements and Achievements

Programme/Activity	Brief Information	Beneficiaries /Output
Community Services	i. L3F project	150 farm families
	ii. Poly-plastic waste collecting program in Mapalana area	A questionnaire was administrated and results were published in a symposium
	iii. two trainings of milk producers for industry	Community
	iv. Four awareness programs for school children and general public	Community
Staff Development Programmes	i. Automated Citation Management	CCPDHE Course Participants
Contribution to National Development	i. NSF Chairperson (Acting) NSF subcommittee on Food and Agriculture (Chairperson)	
	ii. G.C.E. (A/L) Agriculture syllabus Revision and examination duties	G.C.E. (A/L) Student
	iii. Agricultural policy formulation activities with the CARP	

Programme/Activity	Brief Information	Beneficiaries /Output
	iv. Member for national committee to prepare National policy for minerals in Sri Lanka	NIE/Teachers
	v. Teacher Training: Soil health	NIE/Teachers
Committees & No. of Members involved	i. Soil Science society of Sri Lanka, Executive Committee: 1 member	
	ii. DCEU, Study board of Agriculture: 1 member	University
	iii. CARP	
Grants Received (purpose & amount) - Local - International	i. UGC Block grant 4.7 million rupees	
	ii. NSF Research Grant: 2.19 Million Rupees	
	iii. University Research Grant: 28,000 Rupees	A final year student project on composting
	iv. NRC research grant	
	v. ASCENT- European Union (Research Grant)	
Awards/Patents/Special Achievements	i. President's Awards for 2 academic staff members	
	ii. Vice Chancellors award for 1 academic staff member for most outstanding senior scholar	Faculty
	ii. Patents 03	University & Community
Workshops/Seminars/ Conferences conducted (Internal & Local)	i. ISAE 2016 (international)	
	ii. Wetland Soils: University of Colombo	Geography students
	iii. Compost Production (3 workshops)	Small farmers, Tea growers
	iv. Practical sessions for Students	G.C.E. O/L Students
	v. IAEA/CRP, NZAGGRC, NORHED	
Outreach activities	i. Teachers training	150
	ii. Young entrepreneurs training	50
	iii. Analysis of soil samples from outsiders	
	iv. Participation of a staff member as a co-controller in the Biosystem technology A/L Examination	
Link Programmes	i. Ryukyu-Ruhuna link program	
	ii. Ibaraki-Ruhuna MOU	
	iii. Graduate Institute of Agricultural Sciences, Kobe University, Japan

# Faculty of Engineering

## Dean's Statement/Review

The Faculty of Engineering functioned smoothly during the year 2016 under the leadership of Dr. P.D.C. Perera who has been serving as the Dean since 1<sup>st</sup> January 2013.

The 3<sup>rd</sup> Annual Research Symposium (ARS – 2016) of the Faculty was held successfully on 14<sup>th</sup> January, 2016 at the Faculty of Engineering. This annually organized symposium aims at sharing the research outcomes of the academic staff, students and prominent researchers in various organizations. Undergraduate Research Symposium on 'Recent Advances in Civil Engineering' was organized by the Department of Civil and Environmental Engineering for the 5<sup>th</sup> time. The symposium was held on 5<sup>th</sup> January 2016 at the Faculty of Engineering. 4<sup>th</sup> International Symposium on "Advances for Civil and Environmental Engineering Practices for Sustainable Development (ACEPS – 2016)" was held on 3<sup>rd</sup> March, 2016 at the Faculty of Engineering with the participation of foreign and local delegates. 8<sup>th</sup> IEEE International Conference on Information and Automation for Sustainability – 2016 (IEEE ICIaFS2016) was held at the Faculty premises from 16<sup>th</sup> – 19<sup>th</sup> December, 2016. It was the largest international conference held in the Faculty and participants from 18 countries presented their research papers.

The 17<sup>th</sup> batch of students with 222 students was admitted to the Faculty of Engineering on 7<sup>th</sup> January, 2016. The Development Programme was started on 11<sup>th</sup> January, 2016 and their first semester Academic programme was started on 28<sup>th</sup> March, 2016. The 18<sup>th</sup> batch of students with 219 students was admitted to the Faculty on 24<sup>th</sup> November, 2016.

With the funds received from previous year, 100-room hostel building (Phase II) was completed and it was opened on 24<sup>th</sup> October, 2016. As a result, now, the Faculty can provide hostel facilities to all students if needed. Construction of two blocks of academic quarters consisting of eight apartments and the renovation of the existing quarters of the Faculty were completed in this year. Also, Faculty received

special UGC grant worth of Rs. 200 M to upgrade the laboratories.

The Engineering Education Center of the Faculty arranged three months industrial training for 4<sup>th</sup> and 6<sup>th</sup> year Engineering undergraduates at various industries in Sri Lanka with the support of National Apprentice and Industrial Training Authority. Surveying Work camp for 15<sup>th</sup> batch of students in the Department of Civil and Environmental Engineering was organized from 25<sup>th</sup> July to 6<sup>th</sup> August 2016 at Wellawaya.

IESL (Institution of Engineers, Sri Lanka) has granted full accreditation for the B.Sc.Eng. degree programmes specialized in Civil and Environmental Engineering and, Electrical and Information Engineering for the period of 2016 to 2020. Accordingly, these degree programmes are recognized in all Washington Accord signatory countries (Presently, there are 18 countries).

Accreditation evaluation for B.Sc.Eng. degree programme specialized in Mechanical and Manufacturing Engineering has been conducted and the results are pending.

A proposal for the B.Sc.Eng. degree specialized in Marine Engineering and Naval Architecture was submitted for approval. Moreover, a proposal to increase the intake of students by 25 was also submitted.

Students' Union of the Faculty under the guidance of the Faculty staff organized several activities such as new-year festival, cricket, badminton and volleyball tournaments, musical programs, annual farewell and Christmas Carol programme, during the year 2016. Thambarawilla – 2016, the talents show of the undergraduate students was held on 17<sup>th</sup> September, 2016 at the auditorium of the Medical Faculty. Inter-Faculty Orator Competition-2016 was organized by the Faculty of Engineering and it was successfully held on 22<sup>nd</sup> June, 2016 at the Faculty Auditorium. A religious activity related to *Katina Pooja Pinkama* was held on 26<sup>th</sup> and 27<sup>th</sup> October, 2016 with the

participation of the academic staff, non academic staff, students and the villagers from Hapugala area.

The XBOTIX 2016, a Robotics Competition, was organized by the Electrical and Information Engineering Society (EIES) collaboration with IEEE student chapter, IET Ruhuna Chapter and Mechanical and Manufacturing Engineering Society. University undergraduates and students from the schools took part in this competition which was held at the Faculty on 19<sup>th</sup> October, 2016.

Faculty participated the “Techno 2016”, National Engineering and Technology Exhibition held at BMICH in October 2016. In this exhibition, Faculty’s stall won the Silver award for the Best Display with University Projects. In parallel to the exhibition, there were several competitions were held for the Engineering undergraduates. The students of the Faculty have

actively participated for those competitions and won the 1<sup>st</sup> and 2<sup>nd</sup> places in the CAD Eager Competition (For Mechanical Engineering students), 1<sup>st</sup> and 2<sup>nd</sup> places in the Spaghetti Bridge Competition (For Civil Engineering students). In addition, Faculty won the 1<sup>st</sup> place in the National Competition on Concrete Mix Design organized by Siam City Cement (Lanka) Ltd for Civil Engineering students.

Faculty has also actively participated in the Ruhuna University’s Inter-Faculty Literacy and Dancing Competition – 2016 which was sponsored by the Indian High Commission in Sri Lanka. Faculty won the 1<sup>st</sup> place for the Traditional dancing group event and the 3<sup>rd</sup> place for the Literature (Poem, Sinhala medium) individual event. Also, Faculty won the first place in Inter-Faculty Orator Competition-2016 in the English medium category.

# Faculty of Fisheries and Marine Sciences & Technology

## Dean's Statement/Review

Year 2015 is the 10<sup>th</sup> year of the faculty of Fisheries and Marine Science & Technology which was established in year 2005. So far the faculty has produced five batches of graduates specialized in the field of fisheries, aquaculture, Limnology, Oceanography and Marine Geology. At the beginning of 2015, the faculty changed its location in the new permanent building at wellamadama premises at the first time after ten years of period locating at the faculty complex building of the faculty of Science. New location was FMST new Building phase-1 which is about 500 m<sup>2</sup> building containing, Deans office three lecture halls three laboratories, reading room, auditorium and museum. At the same year faculty also got the opportunity of begin the construction of building project phase –II of the faculty. Considering the requirements faculty introduced two new course modules for level IV undergraduate and updated eight course modules. By understanding the future

requirement of the country faculty of FMST also submitted Full curriculum for the new degree programme on B.Sc in Marine and Freshwater Science special honors degree programme to UGC approval. Moreover, Faculty also submitted proposal for changing the name of the department of Limnology to Department of Limnology and water technology. Department of Limnology recruited a ph.D holder for the post of Senior lecture (grade II). Faculty members has published 4 international indexed journal papers, 2 non-indexed papers , more than 15 abstract. Moreover faculty members also have involving in social service activities and developed relations with other institutes such as Geological survey and mines bureau, Marine Pollution Prevention Authority etc. In addition to that faculty members also have worked in special committees assigned for different types purposes within and outside of the university.

## Staff Involvements and Achievements

Programme/Activity	Brief Information	Beneficiaries /Output
Newly introduced courses (course units)	I. Stratigraphy & Sedimentology (OCG4162) II. Geophysics for Ocean Science (OCG 4171)	Level IV undergraduate students
Community services	I. Continuation of FMST-Service laboratory (Registered in Central Environmental Authority of Sri Lanka): Department of Limnology	Community
Curriculum Development (Improvements of course units /subjects)	I. Geological & Geographical aspects related to aquatic systems (LIM4122) II. Water Resources Management (LIM4132) III. Inland Aquatic ecosystem management & Conservation (LIM 4112) IV. Introduction to Oceanography (OCG1112)	undergraduate students

## Faculty of Humanities & Social Sciences

### Dean's Statement/Review

The Faculty of Humanities & Social Sciences of the University of Ruhuna is the largest Faculty in the University in terms of the student population. It consists of eight academic departments. In addition to those the faculty comprised of an English Language Teaching Unit, Information Technology Unit, Center for Modern Language & Civilizations and Center for Conflict Studies. The faculty conducts undergraduate programs leading to the Bachelor of Arts general and special degree in twelve disciplines under semester based course unit system. The scope of teaching and research of the faculty is also extended to offer postgraduate study programs such as MA., MPhil. and PhD etc. The faculty also conducts number of external degree, diploma and certificate level programs to meet the needs of the community.

The faculty is striving to make the full use of resources available to restore and foster the past glory and to enhance the historical social image of the country. Specifically, it contributes to develop economic and social sphere of the southern province. The faculty of Humanities & Social Sciences grooms the students for a professional life by providing them

with a broad understanding of the traditions that operate in a wide range of humanistic and social science disciplines.

During the year 2016, the faculty introduced English and ICT subjects for general degree students. The Department of Geography and Economics started to offer special degree programs in English medium. The Department of Sinhala introduced new course unit for special degree students in Geography. The Faculty conducted one international conference and over 70 local and international authors presented papers. Furthermore, the faculty could conduct a students' session for the first time and more than 70 students who are following degree programs in the national universities presented papers. The Department of Geography introduced a certificate course for external students and the curriculum was developed to introduce English and ICT for BA (External) degree students. The English extension courses and postgraduate degree programs were aligned to the SLQF. The Department of History & Archaeology and Geography conducted teachers training programs and around 300 teachers were trained.

### Staff Involvements and Achievements

Programme / Activity	Number and/or brief information	Beneficiaries /output
Newly introduced courses (Course units)	The faculty introduced three foundation course units on Information technology namely Basic Computer Architecture and networking, Database Management and objects oriented Modeling and Advanced ICT Applications.  The Departments of Geography and Economics started to conduct special degree programs in English medium.	A total of around 600 undergraduate students benefited from the newly introduced course units.
Distant Education Programs or extension courses	The external degree programme of the faculty was continued during the year.	Middle level employees of the Government and private sector/ GCE(A/L) passed students.

Programme / Activity	Number and/or brief information	Beneficiaries /output
Fee levying courses	<p>Three master courses continued by the Departments of Economics and Sociology.</p> <p>English certificate and diploma courses were conducted on fee levying basis.</p> <p>All departments of the faculty contributed for conducting teaching, seminars and examinations for BA (external) degree program.</p>	<p>Around 500 external students/ private and Government sector workers benefitted from the fee levying courses of the faculty.</p>

## Faculty of Management & Finance

### Dean's Statement/Review

The Faculty of Management and Finance offers courses covering a broad spectrum of disciplines leading to Bachelor of Business Administration (BBA) Honors degrees (SLQF 06). The faculty adopted the course unit based undergraduate programmes in English medium were introduced with effect in September 2001. Since then all degree programs are conducted in English Medium. At present, all the degree programs offered by the faculty fully meets the requirements of SLQF. The curriculum includes a range of common courses aimed at providing a solid grounding in the fields of Management and Finance, and a range of courses to be elected by the students

depending on their specialization, i.e., Accounting, Entrepreneurship, Human Resources Management and Marketing. In addition to the Undergraduate programmes, the faculty coordinates the Master in Philosophy (M.Phil.) and Doctor of Philosophy (PhD) degree programs which are based on independent research in the fields of Management and Finance. Further, the faculty coordinates the Postgraduate Diploma in Business Administration (PDBA) and the Master of Business Administration (MBA) degree programmes, which are, based on course work and research.

	<ul style="list-style-type: none"> <li>• Follow up Clinic - conducted by Dr. J.P.M. Kumarasinghe is held every other Tuesday at Ward 03.</li> <li>• Pre-Anesthetic Assessment Clinic - conducted by Dr. U.I. Hapuarachchi is held every Friday at Ward 03. patients 104</li> <li>• High Dependency Unit(HDU) in Ward 05 - as an intermediate care facility to ward and intensive care, in charge Dr. U.I. Hapuarachchi. Admissions 53</li> </ul> <p>iv <i>Operations</i>(All theatres) Casualties &amp; Routines Operations : 24152</p> <p>v. Gastrointestinal endoscopy: 812</p> <p><u>Filariasis Research Training and Services Unit (FRTSU)</u></p> <p>i. Transmission Assessment Surveys (TAS) under national Programme to Eliminate Lymphatic Filariasis (PELF)</p>	<p>A total of 3,091 urine samples were collected (Jaffna= 1146(37%), Trincomalee=1945(63%)). A total of 50(1.62%) samples were positive {Jaffna=15(1.3%), Trincomalee=35(1.8%)} for antibodies. Among positives, 43(86%) had low IgG4 titre (<math>\leq 100</math> U); however, six (0.31%) of Trincomalee specimens and one (0.09%) of Jaffna had relatively higher IgG4 titre. The filarial specific IgG4 positive rate was higher in females {Jaffna=8(53%); <math>p=0.07</math>, Trincomalee=19(54%); <math>P&lt;0.01</math>} than in males {Jaffna=7(47%), Trincomalee=16(45%)}. The IgG4 positive rate was highest in 9-10 year-age group in both Jaffna {9(1.2%)} and Trincomalee {24(2.2%)}. Undetectable in 5-6 year-age group in both districts. When screened for bancroftian DNA of 68 <i>Cx. q</i> mosquito pools (20 each), all were negative.</p>

## Faculty of Science

### Dean's Statement/Review

Faculty of Science offers general and special degree programmes in Physical Science, Biological Science and Computer Science. The Faculty consists of six departments in the subject areas of Botany, Chemistry, Computer Science, Mathematics, Physics and Zoology.

The faculty provided the building area that was used by the Faculty of Fisheries and Marine Sciences & Technology to the Faculty of Technology for the commencement of their work for starting the first academic year of the Faculty of Technology. This facility was provided until the Faculty of Technology moves into the Kamburupitiya site where new buildings are being built for the faculty.

The faculty has been developing new curriculum so that students get the opportunities of following different subject streams. These subject streams will be providing opportunities for students to complete four year Bachelor of Science Honours Degree programmes with three core subjects or two major subjects. Faculty submitted the proposal for the approval of the UGC and the UGC recommended to submit 8 applications to distinguish 8 degree qualifications that were listed within the proposal. The Faculty submitted 8 applications for the review process through the Internal Quality Assurance Unit (IQUA) in order to obtain reviews from subject

experts before the applications are submitted to the UGC.

The Department of Mathematics submitted a proposal for offering a new Bachelor of Science (honours) Degree program in Financial Mathematics and Industrial Statistics for the review process through the IQUA of the university before submitting the proposal to UGC.

Faculty successfully held the 3<sup>rd</sup> Ruhuna International Science and Technology Conference. Members of the faculty published their research findings in local and international research conferences and journals.

Many number of academic staff members of the faculty received a number of research/travel grants and awards from University, National Research Council, National Science Foundation and foreign universities and entities.

In addition to that faculty members worked in special committees for different types of purposes within and outside of the university.

The specific details of curriculum development, research output, national services, community services, University services and international contributions of individual departments are given in Table below.

### Staff Involvements and Achievements

Programme/Activity	Brief Information	Beneficiaries /Output
Newly Introduced Undergraduate Degree Programmes	The department of Physics has introduced two new degree programmes are Bachelor of Science in Mathematics and Physics and Bachelor of Science in Chemistry and Physics.	This will be more beneficial for the university to attract more students because of four year degrees and it will be more beneficial to students who follow these streams because they can improve their knowledge in two subjects.
Newly Introduced Courses (Course units)	<b>Prof Kumudu De Silva</b> participated in Revision of the Curriculum(MPKSK)	Undergraduate students following stream

Programme/Activity	Brief Information	Beneficiaries /Output
	Introduction to Financial Mathematics	
	Mr. S.S. Abeywickrama Designed “Electronics for Bio systems technologists”(BST1232)course unit for Bio technology degree program	Undergraduates of Faculty of Technology, Univ. of Ruhuna
	Prof.k.K.A.S.Yapa and few other members of the faculty have introduced Active Citizen course unit for the Bachelor of Science degree program	Undergraduates of Faculty of Science, Univ. of Ruhuna
Distant Education Programmes or Extension Courses	<p>i. Dr.Mahanama organized a seminar for Science Faculty students and Teachers and conducted by Prof. Chandra Wickramasinghe</p> <p>ii. Dr. Bodhika served as a Visiting Lecturer in Sabaragamuwa University</p> <p>Dr. N.T.Wickramasuriya served as Graduate Research Assistant in the spring and summer semesters of the academic year 2016at the Department of Physics, University of Cincinnati, OH, U.S.A.</p> <p>Mr.Abeywickrama served as a visiting lecturer at the Allied Health programme at the Faculty of Medicine, Univ. of Ruhuna</p>	<p>Science Faculty students and Teachers</p> <p>Sbaragamuwa University students</p> <p>Graduates and undergraduates at the University of Cincinnati, OH, U.S.A.</p> <p>Undergraduates of Faculty of Medicine, Univ. of Ruhuna</p>
Fee Levying Courses	Department of Computer Science Training Programme for Courts Staff – Court Automation Project	25 Clerical and other similar grade staff members of the courts in southern province
Community Services	Dr. DHN Munasinghe organized a speech on “The effects of agrochemicals on our lives” at Polpagoda “Diriya Purawesi Samithiya”, Galle on the 22nd of March 2017. Resource person was Dr. RavindraWeerasinghe, Lecturer, GamaphaWickaramaarachchi Ayurveda Institute, University of Kelyania. 40 participants	Awareness program for farmers to encourage safety measures when applying pesticides
	Dr. DHN Munasinghe delivered a speech on “biodiversity and threats” for school students From Balapitiya Divisional Secretariat on 10th of June 2016 to commemorate the World’s Environmental Day.	Awareness program for students to protect the biodiversity

Programme/Activity	Brief Information	Beneficiaries /Output
	More than 100 students participated for the event.	
	Prof PMCS De Silva & Prof EPS Chadana organized awareness programs on CKDU in North Central, Southern and Uva province	General public and farming communities in those areas.
	Prof PMCS De Silva & Prof EPS Chadana conducted CKDu screening programs in Southern and Uva provinces.	Farming communities in those affected areas.
	Department of Chemistry has done a Service to the industry and Waste water and drinking Water analysis	Industries and the community
	Department of chemistry has done food analysis in packages	
	<p>Providing Scholarships to underprivileged school children from the Educational Support Foundation Ruhuna Mathematics.</p> <p>Donation of textbooks to rural schools with less resource.</p>	School children
	<p>Dr.Mahanama served as a Mentor for Science Faculty.</p> <p>Dr.Mahanama served as a center coordinator of the Physics &amp; Astronomy Olympiad competitions 2016</p> <p>Mr.Ranatunga worked as a student counselor of the faculty of science.</p> <p>Mr.Ranatunga worked as a mentor</p> <p>Mr.Ranatunga worked as an activity coordinator, QIG W2 grant.</p> <p>Mr.Ranatunga worked as an activity coordinator, QIG W4 grant.</p> <p>H.A.D.S.D. Perera performed duties as a student counselor and a mentor of the faculty of science</p>	<p>Science Faculty students</p> <p>Southern province school students</p> <p>Faculty of Science</p> <p>Faculty of Science</p> <p>Faculty of Science</p> <p>Faculty of Science</p> <p>Undergraduates, Ruhuna University</p>

Programme/Activity	Brief Information	Beneficiaries /Output
	<p>Dr. N. M. Wickramage served as a Senior Treasurer, Physics Society, Faculty of Science.</p> <p>Dr. N. M. Wickramage served as the Joint Secretary, RISTCON 2016</p> <p>Dr. N. M. Wickramage served as a member of the faculty day committee</p> <p>Dr. N. M. Wickramage served as a member of the postgraduate review sessions committee</p> <p>Dr. N. M. Wickramage served as a mentor</p> <p>Mr. Abeywickrama worked as a student counselor of the faculty of science</p> <p>Mr. Abeywickrama served as a mentor of the faculty of science</p>	<p>Faculty of Science</p> <p>Faculty of Science</p> <p>Faculty of Science</p> <p>Faculty of Science</p> <p>Faculty of Science</p> <p>Undergraduates , Faculty of Science University of Ruhuna</p> <p>Undergraduates , Faculty of Science University of Ruhuna</p>
Curriculum Development (Improvements of course units /subjects)	<p>Prof WGD Dharmarathna Contributed to develop Engineering Technology Degree Programme of Faculty of Technology.</p> <p>Prof WGD Dharmarathna Developed new degree programmes for the Faculty of Science As the Dean/Science.</p> <p>Curriculum of ICT degree Program. Mr. Aruna Lorensuhewa and Dr. Tharaka llayperuma of the department of Computer Science developed the curriculum of the ICT degree program to be conducted by FoT</p> <p>Staff members of Department of Mathematics are working hard improving the present curriculum for undergraduates.</p> <p>Department of Mathematics has been already submitted a new general degree program for review</p>	<p>Students of the Faculty of Technology – BICT degree Program Curriculum</p>

Programme/Activity	Brief Information	Beneficiaries /Output
	Curriculum revision was completed and new degree programmes are under review.	Undergraduate of Special degree Industries, University, Country
	Curriculum revision was completed and new degree programmes are under review.	This will give more benefits to new students because they can learn more new areas in subjects. It will help them to find better jobs in future.
Staff Development Programmes	CCPDHE -2016: Module 6 – ICT Skills for Higher Education	Ruhuna University academic staff and similar grade participants from outside institutions
	<b>Prof. KBS Gunawickrama</b> served as a resource person on CCPDHE Module 8, conducted by staff development center, University of Ruhuna	academic staff enrolled for the CCPDHE course 2016
	Dr. H.A.D.S.D. Perera Participated in a Workshop on Outcome based curriculum/course unit development conducted by Dr. Gominda from Univ. of Colombo	This was very beneficial for all the staff for improving their curriculum/course unit development
	Dr. N.T. Wickramasuriya Successfully Completed the CCPDHE program organized by the staff development center, University of Ruhuna in February 2016.	Beneficial for improving my teaching methodologies.
	Dr. N.T. Wickramasuriya Successfully completed my doctoral degree at University of Cincinnati, U.S.A.	Beneficial for improving my knowledge of Physics and research skills.
	Dr. N.T. Wickramasuriya Participated in a SLQF workshop on “Outcome-based curriculum development” held at the University of Ruhuna on 28 <sup>th</sup> June 2016.	Beneficial for all the staff for improving their teaching abilities.
	Two technical officers of Department of Physics were sent to the Engineering Faculty for extra training of machinery	Mr.D.N.S.Karunanayake and Mr.R.N.Gunawardene
	One technical officer of Department of Physics was sent for 10 day practical training workshop conducted by PGIS Peradeniya	Mr.D.N.S.Karunanayake
	Contribution to National Development	Prof WGD Dharmarathna , 1)Chairman, NSF Working Committee on Basic Sciences (July 2016 – to date)

Programme/Activity	Brief Information	Beneficiaries /Output
	<p>2)National Committee for Physics Syllabus Review - GCE A/L Examination 2016)</p> <p>3)Committee Member, Establishment of National Science Centre, Sub-Committee “Big Bang to Today”</p> <p>4)Dean- Faculty of Technology, University of Ruhuna (Aug. 2016 – to date): Made a significant contribution for the establishment of the Faculty of Technology.</p> <p>5)Dean- Faculty of Science, University of Ruhuna (2010- Jul. 2016)</p> <p>6)BICOST 2016, Colombo: Chaired the working committee and presented the working committee report on FOCUS Area 10: Action plan.</p> <p>7)Served as Senate nominees of other universities for the evaluation of applications for the post of Professor.</p> <p>8)On behalf of Science Standing Committee, made a presentation at the workshop organized by UGC on problems facing by Science Faculties in implementing SLQF levels.</p>	<p>University &amp; Community</p> <p>University &amp; Community</p>
	E- Filling Project for Civil Appellate High Court, Matara	Civil Appellate High Court, Matara
	GCE Advanced Level Biology Paper Marking Chief Examiner( <b>Prof Kumudu De Silva</b> )	MOH
	<b>Dr DHN Munasinghe</b> Served for a Nationally accepted committee – SLAAS for organize events that are important for national development	
	Senior lecturers support marking A/L answer scripts.	Community
	A/L Biology curriculum revision committee – Prof. Saman beysinghe	Advanced Level students in the country

Programme/Activity	Brief Information	Beneficiaries /Output
	Preparation of Advanced Level Resource book – Chemistry	Advanced Level-Teachers
	Dr.Mahanma Served as the Chief of the A/L paper marking in both Physics and Science for Technology A/L subjects.	This was beneficial for Sri Lankan school students
	Dr.K.P.S.jayathileke served as a co-controlling and supervision of advanced level paper marking	This was beneficial for Sri Lankan school students
	Dr.Bodhika served as a member of the advisory board for A/L syllabus reviewing committee, Physics	A/L students
	Mr.Ranatunga worked as chief examiners of A/L paper marking panel	Physics teachers and advanced level science students in the country
	Mr.Ranatunga served as a member of the organizing committee of the Invention & Innovation exhibition to be held on 2017 for students of Ruhuna University and for the school students and other participants of southern province.	Under graduates of University of Ruhuna and School Students and other participants of Southern province.
Contributions in International Level	Prof WGD Dharmarathna Attended South China Sea Institute of Oceanology and Chinese Academy of Science on invitation representing the university of Ruhuna for discussions on research collaboration.	University
	Prof WGD Dharmarathna Visited German Universities representing Vice Chancellor in a Sri Lankan delegation for discussions on research collaboration with German Universities as invited by DAAD.	
	Dr.Mahanma Conducted the Physics & Astronomy Olympiad competition Examinations in 2016	This was very important for students in the southern region.
	Dr.Mahanma Conducted the Science Olympiad competition Examinations in 2016	This was very important for students in the southern region.

	<p>Dr. N.M. Wickramage received Most Outstanding young researcher Vice Chancellors award.</p> <p>Dr.Mahanama, Mr. E.M. Ranatunga and Mr.S.S. Abewickrama have fabricated a Newtonian Reflector Telescope and it was used for special degree research project of imaging spectra of stars and meteors for investigating the composition of stars and meteors.</p> <p>The department of Physics has appointed Prof. Chandra Wickramasinghe as an Adjunct Professor to the department</p>	<p>Dr. N.M. Wickramage</p> <p>This will be beneficial for the development of Astronomical research in the department</p> <p>This will be beneficial not only for the department but also for the Science Faculty</p>
Workshops/Seminars/ Conferences conducted (Internal & Local)	Dr DHN Munasinghe organized three Workshops on DNA barcoding for biological samples – Resource person Dr. G.D. Kedekar, Director, Pual Herbert Centre for Barcoding, India	Academics, Researchers, Postgraduates and undergraduates of Ruhuna, Kelaniya and Uva-Wellassa Universities
	Prof Dammini Premachandra organized appreciation of classical music” for Level I students of Faculty of Science	Undergraduate Student in faculty
	Dr.Mahanama presented two abstracts for the 2 <sup>nd</sup> RISTCON held at the Faculty of Science, January 2016	Dr.Mahanama & the department of Physics
	Dr.Mahanama presented an abstract for the PGIS Research Congress Conference held in Pearadeniya University, in October 2016	Dr.Mahanama & the department of Physics
	Dr.Mahanama presented an abstract for the iCMA Conference porceedings held in Pearadeniya University, in August 2016	Dr.Mahanama & the department of Physics
Dr.Mahanama participated in the Science & Technology Society Forum Sri Lanka 2016 held at the Waters Edge, Battaramulla during 08 - 10 September 2016	Dr.Mahanama and the department	
Dr.Mahanama participated in the workshop of Consortium of Sri Lanka Libraries (CONSAL)	Dr.Mahanama	

Programme/Activity	Brief Information	Beneficiaries /Output
	Mr. Ranatunga participated the Photovoltaic Workshop held at University of Kelaniya at January 18, 2016.	Under graduates of University of Ruhuna
	Mr.Ranatunga participated a training Programme for Education to Innovation and Commercialization at the University of Kelaniya.	Under graduates of University of Ruhuna
	Dr.Wickramasuriya presented an abstract for “2016 American Physical Society (APS) March meeting” international conference, Baltimore, Maryland, U.S.A.	Exploring Dynamics and Band Structure in Mid Infrared GaAsSb and GaAsSb/InP Nanowire Heterostructures
	Dr.Wickramasuriya presented two abstracts for “ICPS 2016” international conference on the Physics of semiconductors, Beijing, China.	Exploring Dynamics and Electronic Structure in GaAsSb/InP and InGaAs/ InP Nanowire Heterostructures
	Dr.Wickramasuriya presented a poster with an abstract for the graduate Student poster competition and Physics department poster competition held at the University of Cincinnati, U.S.A.	Optical characterization of InGaAs/ InP single semiconductor Nanowires.
Outreach activities	Contributed to Curriculum revision and Development (Prof Kumudu De Silva)	Aquatic Resources technology Degree Program, Uva Wellassa
	Dr DHN Munasinghe Served as a resource person for curriculum revision of Uva-Wellassa University - Biotechnology Division	Uva –Wellassa University
	Three months training program was organized with the collaboration of the Zonal Education Office, Matara on “Enhancement of knowledge & hands on training on a fresh water ornamental fish rearing” for 10 selected secondary school students in Matara district – Dr DHN Munasinghe	School children – hands on training on fish rearing and maintain a mini aquarium
	Prof Dammini Premachandra served as a member of the working group involved in the program “Citizenship engagement in budgetary process” conducted by treasury	

Programme/Activity	Brief Information	Beneficiaries /Output
	Dr.Mahanama is working as the Head of the department with effect from 29 <sup>th</sup> February 2016.	Physics Department
	Dr.Mahanama is working as the Deputy Proctor of the Science Faculty	Faculty of Science
	Dr. H.A.D.S.D Perera served as a Session Convener in RITSCON 2016	University Academics and research community
	Dr. H.A.D.S.D Perera served as an evaluator of research proposal in Eastern University of Sri Lanka- 2016	University Academics
Link Programmes	HEP research at CERN continues through TIFR, India	
	Prof PMCS De Silva established research links with Harvard Medical School, USA to develop biomarkers for the CKDU.	
	Prof EPS Chandana established links with Durham University o Neuroscience research.	
	The department of Physics has a link programme with Sivananthan Laboratories Inc., Illinois, USA	University of Ruhuna, University of Jaffna, Institute of Fundamental Studies. A solar roof of 3 kW was donated by Sivananthan Laboratories
	The department of Physics has a link program with Sheffield Hallam University in the UK.	We got done Raman, AFM and SEM characterizations of our CdS and CdTe samples of the MPhil project
	Dr.Bodhika has a link program with Colombo University for Lightning Research	PhD program

# Faculty of Technology

## Dean's Statement/Review

The Faculty of Technology was officially established under the gazette notification issued on 26.04.2016 with four Departments, namely, Engineering Technology, Information and Communication Technology, Biosystems Technology and Multidisciplinary Studies. The Faculty will be located at Karagoda Uyangoda, Kamburupitiya, close to the Faculty of Agriculture. The foundation laying ceremony for the main building for laboratories and two student hostels were held on Nov. 02<sup>nd</sup> 2016 with the participation of the Hon. Lakshman Kiriella, Minister of Higher Education and Highways and the construction work continues. The first phase of the building and the hostels are expected to be completed by the end of 2017. Until then the classes will be conducted at the premises of Faculty of Science, Wellamadama. Some of the buildings available at the new site have been renovated and some are in the process of renovating.

The Faculty has planned to offer two degree programmes for the first batch of students to be enrolled on 02<sup>nd</sup> January, 2017, namely, Bachelor of Engineering Technology (BET) focusing on Electromechanical Technology and Bachelor of Information and Communication Technology (BICT) focusing on Application Development. BET and BICT degree programmes have been constructed to satisfy the accreditation guidelines of Sydney Accord as well as Institute of Engineers, Sri Lanka (IESL) and Computer Society of Sri Lanka (CSSL), respectively. The Faculty plans to produce internationally accredited Technologists. The Department of Multidisciplinary Studies will offer additional Complementary Subjects, which are required for carrier development as well as for the accreditation. The Bachelor of Biosystems Technology degree

programme, expected to be offered from the second batch of students entering in 2017, is in preparation. The student intake will be 75 (+11 on the request of UGC) and 50 for BET and BICT degree programmes respectively in the first year and another 50 students will be admitted from the second batch for the Bachelor of Biosystems Technology degree programme.

Dr. K.G.S. Harshadewa Gunawardana, Mr. Aruna Loresuhewa and Prof. E.P.S. Chandana have been appointed as the Heads of the Departments of Engineering Technology, ICT and Biosystems Technology. Senior Prof. W.G.D. Dharmaratna, who was appointed as the Head of the Department of Multidisciplinary Studies was elected as the first Dean of the Faculty at the Special Faculty Board Meeting held on XXXXX, which was chaired by the Vice Chancellor. Subsequently Prof. W.G.D. Dharmaratna was appointed as the Acting Head of the Dept. of Multidisciplinary Studies. Three Senior Lecturers and one Probationary Lecturer in the department of Engineering Technology and one Senior Lecturer and Two probationary lecturers in the Department of ICT were appointed and necessary actions have been taken to fill the remaining four academic cadre positions in January 2017. Assistant Registrar and Assistant Bursar positions have been filled. Three Technical Officer Positions have been filled on assignment basis with experienced retired Technical Officers of the University. Three labourer positions also have been filled. All required laboratory equipment, furniture, computers and Library books for the first Semester have been purchased and both departments were well prepared to admit the first batch of student in Jan. 2016.

## Staff Involvements and Achievements

Programme/Activity	Brief Information	Beneficiaries /Output
Newly Introduced Undergraduate Degree Programmes	i. Bachelor of Engineering Technology	i. 86 students admitted
	ii. Bachelor of Information and Communication Technology	ii. 50 students admitted

<b>Programme/Activity</b>	<b>Brief Information</b>	<b>Beneficiaries /Output</b>
Newly Introduced Courses (Course units)	i. All course units for Eng. Tec Degree	i. 86 students
	ii. All course units for ICT Degree	ii. 50 students
Curriculum Development (Improvements of course units /subjects)	i. Bachelor of Biosystems Technology	i. Next Batch -50 students
	li All course units for above degree	li 50 students (next batch)

## Faculty of Graduate Studies

The Faculty of Graduate Studies (FGS) has recruited 84 new students in the year 2016 for Master degree programs (taught courses). Hence, with the students in previous batches, the total student enrolment in Master degree programs in the year 2016 was 451 (Table – 01).

**Table 01: Student enrolment in Master degree programs in the year 2016**

Postgraduate program	New admission	Total enrolment
MA in Economics	-	170
MA in Sociology	84	110
MA in Peace & Development	-	26
MBA/PDBA	-	50
MSc in Crop Production Technology	-	47
MSc in Civil and Environmental Engineering	-	28
Other Master degree programs in which no new admission in the year – 2016	-	20
<b>Total</b>	<b>84</b>	<b>451</b>

The new registrations for the research degree (i.e. MPhil/PhD) programs in the year 2016 was 18 and hence the total enrolment of research degree programs in the Faculty was 188 (Table – 02)

**Table 02: Student enrolment in research degree programs**

Postgraduate program	New admission	Number of Students
PhD	03	57

Postgraduate program	New admission	Number of Students
MPhil	15	124
MA (by research)	-	07
<b>Total</b>	<b>18</b>	<b>188</b>

Accordingly the Total enrolment of postgraduate students in the Faculty of Graduate Studies in the year 2016 was 639.

In the year 2016, 131 students completed their postgraduate studies and became eligible to be graduate at the next convocation. Among them 21 are Research Degree students.

The Faculty of Graduate Studies proposed to start two new Master degree programs as Master Business Management (MBM) and MA in Development planning. At the moment the proposals are under review of the UGC for final approval.

Furthermore, the FGS started 'progress review sessions for postgraduate studies' in 2016, as a way to minimize stagnation of studies & motivate candidates to complete their research degree program.

At the same time, some promising steps to motivate students in Master degree programs to complete their research projects on time also has been taken. eg. introduction of registration renewal fee for candidates who failed to complete the study in time.

A new by-law, as a common by-law for all the Master degree programs, was established in 2016.

The total earnings and expenditure during the year 2016 are Rs. 22,274,151.00 and Rs. 8,646,867.88 respectively. According to that, Rs. 13,627,283.12 is remaining as the balance (Table – 03).

**Table 3: Income received from postgraduate courses**

No	Course	Income	Expenditure	Balance
01	MPhil & PhD	1,830,751.00	1,688,666.53	142,084.47
02	Master Business Administration	4,114,200.00	2,274,567.04	1,839,632.96
03	MA in Economics	6,471,200.00	2,295,272.86	4,175,927.14
04	MSc in Civil and Environmental Engineering	1,314,474.50	1314474.5	0.00
05	MA in Sociology	5,387,525.00	932,153.53	4,455,371.47
06	MSc in Crop Production	1,774,000.00	680,669.49	1,093,330.51
07	MSc in Agricultural Economics	110,000.00	161140	-51,140.00
08	MA in Peace and Development Studies	1,095,000.00	1,149,730.46	-54,730.46

## *Part V – Special Events of the University*

### **01. Academic Sessions & Vice Chancellor's Awards**

13th Academic Sessions and 12th Vice Chancellor's Awards Ceremony was held on 02<sup>nd</sup> March 2016 at the Auditorium of the Faculty of Agriculture under the theme "Journey through spirit of research". The keynote speech was delivered by Prof. Rohana Chandrajith, Department of Geology, Faculty of Science, University of Peradeniya. The Ceremony and technical sessions were organized by the Faculty of Agriculture, with Prof. (Mrs.) D.A.L. Leelamanie as the Chairperson and Dr. (Mrs.) Nilanthi Dahanayake as the Secretary.

#### **Awards of the Emirates professorship**

Prof. K.D.N. Weerasinghe, Former Senior Professor of Agricultural Engineering, Faculty of Agriculture

#### **Winners of the 12<sup>th</sup> Vice Chancellor's Awards**

01. The Most Outstanding Scholar

- Dr. (Mrs.) B.C. Walpola, Dept. of Soil Science, Faculty of Agriculture
02. The Most Outstanding Young Researcher  
Dr. (Mrs.) N.M. Wickramage, Dept. of Physics, Faculty of Science
03. The Most Outstanding Staff Inventor/Innovator  
No Applicant
04. The Most Outstanding Student Inventor/Innovator  
No Applicant
05. The Highest Recipient of Grants  
Prof. P. Mangala C.S. De Silva, Dept. of Zoology, Faculty of Science
06. The Most Outstanding Convener of International Conferences/ Promoter of International Relations  
Dr. P.V. De Silva, Dept. of Community Medicine, Faculty of Medicine

### **02. Exhibitions**

▪ The Faculty of Medicine organized "MedRu 2016" the second medical exhibition in its 35 year history which provided public an opportunity to learn recent developments in the medical field, prevalent and emerging diseases in the county and health in general.

This was held from 24<sup>th</sup> March to 03<sup>rd</sup> April, 2016 at the Faculty of Medicine, Karapitiya

▪ "Aurora" – arts, crafts & sculptures exhibition was held between 07<sup>th</sup> - 09<sup>th</sup> of November 2016 at the Alawaththagoda Pemadasa Auditorium of the faculty of Science

### **03. Art Festival/Other Events**

▪ "Meyasi Thotupola" is a musical event organized by the student of the Faculty of Fisheries and Marine Sciences & Technology annually. This year "Meyasi Thotupola" was held on 8<sup>th</sup> of June 2016 at the Faculty premises.

▪ The faculty of Agriculture celebrated Sinhala Hindu New Year festival "Bakmaha Ulela" in grand scale this year with the collaboration of all

parties of the faculty. This event was jointly organized by the Staff Welfare Society, Art Society and Student Union of the Faculty.

▪ The Faculty of Fisheries and Marine Sciences & Technology celebrated "Thai Pongal" festival on 15<sup>th</sup> January 2016 at the Faculty premises.

- The Faculty of Science, for the second consecutive year staged “Swaranga – 2016” on 19<sup>th</sup> of October 2016 at the HSS Auditorium.
- The Arts Society of the Faculty of Engineering organized “Sadhaham Bethi Gee” function during Wesak session.
- An art workshop and a competition organized by students through the cultural center of the university were held on 13<sup>th</sup> of January, 2016. The objective of the event was to enhance the aesthetic skills of the students of university.
- The grand final of the Inter Faculty Orator Competition 2016 of the University of Ruhuna was successfully held on 22<sup>nd</sup> June 2016 at the Engineering Faculty Auditorium.
- Alms giving was held on 18<sup>th</sup> January 2016 at the Faculty of FMST to commemorate the completion of 1 year in the newly constructed faculty complex building
- The Annual Pirith Chatting Ceremony and Arms Giving organized by the Buddhist Society of the Faculty of Science were held on 10<sup>th</sup> and 11<sup>th</sup> of October, 2016
- A Blood Donation Campaign organized by the Buddhist Society of the Faculty of Science was held on 26<sup>th</sup> of October, 2016.

## *Part VI - Library*

Main Library of university of Ruhuna is situated at Wellamadama premises. Agriculture, Medical ,Engineering, Allied Health Science library for Nursing students , and Allied Health Science library Pharmacy and MLS students, faculty libraries are situated in respectively , Mapalana,, Karpitiya, Hapugala, Mahamodara. and Uluwitike.

Library holds around 180000 publications and nearly 300 Journal title excluding legal repository collection. Newly established legal repository collection hold around 170000 publications. These resources are available in both printed and electronic media.

According to year 2016 annual circulation statistics records, library resources annual circulation exceeded 62000.As an academic library, we provide reference services, lending services; interlibrary loan services, current awareness services etc.

Every year library conducts user education programme for the newly join students in order to improve their awareness. Library website provide useful guide to the users. Other than above mentioned services, library provides multimedia facilities and language self-learning facilities for the interesting library community.

## 02. Physical Education

We have conducted inter faculty/ inter university sports meets as scheduled during the year.

### **Inter Faculty Tournaments (02<sup>nd</sup> May – 26<sup>th</sup> June 2016)**

The annual Inter Faculty Sports Championship was held in May and June 2016. The **Faculty of Engineering** has secured overall championship while the **Faculty of Agriculture** and **Faculty of Science** acquired 2<sup>nd</sup> & 3<sup>rd</sup> places respectively

### **Sri Lanka University Games (SLUG) (01<sup>st</sup> September - 13<sup>th</sup> September 2016)**

Sri Lanka University Games was held in September this year and hosted by Wayamba University of Sri Lanka.

### **Our achievements at the games as follows:**

Championship - Weightlifting  
- Taekwondo (Men)  
3<sup>rd</sup> place - Carrom (Women)

### **FSC Course - Faculty of Science (February 2016– May 2016)**

As previously done, during this year also was conducted two optional courses (1.5 credit value for each) for 2<sup>nd</sup> year students of Faculty of Science by the Physical Education Unit. Course 1 (Physical Fitness and Health Management) has been included 15 hrs of theory sessions and 30 hrs of practical sessions. Course 2 (Health Related Physical Fitness & Wellness) has been included 60 practical hours.

## *Part VIII – Reports of Units/ Centers*

### **1. Career Guidance Unit**

Career Guidance Unit reported a significant progress in the year of 2016. Assigning each Career Guidance Counsellor for faculties, they were directed to organize separate soft skills development programmes and projects focusing specific needs of the students of each faculty. Specially, the following programmes were conducted throughout the year.

- ‘Art of Living’ - series of workshops for the students of the Faculty of Humanities and Social Sciences
- ‘Life Skills’ - series of workshops for the students of the Faculty of Management and Finance
- ‘Blossom Your Life’ - series of workshops for the students of the Faculty of Science
- ‘Soft Skills Development’ - series of workshops for the students of the Faculty of Fisheries and Marine Sciences & Technology
- ‘Soft Skills Training’ – series of workshops for the students of the Faculty of Engineering
- Career Development Course Module for the students of the Faculty of Agriculture

In addition, the soft skills certificate course was conducted. The certificates were awarded to 324 students who successfully complete the course in

### **2. Language Center**

During year the unit had conducted only Chinese Language course after the syllabus for Chinese Language Certificate course was finalized. Average

### **3. Center for International Affairs**

The Center for International Affairs (CINTA) of University of Ruhuna was established following a Senate decision taken at the 199<sup>th</sup> Senate Meeting held on 17<sup>th</sup> August 2005. The Centre is functioning as the coordinating body in developing international relationships with foreign universities and research

2015 and 298 students registered for the course in 2016. Career Guidance Unit launched its first magazine ‘*රැඳි*’ Magazine as a project of students of the Faculty of science. The Unit organized out-bound training programmes to develop the leadership skills, organizing skills and team work of students. Accordingly, five such out-bound training sessions were held. Meanwhile, several Table Manners & Etiquette Training Sessions facilitated by the Hotel School.

Several workshops were held to develop the soft skills of students with the facilitation of foreign delegates facilitated by Initiative of Change International. Meanwhile, Career Guidance Counsellors of the Unit organized several workshops with the facilitation of industry experts to develop the attitudes and skills of students. A Memorandum of Understanding was signed between the University of Ruhuna and Sampath Bank to provide internship training opportunities for the undergraduates at Sampath Bank. An entrepreneurial project was launched with the cooperation of National Enterprise Development Authority. Thus, several sessions were held to develop the entrepreneurial skills of selected students. Finally, students developed their project proposals to commence their own businesses.

Students had been register for above courses was 70 and three classes were conducted per a week.

institutions, in order to strengthen the international engagements of the university.

#### **Student Exchange under various projects**

1. 02 Postgraduate Students from University of Amsterdam, Netherlands were registered to for

their fieldwork of the Master's Degree Thesis on Environmental Geography.

2. 01 Undergraduate student from Hawaii Pacific University was registered at the Faculty of H&SS for number of selected course modules.
3. 06 Norway Undergraduates from Adger University, Norway were registered for their field work in Developmental Studies.
4. 01 Undergraduate from University of Amsterdam, Netherlands was registered to undertake her field work in International Development Studies.
5. 06 Scholarship Students who are attached to MA in Peace and Development Studies at University of Ruhuna under NORHED CPDS project travelled to Tribhuvan University, Nepal from 22<sup>nd</sup> September 2016 and will continue to 21<sup>st</sup> March 2017.
6. 08 Nepalese Scholarship Students of MA Programme in Conflict, Peace and Development Studies at Tribhuvan University commenced academic at University of Ruhuna from 23<sup>rd</sup> September 2016 and continue to 31<sup>st</sup> March 2017.

#### **SCSIO Project**

1. Signed a MoU for the Joint Master's Degree Programme on 18<sup>th</sup> May 2016 at the UGC, Colombo and 13 no of undergraduates of Faculty of Fisheries and Marine Sciences & Technology have commenced their Master's Degree

Oceanography at the University of Chinese Academy of Sciences in collaboration of South China Sea Institute of Oceanology from August 2016.

2. Signed a MoU for sharing Meteorological Data for Public on 19<sup>th</sup> May 2016, Matara and established display screens at the China – Sri Lanka Joint Center for Education and Research at the Faculty of Fisheries and Marine Sciences & Technology.

#### **Presidential Scholarship**

1. Mr. Nischal Bhattarai, Nepal Student under Presidential Scholarship Programme has been registered at the Faculty of Engineering.

#### **Other**

1. MoU was signed to provide space for China Sri Lanka joint Center for Research and Education (CSL-CER) at the University of Ruhuna.
2. Under the one belt one road initiative, Beijing Declaration was signed by the Vice Chancellor of the University to enhance collaborative studies in the Asian region.
3. His Excellency the Ambassador to Japan visited University of Ruhuna to promote higher education opportunities offered by Japan
4. His excellency the Ambassador to Norway visited University of Ruhuna for a discussion on future developments of the university.

## **4. Distance & Continuing Education Unit**

Distance and Continuing Education Unit (DCEU) of the University of Ruhuna, previously named External Examination Unit (EEU) was established in 1997 with the broad objective of providing higher educational opportunities to prospective students, in the region and Island who are unable to enter national universities in Sri Lanka

#### **Student registration**

At present, the total student enrolment of the Distance and Continuing Education Unit is nineteen thousand (19000) and they are following the Bachelor of Arts General (External) Degree programme. As the Syllabus of the B.A (external) Degree has been revised and sent it for the UGC

approval, a new batch of Students were not registered for the year of 2016.

#### **Graduation**

469 Students successfully completed the Bachelor of Arts General (External) Degree programme in the year 2016 and they will be awarded the Bachelor of Arts General (External) Degree at the 11th Convocation 2017.

#### **Convocation**

The 10<sup>th</sup> Convocation was held on 29 May 2016 and Bachelor of Arts General (External) Degree was awarded to 799 graduates at the convocation.

### Diploma Courses

According to the instructions given by the UGC circular No 932, the undergraduate courses (external) conducted by the faculties were undertaken by the DCEU to provide the administrative coordination. In addition to that the Unit has taken steps to introduce new Diploma Course of Forest Resource Management and it has been sent for the approval.

### Examinations

Following examinations relevant to the B.A. Degree programme were held during the year.

Name of the Examination	No. of Candidates	No. of Pass
First Examination in Arts (external)	2036	659
General Degree Examination in Arts (external) Part I	1668	Under evaluation

General Degree Examination in Arts (external) Part II	1396	663
---	------	-----

### New Centres

Under the UDG-EDP Grant, a part of the “Sambodi Building” was renovated and furnished at Magalle in Galle and the Galle Regional Centre was established.

### Student Support

The audio Visual learning materials were prepared relevant to the existing syllabus of the B.A. Degree programme and uploaded for the benefit of Students for free downloading from the DCEU website.

Two feedback seminar series were held regarding the following examinations.

01 First Examination in Arts (external)

02 General Degree Examination in Arts (external) Part I

## 5. Internal Quality Assurance Unit (IQAU)

This Unit has been established under the UGC Circular No. 04/2015 on “*Strengthening of Internal Quality Assurance Systems in Universities and Higher Educational Institutes through Establishment of Internal Quality Assurance Units*”. The Unit is the functional link between Quality Assurance and Accreditation Council of the University Grants Commission.

### Quality Assurance Management Committee Meetings

1. As described in the Circular 04/2015, we have set up a Quality Assurance Management Committee at the University comprising twenty-three members.
2. It is mandatory to meet above committee at least 10 time in a year. During the year 2016 the committee has met eleven times

### Major accomplishments

1. Internal Quality Assurance By-law of the university was drafted and necessary approval were obtained to implement at the University

2. Internal Circular for Academic Accountability and Workload Calculation Model was drafted and necessary approvals were obtained from the university to implement
3. A guideline for Student Handbook was prepared and circulated among the Faculty for preparation of their respective Student Handbooks.
4. Management Information System for Internal Quality Assurance was established
5. Manual of Procedure for Conducting Examinations was started to prepare

### Acquisition of Infrastructure

1. Separate space for the Internal Quality Assurance Unit was established at the Central Administration Building of the University
2. Necessary furniture, computers and office automation components were acquired

### Training Programmes and Workshops Conducted by IQAU

No.	Date	Name	No. of Participants	To whom
01	28/06/2016	Outcome Based Curriculum Development	50	Academic Staff – Science & FMST
02	01/07/2016	“Sri Lanka Qualification Framework (SLQF)”	26	Academic Staff – Management & Finance

The Vice Chancellor,  
University of Ruhuna.

#### **Report of the Auditor General on the Financial Statements of the University of Ruhuna for the year ended 31 December 2016 in terms of the Sub-section 108 (1) of the Universities Act, No. 16 of 1978**

The audit of Financial Statements of University of Ruhuna for the year ended 31 December 2016 comprising the statement of financial position as at 31 December 2016 and the statement of financial performance, statement of changes in equity and cash flow statement for the year then ended and a summary of significant accounting policies and other explanatory information, was carried out under my direction in pursuance of provisions in Article 154(1) of the Constitution of the Democratic Socialist Republic of Sri Lanka read in conjunction with Sub-section 107(5) of the Universities Act, No. 16 of 1978. My comments and observations which I consider should be published with the Annual Report of the University in terms of Sub-section 108(1) of the Universities Act appear in this report. A detailed report in terms of Sub-section 108(2) of the Universities Act was issued to the Vice Chancellor of the University on 01 August 2017.

#### **1.2 Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these Financial Statements in accordance with Sri Lanka Public Sector Accounting Standards and for such internal control as the management determines is necessary to enable the preparation of financial statements that are free from material misstatements whether due to fraud or error.

### **1.3 Auditor's Responsibility**

---

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Sri Lanka Auditing Standards consistent with International Standards of Supreme Audit Institutions (ISSAI 1000 - 1810). Those Standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the University's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the University's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of financial statements. Section III of the Universities Act, No. 16 of 1978 give discretionary powers to the Auditor General to determine the scope and extent of the audit.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### **1.4 Basis for Qualified Opinion**

---

My opinion is qualified based on the matters described in paragraph 2.2 of this report.

## **2. Financial Statements**

### **2.1 Qualified Opinion**

In my opinion, except for the effects of the matters described in paragraph 2.2 of this report the financial statements give a true and fair view of the financial position of the University of Ruhuna as at 31 December 2016 and its financial performance and cash flows for the year then ended in accordance with Sri Lanka Public Sector Accounting Standards.

### **2.2 Comments on Financial Statements**

#### **2.2.1 Sri Lanka Public Sector Accounting Standards**

##### **(a) Sri Lanka Public Sector Accounting Standard 01**

In terms of Paragraphs 49 of the standard, assets and liabilities and revenue and expenses are reported separately. Nevertheless, expenses incurred on 33 external courses conducted by the University totalling Rs.63,666,218 had not been separately reported or disclosed on notes in the statement of financial performance.

##### **(b) Sri Lanka Public Sector Accounting Standard 02**

As stated in Paragraph 59 of the standard, the amount of significant cash and cash equivalent balances held by the University that are not available for use by the objectives of the University, together with a commentary by management should be disclosed in the notes to the financial statements. However, action had not been taken accordingly in respect of 4 account balances totalling Rs.25,292,048 which could not be used for the affairs of the University.

**(c) Sri Lanka Public Sector Accounting Standard 07**  
-----

Assets and the value of constructions totalling Rs. 123,325,853 granted to the University by the Higher Education for 21 Century Project (HETC) had not been shown in the financial statements.

**2.2.2 Accounting Policies**  
-----

Although it was the accounting policy that fees charged from the foreign students studied in the Faculty of Medicine had been recognized as revenue up to the previous year, the total amount recovered in the year under review amounting to Rs.32,937,524 had not been taken to revenue and a sum of Rs.25,969,844 thereof had been credited to a fund named as “Foreign Graduate Fund” and as such the deficit of the year under review had been overstated by that amount.

**2.2.3 Accounting Deficiencies**  
-----

Incidental expenses of Rs.113,461 paid to 5 officers for the participation of a foreign workshop, had been debited to project advance account without being debited to the project expenditure account in terms of Circular No.01/2010/01 dated 11 October 2010 of the Ministry of Finance and Planning.

**2.2.4 Unexplained Differences**  
-----

Differences totalling Rs.1,376,237 were observed between the balances of 5 items of accounts included in the financial statements and the balances shown in the related schedules and records.

**2.2.5 Lack of Evidence for Audit**  
-----

Evidence indicated against the following items of accounts was not made available for audit.

<b>Item of Account</b>	<b>Value</b>	<b>Evidence not made available</b>
	Rs.	
Fixed Assets (Except Computers, Hardware and Software)	8,802,960,363	Register of fixed assets prepared in terms of each class of asset.
Research grants, balances of 6 accounts relating to gifts and donations.	19,608,520	Detailed schedules.

### **2.3 Accounts Receivable and Payable**

The following observations are made.

- (a) A total sum of Rs.22,640,929 was due from 18 lecturers by the end of the year under review who had breached agreements and bonds signed with the University in proceeding abroad on study leave remained unrecovered for periods from 1 to 15 years.
- (b) Due to non-receipt of goods ordered from foreign countries in 22 instances during the period 1990 to 1998, a balance of Rs.648,708 deposited in the Bank of Ceylon Margin Account had existed for periods from 19 to 27 years without taking action to settle it even by the end of the year under review.
- (c) Advances totalling Rs.982,648, consisting of research advances of Rs.427,580, project advances of Rs.15,000 external fund advances of Rs.365,168 sundry advances of Rs.174,900 had not been settled even up to 30 April 2017.

- (d) Action had not been taken even during the year under review to return a sum of Rs.630,000 to the University Grants Commission received from the Presidential Scholarship Fund for 2 foreign students who had drop out of the courses in the year 2014.

**2.4 Non-compliance with Laws, Rules, Regulations and Management Decisions**

The following non-compliance were observed in audit.

<b>Reference to Laws, Rules, Regulations, etc.</b>	<b>Non-compliance</b>
-----	-----
<b>(a) Financial Regulations of the Democratic Socialist Republic of Sri Lanka</b>	
-----	
(i) Financial Regulation 396	Action in terms of financial regulation had not been taken in respect of 22 cheques totalling Rs.491,186 relating to 4 bank current accounts issued but not presented for payment for more than 6 months.
(ii) Financial Regulation 772	Any course of action whatsoever had not been taken in respect of various stock items valued at Rs.109,190 existed in the stores of the Faculty of Agriculture, remained unutilized for a long period even by 28 February 2017.
(b) Sections 3.1 and 3.2 of Chapter XX of the Establishments code for the University Grants Commission and Higher Education Institutions.	Although arrival and departure of officers should be recorded in the Attendance Register or Finger print machines, a sum of Rs.1,250,757,803 had been paid to 512 academic staff in the year under review as salaries and allowances without ensuring their arrival and departure.

- (c) Treasury Circular No.IAI/2002/02 dated 28 November 2002. A separate register for Computers, Accessories and Software valued at Rs.254,511,451 had not been maintained.
- (d) Paragraph 4 of Circular No.01/2015/01 dated 15 May 2015 of the Ministry of Finance. Contrary to the circular instructions, an over payment of US\$ 1750 (Rs.254,853) at US\$ 50 per day for 7 days had been made to 5 officers in excess of the combines allowance of US\$ 280 payable per day who had proceeded to two countries for 2 foreign training programs.
- (e) Circular No.737 dated 18 August 1998 of the University Grants Commission. (i) All money received from persons who had breaches agreements and bonds should be invested in an interests bearing investment such as fixed deposits/ Treasury Bills. However, out of a sum of Rs.66,755,067 recovered up to the end of the year under review, only a sum of Rs.13,000,000 had been invested.
- (ii) The interest of Rs.1,283,507 earned from investments made in a prior year had been utilized for another activities of the University deviating the purposes stated in that circular.

### 3. Financial Review

#### 3.1 Financial Results

According to the financial statements presented, the operation of the University for the year ended 31 December 2016 had resulted in a deficit of Rs.76,040,266 as against the surplus of Rs.29,901,759 in the financial results for the preceding year, thus indicating a deterioration of Rs.105,941,965 in the financial results as compared with the preceding year. Even though, the government grants for recurrent expenditure had increased by Rs.103,356,340 increase in employees remuneration by Rs.203,916,706 had mainly attributed to this deterioration.

In analyzing the financial result for the year under review and the preceding 04 years, deficits in the years 2012, 2013 and 2014 and a surplus in the year 2015 and again a deficit in the year 2016 were indicated. However, when the employees remuneration, taxes and depreciation on non-current assets had been re-adjusted to the financial results, the contribution had gradually improved from the year 2012 to 2016. Accordingly, the contribution of Rs.2,175,899,984 in the year 2015 had increased to Rs.2,307,417,826, by 6 per cent in the year under review.

#### 3.2 Legal Cases Initiated against the University or by the University

The following observations are made.

- (a) There were 4 court cases, one of which in the Supreme Court and 4 in the District Courts filed by the University against 4 lecturers and an encroacher by the end of the year under review. The amount receivable relating to 4 Court Cases filed in the District Courts by the University was Rs.6,704,842.
- (b) There were 27 court cases, consisting of 13 cases filed by various parties against the University, 7 complaints in the University Appeal Board and 7 complaints in the Labour Tribunal. The compensation claimed for 01 court case out of 27 cases filed against the University amounted to Rs.4,005,977.

#### 4. Operating Review

##### 4.1 Management Inefficiencies

According to the strategic plan prepared by the University for a 5 years period from 2014 to 2018, a summary of main objectives expected to be achieved is given below.

- \* Strengthening approaches to Education, Research and Services, improvement of quality and relevance.
- \* Ensuring fairness and equality for gender, religion and race and physically handicapped.
- \* Enhancement of Good Governance through effective and efficient Resources Management.
- \* Reaching to the first 2000 in World University rating and improvement of the identify of University.

The following observations are made in respect of achieving the above objectives.

- (a) Even though it was anticipated to increase the number of students who study Post Graduate Courses in the Faculty of Agriculture by 5 per cent annually, it had not been achieved. Out of 7 Post Graduate Courses introduced by the Faculty, 06 of them had not been implemented by the end of the year under review. Although 32 students had been registered for the course conducted in the year 2014, it had dropped to 25 students in the year 2015. However, students had not been registered for the year 2016.
- (b) Even though it was recognized as a key activity to set up an academic unit to study Tamil Language, that unit had not been set up even up to the end of the year under review since 2014.

- (c) Even though, it was planned in the year 2014 to build a new Administrative Building with the objectives of increasing office space and the works to be completed in the year 2016, only procurements had been commenced even by 30 June 2017.
  
- (d)
  - (i) Even though it was anticipated to come to the first 2000 in the World University rating list, the University had possessed the 4318<sup>th</sup> place in the year 2016. However, in the year 2015 it had possessed the 4525<sup>th</sup> place and as such it had improved by 207 places.
  
  - (ii) In the year 2013 the University had possessed 3<sup>rd</sup> place in the local rating list but by the year 2016 it had dropped up to 6<sup>th</sup> place.
  
- (e)
  - (i) Even though, it was planned to introduce new graduate courses by 2016, any new courses whatsoever had not been introduced by the Faculty of Agriculture and the Faculty of Engineering even up to the end of the year under review.
  
  - (ii) Action had not been taken to introduce 06 new subjects for graduate courses relating to 3 faculties, proposed to be introduced according to the plan, even by 30 June 2017.
  
- (f)
  - (i) The responsibility in the implementation of various activities to be achieved had been assigned to the Deans of the Faculties and to Heads of Divisions and those activities should be Co-ordinated and the action plan should be prepared by the Registrar.
  
  - (ii) As an action plan or performance reports had not been prepared for the year under review, it could not be examined and ensured whether each of activity stated in the objectives could be achieved to what extent.

(g) The following observations are made in respect of the enrolment of students  
-----

- (i) Thirty four students had been enrolled for three graduate courses of Medicine, Arts, Engineering and Technology for the academic year 2015/ 2016 in excess of the prescribed number of students. Except for Engineering Courses, the number of students to be enrolled to the balance 13 courses of the University amounted to 1245, but only 1056 students had been admitted. Accordingly, another 189 students had been deprived of the admission to the University. It was observed as the under utilisation of resources.
- (ii) According to the Strategic Plan of the University, the number of students for an academic year had to be increased up to 2142 by the year 2016, but the total number of students enrolled for the academic year 2015/2016 was only 1970, representing less than 8 per cent of the expected level.
- (iii) As compared with the other faculties, more vacancies had existed in the Faculty of Agriculture and the students enrolled in the academic year 2015/2016 to that Faculty had been less than 83 students of the expected number of students.
- (iv) Of the students registered in the Faculty of Science for the academic year 2015/2016, 302 had transferred to other Universities by 26 April 2017. This position had adversely increased in the academic year 2015/2016, as compared with the previous academic year.
- (v) The total number of students in the Faculty of Science as at 31 December 2016 amounted to 890. According to the data indicated in the financial statements for the year under review, cost per student on direct cost (academic cost + examination cost) had been Rs.357,204 approximately.

The total number of vacancies in the Faculty of Science relating to the above period had been 387. When those vacancies had been added to the students actually existed, the total number of students to be enrolled amounted to 1,277. Had enrollments been effected without vacancies, the cost per students on direct cost could be reduced to Rs.249,449 approximately.

#### **4.2 Management Activities**

The following observations are made.

- (a) In terms of Section 117 (a) of the Inland Revenue Act No. 10 of 2006 as amended by Act No.22 of 2011, although a sum of Rs.19,120,338 had been paid in the year under review as visiting lecture fees to the visiting lecturers who engaged in more than 2 employments, the 'PAYE' tax amounting to Rs.2,342,027 thereon had not been deducted and remitted to the Commissioner General of Inland Revenue.
- (b) No any transaction had been effected from the margin account available in a state bank after the year 1998 and action had not been taken in respect of this dormant account for more than 19 years. However, there was a balance of Rs.648,708 in that account by the end of the year under review.
- (c) A sum of Rs.1,857,250 had been given to the Divisional Secretary, Matara on 19 December 2006 to pay compensation for the acquisition of Mirissagewatta lands for the construction of the Faculty of Management and Finance of the University of Ruhuna. As compensation claimants were not present, that money had been returned to the University on 21 December 2012 and it had been deposited in the sundry deposit account. However, 10 years had elapsed since the commencement of acquisition of this land in the year 2006, it had not been completed even by 31 March 2017.

- (d) Construction works should be initiated only after ensuring the availability of funds for the achievement of construction works to be performed during the year under review under the government capital grants. Contrary to that, a total sum of Rs.223,119,427 had been spent for 7 constructions and 2 procurements in the year under review and it had been set off against the balance of the unspent government capital grants account and shown in the financial statements.
- (e) Balances of Rs.12,264,450 and Rs.2,087,500 in the unpaid bursaries account and Mahapola account respectively were available as at 31 December 2016. Those balances had been continuously increased from year to year but reasons therefore were not made available for audit.
- (f)
  - (i) The Chief Public Health Inspector of the Matara Municipal Council had informed the Manager of the Cleaning Division of the University on 24 August 2016 that garbage should be grouped in taking it to the Kotawila yard and hand over to the recycling yard by separating plastic and polythene. However, a large stock of garbage emitted from 8 canteens at Wellamadama premises of the University and offices had been disposed of daily without being classified to the Municipal Council, Matara by the cleaning services private company, being paid money.
  - (ii) Even though programs could have been implemented with the participation of various government institutions in order to minimise direct and indirect impact on Health, Environment and Social due to use of plastic and polythene, a sufficient attention had not been paid by the University in this connection.
- (g) Out of 45 audit queries issued during the year under review, replies to 13 audit queries valued at Rs.116,579,796 had not been presented even by 30 June 2017.

### 4.3 Operating Activities

The following observations are made.

- (a) Seven members of the academic staff who obtained research assistance of Rs.263,000 in the years 2008, 2009 and 2014 under the research scheme in the Faculty of Humanities and Social Sciences, had not submitted relevant research reports even up to 31 March 2017 and follow up action in this regard had also not been taken. Furthermore, information regarding the granting of research assistance for the year's 2010, 2011, 2012 and 2013 was not made available for audit.
- (b) Research assistance of Rs.405,000 had been obtained by 8 members of academic staff in the years 2012, 2013 and 2014 under the Faculty Research Scheme of the Faculty of Management and Finance. However, evidence to ensure whether such researchers had actually been carried out was not made available. Furthermore, as 6 members of the staff of that Faculty had not submitted research proposals, any money whatsoever had not been obtained under the Faculty Research Scheme during the previous 5 years.
- (c) Twelve members of academic staff who had obtained a research grant of Rs.710,000 in the year 2010, 2011 and 2012 under the Faculty Research Programme relating to the Faculty of Science had not submitted related research reports even by 31 March 2017.
- (d) A sum of Rs.52,000,000 had been received from the University Grants Commission on 18 March 2016 under the Strengthening Research Programme. According to the instructions in the Letter No.UGC/F4/CE/2016 dated 18 March 2016, the progress reports in respect of the financial and physical performance of the researches conducted by utilising this money should be forwarded to the University Grants Commission once in 3 months in accordance with the specific form stated in the National Budget Circular No.06/2015 dated 29 December 2015. Nevertheless, 8 officers in the academic

staff who had started researches by allocating a research assistance of Rs.27,451,250, had not submitted relevant reports to the University.

#### 4.4 Utilisation of Funds

The following observations are made.

- (a) The balance of 5 gifts and donation accounts as at 31 December 2016 amounted to Rs.2,570,861. This money had not been utilised for intended purposes and kept idle for periods from 3 to 11 years.
- (b) According to the information made available for audit, out of the provision of Rs.150,369,330 given to the University by the Higher Education for 21 Century Project (HETC), work proposals for only Rs.99,173,565 had been presented by the time of completion of the project on 30 June 2016. Accordingly, 34 per cent of work proposals valued at Rs.51,195,765 had been deprived of as work proposals were not presented.
- (c) A fund had been opened from a donation totalling Rs.1,827,899 received on 30 November 2012 and 03 September 2013 in order to reach, 4 main objectives including the improvement of mental, Health and Physical fitness of students. This money had been invested in 2 fixed deposits and only a sum of Rs.192,000 had been spent during the past 3 years therefrom for students counselling. However, the balance of the fund totalling Rs.2,147,666 available as at the end of the year under review had been idle without being utilised for the intended objectives.
- (d) According to the instructions of the Letter No.UGC/F4/CE/2016 dated 18 March 2016 of the University Grants Commission, a provision of Rs.5,000,000 had been made by the University under the title of "Research into Demographic Socio-Cultural and Economic Issues." Nevertheless, the academic staff of the Faculty of Humanities and Social Sciences had not presented any research proposals and as such that money could not be utilised.

- (e) Balances totalling Rs.1,473,877 in 6 scholarship deposit accounts under the deposit account balances had remained under utilised for a long period.
- (f) A sum of Rs.696,897 received on 28 November 2015 from the 'Shanghai Xintu Foundation' for the Population Health Research and Teaching Programme in the Faculty of Medicine had been retained in the general deposit account for more than one year without being utilised for the relevant objectives.
- (g) Cash balances totalling Rs.2,745,617 existed in a fund account and 02 savings accounts had remained idle for 11 years from 2005 to 2016 without being utilised for the relevant objectives.
- (h) There was a balance of Rs. 1,625,368 as at 31 December 2016 in the Medical Faculty Fund Account relating to World Health Organization Project. Even though it was stated in the reply letters submitted to audit on 09 September 2015 and 17 January 2017 that the balance of that Fund account would be utilised to purchase a new bus to the Faculty, it had not been implemented even up to 31 March 2017.

#### 4.5 Delayed Projects

-----  
A contract agreement had been entered into on 05 January 2015 at an estimated value of Rs.3,346,168 for the modification of Computer Resources Unit belonging to the Faculty of Electronic and Information Engineering. In terms of the agreement, that work should have been completed within 30 days but only a part of work had been completed and the contractor had abandoned the balance works by 17 September 2015. As this unit had not been modified, computers had been set up only on 10 Computer tables, out of 60 computer tables purchased on 04 November 2014 from a private firm for Rs.463,008 and the computers for the balance 50 tables could not be purchased. Even though, 75 students are required to use the computer resources unit at once, it was observed that installation of only 10 computers therefor was in sufficient.

#### 4.6 Personnel Administration

The following observations are made.

##### (a) Academic Staff

All 5 Professor posts approved for the Faculty of Engineering had fallen vacant and there were 132 vacancies in the lecturer posts in all 8 faculties. Of them the number of vacancies in the Faculties of Medicine, Engineering and Science amounted to 39, 25 and 21 respectively, which represented high values.

##### (b) Non-academic Staff

Vacancies of 11 staff posts in the Administration Division in one faculty, 71 non-staff posts in the Administration Division in 3 faculties and 146 minor employees posts in the Administration Division had existed. Excess cadre of one staff officer post in one faculty and 38 minor staff posts in 5 faculties had existed.

Action had not been taken to regularise excess cadre and to fill vacancies even by the end of the year under review.

#### 5. Accountability and Good Governance

##### 5.1 Action Plan

Action Plan for the year had not been prepared in terms of Paragraph 4 of the Public Finance Circular No.01/2014 of 17 February 2014.

##### 5.2 Internal Audit

Although an internal audit unit had been established, consisting of 06 officers, copies of internal audit reports had not been presented to audit in terms of Financial Regulation 134 (3) of the Democratic Socialist Republic of Sri Lanka to examine and ensure whether sufficient internal audit in respect of cash transactions and work proposals and progress of projects of the University had been carried out.

### 5.3 Budgetary Control

---

Significant variances between the budgeted expenditure and actual expenditure of 79 objects of the year under review, ranging from 15 per cent to 242 per cent were observed and as such the budget had not been made use of as an effective instrument of management control.

### 5.4 Tabling the Annual Reports

---

Even though the Annual Reports for the years 2012 and 2013 had been presented to the Ministry of Higher Education and Highways for tabling, annual reports for the years from 2012 to 2014 had not been tabled in Parliament up to 31 May 2017 in terms of Paragraph 6.5.3 of the Public Enterprises Circular No.PED/12 of 02 June 2003.

### 5.5 Unresolved Audit Paragraphs

---

Even though audit paragraphs as detailed below stated in the previous Auditor General's reports, the attention of the University had not been paid to rectify them even by the end of the year under review.

- (a) (i) Financial assistance totalling Rs.1,740,622 had been provided to a temporary lecturer and a permanent lecturer to fulfil the higher education qualification under the project implemented during the period 2006 to 2010 by the Faculty of Fisheries and Marine Science and Technology without entering into any security bond.
- (ii) Both lecturers are not in the Service of the University at present and any evidence whatsoever to ensure whether higher educational qualifications had been fulfilled was not made available and as such it was observed that any benefit had not been received by the University from the expenditure incurred thereon.

- (b) (i) An advance of Rs.751,463 had been paid 4 years ago for the purchase of science equipment from an entity in Germany required for the Department of Food and Technology of the Faculty of Agriculture such equipment had not been received by the University even up to the year 2014.
- (ii) As such equipment was not received, it had been imported from an entity in India by spending a sum of Rs.329,179 and that entity had supplied equipment not ordered as well. Another part of goods were not yet received. Although 2 years had elapsed after the receipt of equipment with various defects, any action whatsoever had not been taken in that connection even by the end of the year under review.
- (iii) After indicating the matter in paragraph (b)(i) above from the audit query dated 09 February 2015, the relevant goods had been released from the Orugodawatta ware house belonging to Sri Lanka Customs on 29 April 2016. Accordingly, storage charges of Rs.88,700 and airport charges of Rs.30,750 had to be paid due to retention of goods in the stores for 887 days from 25 November 2013. Action in terms of Financial Regulation 156 (1) had not been taken in respect of the loss to the government due to delay and negligence of officers.

**6. System and Controls**

Weaknesses in System and Controls observed in audit had been brought to the attention of the University from time to time by way of audit queries. Special attention is needed in respect of the following areas of Systems and Controls.

**Area of Systems and Control**

**Observations**

- |                              |   |
|------------------------------|---|
| (a) Accounting               | Non-inclusion of the values of assets and constructions in the financial statements, incorrect accounting of revenue, non-reconciliation of accounts balances, Accounting Standards not correctly interpreted and not used. |
| (b) Financial Control        | Non-recovery of receivables, non-settlement of payables, and not taking action on invalidated cheques.  |
| (c) Personnel Administration | Vacancies not filled, excess cadre not regularized.   |
| (d) Performance              | Non-enrollement of total number of students, Non-introduction of new subjects, Non-preparation of action plan, annual reports not tabled, failure in Post Graduate Courses.   |
| (e) Budgetary Control        | Existence of variances between the budget and actuals.  |

H.M.Gamini Wijesinghe

Auditor General

**Sgd./ H.M. GAMINI WIJESINGHE**  
Auditor General

**Reply Report submitted by the University of Ruhuna for the Report of the Auditor General on the Financial Statements for the year ended 31 December 2016 in terms of sub-section 108(1) of the Universities Act, No. 16 of 1978**

<b>Audit Rep. Chap.No.</b>	<b>Matter raised by the Auditor General</b>	<b>Answer given by the University</b>
	<p>The audit of Financial Statements of University of Ruhuna for the year ended 31 December 2016 comprising the statement of financial position as at 31 December 2016 and the statement of financial performance, statement of changes in equity and cash flow statement for the year then ended and a summary of significant accounting policies and other explanatory information, was carried out under my direction in pursuance of provisions in Article 154(1) of the Constitution of the Democratic Socialist Republic of Sri Lanka read in conjunction with Sub-section 107(5) of the Universities Act, No. 16 of 1978. My comments and observations which I consider should be published with the Annual Report of the University in terms of Sub-section 108(1) of the Universities Act appear in this report. A detailed report in terms of Sub-section 108(2) of the Universities Act was issued to the Vice Chancellor of the University on 01 August 2017.</p>	
<p><b>1.2</b></p>	<p><b>Management's Responsibility for the Financial Statements</b>            Management is responsible for the preparation and fair presentation of these Financial Statements in accordance with Sri Lanka Public Sector Accounting Standards and for such internal control as the management determines is necessary to enable the preparation of financial statements that are free from material misstatements whether due to fraud or error.</p>	
<p><b>1.3</b></p>	<p><b>Auditor's Responsibility</b>            My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Sri Lanka Auditing Standards consistent with International Standards of Supreme Audit Institutions (ISSAI 1000 -1810). Those Standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.</p>	

Audit Rep. Chap.No.	Matter raised by the Auditor General	Answer given by the University
	<p>An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the University's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the University's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of financial statements. Section III of the Universities Act, No. 16 of 1978 give discretionary powers to the Auditor General to determine the scope and extent of the audit.</p> <p>I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.</p>	
1.4	<p><b>Basis for Qualified Opinion</b> My opinion is qualified based on the matters described in paragraph 2.2 of this report.</p>	
2.	<b>Financial Statements</b>	
2.1	<p><b>Qualified Opinion</b> In my opinion, except for the effects of the matters described in paragraph 2.2 of this report the financial statements give a true and fair view of the financial position of the University of Ruhuna as at 31 December 2016 and its financial performance and cash flows for the year then ended in accordance with Sri Lanka Public Sector Accounting Standards.</p>	
2.2	<b>Comments on Financial Statements</b>	
2.2.1	<b>Sri Lanka Public Sector Accounting Standards</b>	

Audit Rep. Chap.No.	Matter raised by the Auditor General	Answer given by the University
	<p><b>(a) Sri Lanka Public Sector Accounting Standard 01</b></p> <p>In terms of Paragraphs 49 of the standard, assets and liabilities and revenue and expenses are reported separately. Nevertheless, expenses incurred on 33 external courses conducted by the University totalling Rs.63,666,218 had not been separately reported or disclosed on notes in the statement of financial performance.</p>	<p><b>(a)</b> Action will be taken to correct this from year 2017.</p>
	<p><b>(b) Sri Lanka Public Sector Accounting Standard 02</b></p> <p>As stated in Paragraph 59 of the standard, the amount of significant cash and cash equivalent balances held by the University that are not available for use by the objectives of the University, together with a commentary by management should be disclosed in the notes to the financial statements. However, action had not been taken accordingly in respect of 4 account balances totalling Rs.25,292,048 which could not be used for the affairs of the University.</p>	<p><b>(b)</b> Section 59 of Sri Lanka Public Sector Accounting Standard 02 <b>‘an entity should disclose, together with a commentary by management in the notes to the financial statements, the amount of significant cash and cash equivalent balances held by the entity that are not available for use by the economic entity’.</b> However, as restrictions have not been imposed on project units and the university to use project accounts subject to budgets as mentioned by the Auditor General, it may be noted that there is no need to present them separately with a commentary by management. Notwithstanding, action has been taken to present separately as treasury grants and non-treasury grants, the cash and cash equivalents indicated under Note No.03 of the amended financial statement set. However from 2017 onwards, action will be taken to disclose the relevant balances in the financial statements with a commentary by management.</p>
	<p><b>(c) Sri Lanka Public Sector Accounting Standard 07</b></p> <p>Assets and the value of constructions totalling Rs. 123,325,853 granted to the University by the Higher Education for 21 Century Project (HETC) had not been shown in the financial statements.</p>	<p><b>(c)</b> Though the HETC project was terminated on 30.06.2016, the process of formally acquiring the fixed assets belonging to the project has still not been completed. As of now, the physical verification of the relevant assets is now in progress and since they be acquired thereafter, they could not be accounted as assets of the university for the year ended 31.12.2016. Subsequent to the formal acquisition of the relevant assets, action will be taken to include them in the financial statements. Further they have been disclosed under the disclosures made in the amended financial statement.</p>

Audit Rep. Chap.No.	Matter raised by the Auditor General	Answer given by the University
2.2.2	<p><b><u>Accounting Policies</u></b></p> <p>Although it was the accounting policy that fees charged from the foreign students studied in the Faculty of Medicine had been recognized as revenue up to the previous year, the total amount recovered in the year under review amounting to Rs.32,937,524 had not been taken to revenue and a sum of Rs.25,969,844 thereof had been credited to a fund named as “Foreign Graduate Fund” and as such the deficit of the year under review had been overstated by that amount.</p>	<p>The above income has been included in the financial statements on the basis of a single year cost expend on students of the medical faculty, and action has been taken upon the Governing Council approval 368 taken at the meeting held on 08.05.2017 to credit the excess amount to the ‘Foreign Graduate Fund’.</p>
2.2.3	<p><b><u>Accounting Deficiencies</u></b></p> <p>Incidental expenses of Rs.113,461 paid to 5 officers for the participation of a foreign workshop, had been debited to project advance account without being debited to the project expenditure account in terms of Circular No.01/2010/01 dated 11 October 2010 of the Ministry of Finance and Planning.</p>	<p>The relevant value has been correctly brought to accounts and the amended financial statements have been submitted to the Auditor General.</p>
2.2.4	<p><b><u>Unexplained Differences</u></b></p> <p>Differences totalling Rs.1,376,237 were observed between the balances of 5 items of accounts included in the financial statements and the balances shown in the related schedules and records.</p>	<p><b><u>Mahapola scholarship account</u></b></p> <p>This has been corrected in the amended financial statement.</p> <p><b><u>Nalini Jayasinghe scholarship fund</u></b></p> <p>This has been corrected in the amended financial statement.</p> <p><b><u>K.G.Wedahitha scholarship fund</u></b></p> <p>This difference has occurred due to the sub-ledger not being updated but it has been updated as of now and the difference has been rectified.</p> <p><b><u>Dukelink Project (Medicine)</u></b></p> <p>The balance of Rs 3,257,453/- as per financial statements for the year ended 31.12.2016 is correct. The difference was a result of not recording in the schedules a sum of Rs. 120477 which was the value of 10% transferred to the university account at the end of the ‘Road Traffic Injuries’ project of the Dukelink Project (Medicine) account as at 31.12.2016. These schedules have been updated by now.</p> <p><b><u>Warehouse stocks (Agriculture Faculty)</u></b></p> <p>This matte has been rectified by now.</p>
2.2.5	<p><b><u>Lack of Evidence for Audit</u></b></p> <p>Evidence indicated against the following items of accounts was not made available for audit.</p>	<p><b><u>Fixed assets ( except for computers, software and hardware)</u></b></p>

Audit Rep. Chap.No.	Matter raised by the Auditor General			Answer given by the University									
	<table border="1"> <thead> <tr> <th data-bbox="359 271 521 383">Item of Account</th> <th data-bbox="533 271 711 383">Value Rs.</th> <th data-bbox="716 271 911 383">Evidence not made available</th> </tr> </thead> <tbody> <tr> <td data-bbox="359 389 521 663">Fixed Assets (Except Computers, Hardware and Software)</td> <td data-bbox="533 389 711 663">8,802,960,363</td> <td data-bbox="716 389 911 663">Register of fixed assets prepared in terms of each class of asset.</td> </tr> <tr> <td data-bbox="359 669 521 927">Balances of 6 accounts in respect of research grant, gifts and donations.</td> <td data-bbox="533 669 711 927">19,608,520</td> <td data-bbox="716 669 911 927">Detailed schedules.</td> </tr> </tbody> </table>	Item of Account	Value Rs. 	(d) Action had not been taken even during the year under review to return a sum of Rs.630,000 to the University Grants Commission received from the Presidential Scholarship Fund for 2 foreign students who had drop out of the courses in the year 2014.	The relevant amounts have been sent to the Ministry of Higher Education by now.																				
2.4	<p><b>Non-compliance with Laws, Rules, Regulations and Management Decisions</b></p> <p>The following non-compliance were observed in audit.</p>																					

Audit Rep. Chap.No.	Matter raised by the Auditor General		Answer given by the University	
	Reference to Laws, Rules, Regulations, etc.	Non-compliance	Reference to Laws, Rules, Regulations, etc.	Non-compliance
	<b>(a) Financial Regulations of the Democratic Socialist Republic of Sri Lanka</b>		<b>(a) Financial Regulations of the Democratic Socialist Republic of Sri Lanka</b>	
	(i) Financial Regulation 396	Action in terms of financial regulation had not been taken in respect of 22 cheques totalling Rs.491,186 relating to 4 bank current accounts issued but not presented for payment for more than 6 months.	(i) Financial Regulation 396	Cheques totaling Rs 32,202.00 have been cancelled as per F.R. 396. Cheques to the value of Rs 470,288.00 (Rs 254,735.00+Rs. 215,553.00)in respect of gratuities of two employees dismissed from service have not been accepted by them and they have filed cases against the institution. Measures have been taken by now as per F.R.396 in respect of the abovementioned outstanding cheques totaling Rs. 491,186 and to transfer them to account of cancelled cheques.
	(ii) Financial Regulation 772	Any course of action whatsoever had not been taken in respect of various stock items valued at Rs.109,190 existed in the stores of the Faculty of Agriculture, remained unutilized for a long period even by 28 February 2017.	(ii) Financial Regulation 772	Though action was taken to sell stock items valued at Rs.109,190 in the stores of the Faculty of Agriculture in a public auction, the stocks could not be sold. Therefore further action is due to be taken regarding them.
	(b) Sections 3.1 and 3.2 of Chapter XX of the Establishments code for the University Grants Commission	Although arrival and departure of officers should be recorded in the Attendance Register or Finger print machines, a sum of Rs.1,250,757,803 had been paid to 512 academic staff in the year	(b) Sections 3.1 and 3.2 of Chapter XX of the Establishments code for the University Grants Commission and	This is a situation that has prevailed from the inception of universities in Sri Lanka. The academic staff is engaged in teaching activities as per a daily lecture timetable and in addition to

Audit Rep. Chap.No.	Matter raised by the Auditor General		Answer given by the University	
	and Higher Education Institutions.	under review as salaries and allowances without ensuring their arrival and departure.	Higher Education Institutions.	teaching they are engaged in research activities. Therefore, if the University Grants Commission pay its attention to this matter and a policy decision taken, the Universities will be able to comply with such a decision.
	(c) Treasury Circular No.IAI/2002/02 dated 28 November 2002.	A separate register for Computers, Accessories and Software valued at Rs.254,511,451 had not been maintained.	(c) Treasury Circular No.IAI/2002/02 dated 28 November 2002.	Necessary action is being pursued to to maintain an assets register in respect of computer accessories and software.
	(d) Paragraph 4 of Circular No.01/2015/01 dated 15 May 2015 of the Ministry of Finance.	Contrary to the circular instructions, an over payment of US\$ 1750 (Rs.254,853) at US\$ 50 per day for 7 days had been made to 5 officers in excess of the combines allowance of US\$ 280 payable per day who had proceeded to two countries for 2 foreign training programs.	(d) Paragraph 4 of Circular No.01/2015/01 dated 15 May 2015 of the Ministry of Finance.	As per circular No.01/2015/01 and the practice of the university, they have been paid on the basis of their basic salary. Action will be taken to ascertain whether payments not in compliance with the provisions of the circular have been paid to the relevant officers.
	(e) Circular No.737 dated 18 August 1998 of the University Grants Commission.	(i) All money received from persons who had breaches agreements and bonds should be invested in an interests bearing investment such as fixed deposits/ Treasury Bills. However, out of a sum of Rs.66,755,067 recovered up to the end of the year under review, only a sum of Rs.13,000,000 had been invested.  (ii)The interest of Rs.1,283,507 earned from investments	(e)Circular No.737 dated 18 August 1998 of the University Grants Commission.	(i) Of the moneys received under the said fund, Rs. 22 million had been invested as at 30.09.2017. Action will gradually be taken to invest the balance amount as well.  (ii) Out of the moneys received for the breach

Audit Rep. Chap.No.	Matter raised by the Auditor General		Answer given by the University	
		<p>made in a prior year had been utilized for another activities of the University deviating the purposes stated in that circular.</p>		<p>of bonds and contracts, Rs 16 million was invested and an interest of Rs 1,283,507.00 was accrued thereon and as a result of not receiving the provisions requested from the treasury in 2013 and 2014, the University experienced difficulties in maintaining daily activities, the above interest income had to be spent and as a result there was no possibility of investing again.</p>
3.	<b>Financial Review</b>			
3.1	<p><b>Financial Results</b></p> <p>According to the financial statements presented, the operation of the University for the year ended 31 December 2016 had resulted in a deficit of Rs.76,040,266 as against the surplus of Rs.29,901,759 in the financial results for the preceding year, thus indicating a deterioration of Rs.105,941,965 in the financial results as compared with the preceding year. Even though, the government grants for recurrent expenditure had increased by Rs.103,356,340 increase in employees remuneration by Rs.203,916,706 had mainly attributed to this deterioration.</p> <p>In analyzing the financial result for the year under review and the preceding 04 years, deficits in the years 2012, 2013 and 2014 and a surplus in the year 2015 and again a deficit in the year 2016 were indicated. However, when the employees remuneration, taxes and depreciation on non-current assets had been re-adjusted to the financial results, the contribution had gradually improved from the year 2012 to 2016. Accordingly, the contribution of Rs.2,175,899,984 in the year 2015</p>			

Audit Rep. Chap.No.	Matter raised by the Auditor General	Answer given by the University
	had increased to Rs.2,307,417,826, by 6 per cent in the year under review.	
3.2	<p><b>Legal Cases Initiated against the University or by the University</b></p> <p>The following observations are made.</p> <p>(a) There were 4 court cases, one of which in the Supreme Court and 4 in the District Courts filed by the University against 4 lecturers and an encroacher by the end of the year under review. The amount receivable relating to 4 Court Cases filed in the District Courts by the University was Rs.6,704,842.</p>	<p>(a) There were five cases filed by the university. At the conclusion of the hearing at the magistrate's court against an illegal occupier, the court ordered the possession to be handed over to the University and accordingly the University accepted the possession.</p> <p>At the case filed in the Supreme Court by the University through the Attorney General's Department challenging the ruling of the Appeals Court regarding the dismissal of a university teacher over misconduct, the Supreme Court has upheld the ruling of the Appeals Court. Accordingly, the relevant lecture was informed to report for duty. (without any compensation). However he has hitherto not reported for duty.</p> <p>Cases have been filed in the District Court against whose services were terminated over the violation of contracts and bonds and one of the lecturers had agreed before the court to pay the dues and settle the case. This matter is due to be referred to the Governing Council for a decision. Accordingly, two out of the five cases have been fully settled.</p>
	<p>(b) There were 27 court cases, consisting of 13 cases filed by various parties against the University, 7 complaints in the University Appeal Board and 7 complaints in the Labour Tribunal. The compensation claimed for 01 court case out of 27 cases filed against the University amounted to Rs.4,005,977.</p>	<p>(a) Seven cases had been filed in the University Service Appeals Board and four of them have been concluded. Of them three had been ruled in favour of the University and in the other an order had been given withdraw the penalty notice. In the Labour Tribunal, seven cases had been filed and three of them had been completed. All three of them were ruled in favour of the University.</p> <p>One case had been filed before the Commissioner for Workmen's compensation while another had been filed in the District Court. The case filed in the Civil Appeals Court was ruled in favour of the University. Two cases had been filed in the Appeals Court and five out</p>

Audit Rep. Chap.No.	Matter raised by the Auditor General	Answer given by the University
		<p>of eight cases filed in the Supreme Court were ruled in favour of the University and the other three cases are pending.</p> <p>Thus the total number of cases filed is 27 and 13 of them have been concluded and 12 have been ruled in favour of the university.</p>
4	<b>Operating Review</b>	
4.1	<p><b>Performance</b></p> <p>According to the strategic plan prepared by the University for a 5 years period from 2014 to 2018, a summary of main objectives expected to be achieved is given below.</p> <ul style="list-style-type: none"> <li>* Strengthening approaches to Education, Research and Services, improvement of quality and relevance.</li> <li>* Ensuring fairness and equality for gender, religion and race and physically handicapped.</li> <li>* Enhancement of Good Governance through effective and efficient Resources Management.</li> <li>* Reaching to the first 2000 in World University rating and improvement of the identify of University.</li> </ul> <p>The following observations are made in respect of achieving the above objectives.</p>	
	(a) Even though it was expected to increase the number of students who follow Post Graduate Courses in the Faculty of Agriculture by 5 per cent annually, it had not been achieved. Out of 7 Post Graduate Courses introduced by the Faculty, 06 had not been implemented by the end of the year under review. Although 32 students had been registered for the course conducted in the year 2014, it had dropped to 25 students in the year 2015. However, students had not been registered for the year 2016.	(a) Though it was planned to introduce this programme and necessary facilities were made available, the course could not be continued as adequate number of students did not register for the course.
	(b) Even though the setting up of an academic unit for the study of Tamil language was recognized as a key activity, that unit had not been set up even up to the end of the year under review since 2014.	(b) Since the approval of the University Grants Commission was not granted for this unit, the relevant academic unit could not be established. However, the University currently

Audit Rep. Chap.No.	Matter raised by the Auditor General	Answer given by the University
		discharges all functions that are expected to be discharged by a Tamil language unit.
	(c) Even though, it was planned in the year 2014 to build a new Administrative Building with the objective of increasing office space and complete the work by year 2016, only the procurement activities had been commenced even by 30 June 2017.	(c) The procurement process of this building project has been commenced and the preparatory work of the construction is underway and construction activities are to be commenced soon.
	(d)(i) Even though it was expected that the University will be among the first 2000 in the World University rankings, it was ranked 4318 <sup>th</sup> in the year 2016. However, in the year 2015 it was ranked 4525 <sup>th</sup> and as such it had advanced by 207 places.  (ii) In the year 2013 the University had possessed 3 <sup>rd</sup> place in the local rating list but by the year 2016 it had dropped up to 6 <sup>th</sup> place.	(d) (i), (ii) According to the Webometrics ranking the university occupies 2634 <sup>th</sup> place in global rankings and 5 <sup>th</sup> place in Sri Lankan rankings and according to the global rankings of 'Higher Education Institutions by Google Scholar Citation', it is placed in the 1175 <sup>th</sup> position globally and in the 01 <sup>st</sup> position in Sri Lankan rankings. Further, the University also received the award 'The Scopus most prolific University' presented by 'Sri Lanka Elsevier Research Forum' for excellence in research for the period from 2011 to 2016.
	(e)(i) Even though, it was planned to introduce new graduate courses by 2016, any new courses whatsoever had not been introduced by the Faculty of Agriculture and the Faculty of Engineering even up to the end of the year under review.	(e)(i) Approval was received for sets of proposals in relation to new degree courses submitted by the Engineering Faculty and these courses will be commenced upon the receipt of approval from the Governing Council and the University Grants Commission.  Steps necessary for the commencement of these proposed new courses will be taken subsequent to the improvement of physical resources and infrastructure facilities of the Agricultural Faculty.
	(ii) Action had not been taken to introduce 06 new subjects for graduate courses relating to 3 faculties, proposed to be introduced according to the plan, even by 30 June 2017.	(ii) The relevant subjects have been introduced to the Agricultural Faculty and these subjects have also been included in the approved proposal of the Engineering Faculty. Measures have already been taken to introduce these subjects to the Management and Finance Faculty.
	(f)(i) The responsibility in the implementation of various activities to be achieved had been assigned to the Deans of the Faculties and	(e)(i), (ii)

Audit Rep. Chap.No.	Matter raised by the Auditor General	Answer given by the University
	<p>to Heads of Divisions and those activities should be coordinated and the action plan should be prepared by the Registrar.</p> <p>(ii)As an action plan or performance reports had not been prepared for the year under review, it could not be examined and ensured whether each of activity stated in the objectives could be achieved to what extent.</p>	<p>As of now, each faculty has submitted the faculty action plan and they have been forwarded for the approval of the Governing Council.</p>
	<p>(g)The following observations are made in respect of the enrolment of students</p> <p>(i)Thirty four students had been enrolled for three graduate courses of Medicine, Arts, Engineering and Technology for the academic year 2015/ 2016 in excess of the prescribed number of students. Except for Engineering Courses, the number of students to be enrolled to the balance 13 courses of the University amounted to 1245, but only 1056 students had been admitted. Accordingly, another 189 students had been deprived of the admission to the University. It was observed as the under utilisation of resources.</p>	<p>(g)</p> <p>(i) All students referred to this university by the University Grants Commission were registered and details of existing vacancies have been communicated to the Commission. However, the number of vacancies in several degree courses has been reduced by now to 189. This situation has arisen due to circumstances beyond the control of the University.</p>
	<p>(ii)According to the Strategic Plan of the University, the number of students for an academic year had to be increased up to 2142 by the year 2016, but the total number of students enrolled for the academic year 2015/2016 was only 1970, representing less than 8 per cent of the expected level.</p>	<p>(ii)The University Grants Commission has been made aware of all existent vacancies and accordingly all students referred to the University by the Commission have been registered. The number of students registered under new entrance system is 1970 and the existence of such vacancies is a situation that arises due to factors beyond the control of the university.</p>
	<p>(iii) Compared to other faculties, more vacancies exist in the Faculty of Agriculture and the number of students enrolled for the 2015/2016 academic year was 83 less than the stipulated number of students.</p>	<p>(iii) The number of vacancies at the Science Faculty has been reduced to 14 at present and the delay that occurs in filling vacancies has been brought to the notice of the University Grants Commission.</p>
	<p>(iv)Of the students registered in the Faculty of Science for the academic year 2015/2016, 302 had joined other Universities by 26 April 2017. The situation has deteriorated further during the academic year 2015/2016 in comparison to the previous academic year.</p>	<p>(iv) Students apply for different courses in the university system and they leave for better courses as per their Z scores upon the availability of vacancies in them. In such circumstances, the University Grants Commission is made aware of the vacancies</p>

Audit Rep. Chap.No.	Matter raised by the Auditor General	Answer given by the University
		thus created and requested to refer an adequate number of students.
	<p>(v) The total number of students in the Faculty of Science as at 31 December 2016 amounted to 890. According to the data indicated in the financial statements for the year under review, cost per student on direct cost (academic cost + examination cost) had been Rs.357,204 approximately.</p> <p>The total number of vacancies in the Faculty of Science relating to the above period had been 387. When those vacancies had been added to the students actually existed, the total number of students to be enrolled amounted to 1,277. Had enrollments been effected without vacancies, the cost per students on direct cost could be reduced to Rs.249,449 approximately.</p>	(v) The answer given under the above (i), (ii), (iii) & (iv) is applicable in this case as well.
4.2	<p><b>Management Activities</b></p> <p>The following observations are made.</p> <p>(a) In terms of Section 117 (a) of the Inland Revenue Act No. 10 of 2006 as amended by Act No.22 of 2011, although a sum of Rs.19,120,338 had been paid in the year under review as fees to the visiting lecturers who engaged in more than 2 employments, the 'PAYE' tax amounting to Rs.2,342,027 thereon had not been deducted and remitted to the Commissioner General of Inland Revenue.</p>	(a) The matter has been dealt with as per the provisions of the relevant Act. However, the payment of the PAYE tax from the earnings of several visiting lecturers has been missed and measures have been taken as of now to rectify the error. As per your SNP/MR/C/RU/16/U 29, the relevant tax has been levied from 47 out of 67 academic staff members of the Faculty of Humanities and Social Sciences and 14 were neither dual employees nor had their income exceeded Rs 750,000/-.
	(b) No any transaction had been effected from the margin account available in a state bank after the year 1998 and action had not been taken in respect of this dormant account for more than 19 years. However, there was a balance of Rs.648,708 in that account by the end of the year under review.	(b) Action has been taken by now to rectify this matter.
	(c) A sum of Rs.1,857,250 had been given to the Divisional Secretary, Matara on 19 December 2006 to pay compensation for the acquisition of Mirissagewatta lands for the construction of the Faculty of Management and Finance of the	(c) Action has been taken to invest this amount in a fixed deposit.

Audit Rep. Chap.No.	Matter raised by the Auditor General	Answer given by the University
	<p>University of Ruhuna. As compensation claimants were not present, that money had been returned to the University on 21 December 2012 and it had been deposited in the sundry deposit account. However, 10 years had elapsed since the commencement of acquisition of this land in the year 2006, it had not been completed even by 31 March 2017.</p>	
	<p>(d) Construction works should be initiated only after ensuring the availability of funds for the achievement of construction works to be performed during the year under review under the government capital grants. Contrary to that, a total sum of Rs.223,119,427 had been spent for 7 constructions and 2 procurements in the year under review and it had been set off against the balance of the unspent government capital grants account and shown in the financial statements.</p>	<p>(d) Payments of capital projects that show a greater progress during the year are settled during the relevant year. Though the funds allocated for certain projects which show a less progress are spent on settling of bills of projects that show a greater progress, due adjustments are made finally and are not set off against each other. Thus it is clear that by the end of the project, the allocations set aside for projects are spent on the respective projects. The delay in receiving financial provisions too has contributed to this situation.</p>
	<p>(e) Balances of Rs.12,264,450 and Rs.2,087,500 in the unpaid bursaries account and Mahapola account respectively were available as at 31 December 2016. Those balances had been continuously increased from year to year but reasons therefore were not made available for audit.</p>	<p>(e) The Finance Division conducted an investigation in respect of the above balance on the basis of the report of the internal audit inquiry and on the basis of that report action is to be taken in due course to settle the said balance. Further, the unpaid bursaries and Mahapola balances in year 2017 have been settled and measures have been taken prevent recurrence of such balances in future.</p>
	<p>(f)(i)The Chief Public Health Inspector of the Matara Municipal Council had informed the Manager of the Cleaning Division of the University on 24 August 2016 that garbage should be sorted in taking it to the Kotawila yard and hand over to the recycling yard by separating plastic and polythene. However, a large stock of garbage emitted from 8 canteens at Wellamadama premises of the University and offices had been disposed of daily without being classified to the Municipal Council, Matara by the cleaning services private company, being paid money.</p>	<p>(f) (i) Garbage bins have been placed in University canteens and other places where garbage is disposed of enabling the separation of garbage and an agreement has been entered into with a janitorial service for the disposal of garbage collected in bins. The University has not been informed by the Matara Municipal Council or any other institution dealing with the matter as regards complaint received in this connection and measures have been taken to bring this matter to the attention of the janitorial service provider.</p>
	<p>(ii)Even though programs could have been implemented with the participation of various</p>	<p>(ii) Plastic and polythene waste of the institution is collected at one place and handed over in bulks</p>

Audit Rep. Chap.No.	Matter raised by the Auditor General	Answer given by the University
	government institutions in order to minimize direct and indirect impact on health, environmental and social impact due to use of plastic and polythene, a sufficient attention had not been paid by the University in this connection.	to the Matara Municipal Council. Thus, a programme is already in operation to dispose of plastic and polythene in collaboration with government institutions.
	(g) Out of 45 audit queries issued during the year under review, replies to 13 audit queries valued at Rs.116,579,796 had not been presented even by 30 June 2017.	(g) Out of 45 audits issued in respect of the year under review, 43 have been responded to and action is being pursued to respond to the remaining two queries forthwith.
<b>4.3</b>	<p><b>Operating Activities</b></p> <p>The following observations are made.</p> <p>(a) Seven members of the academic staff who obtained research assistance of Rs.263,000 in the years 2008, 2009 and 2014 under the research scheme in the Faculty of Humanities and Social Sciences, had not submitted relevant research reports even up to 31 March 2017 and follow up action in this regard had also not been taken. Furthermore, information regarding the granting of research assistance for the year's 2010, 2011, 2012 and 2013 was not made available for audit.</p>	<p>(a) Of the 13 lecturers, 09 have handed over their research reports to the main library of the University. 04 lecturers have not obtained the research allowances.</p> <p>By the time these reports were examined, the faculty office was being shifted to a new building and now the university is in a position to examine the relevant files.</p>
	(b) Research assistance of Rs.405,000 had been obtained by 8 members of academic staff in the years 2012, 2013 and 2014 under the Faculty Research Scheme of the Faculty of Management and Finance. However, evidence to ensure whether such researchers had actually been carried out was not made available. Furthermore, as 6 members of the staff of that Faculty had not submitted research proposals, any money whatsoever had not been obtained under the Faculty Research Scheme during the previous 5 years.	(b) 07 out of these 08 academic staff members have launched the relevant research reports at various seminars. ( The copies of the relevant reports were forwarded to the Auditor General together with letter SN.MR/C/RU/2016/U.27) One of the lecturers has gone overseas to read for his doctorate. Further, since many lecturers are engaged in research activities under other research provisions, they do not apply for research assistance under the Research Scheme of the faculty.
	(c) Twelve members of academic staff who had obtained a research grant of Rs.710,000 in the year 2010, 2011 and 2012 under the Faculty Research Programme relating to the Faculty of Science had not submitted related research reports even by 31 March 2017.	(c) According to letter SNP/MR/C/RU/16/U.27, this number is 11. Of these 11 academic staff members, one (Dr. N. Yapage) has not obtained the research grant. Only two members of the academic staff have thus far have submitted the relevant research reports. (Dr. (Mrs) N.P. Dissanayake and Dr. P.M.C.S. De Silva) Dr. (Mrs)

Audit Rep. Chap.No.	Matter raised by the Auditor General	Answer given by the University
		<p>N.L. Bogahawatta has retired and gone abroad and some issues have arisen regarding the handing over of research reports by three other lecturers who have engaged in researches with her. The other five have been instructed to take action to hand over their research reports.</p>
	<p>(d) A sum of Rs.52,000,000 had been received from the University Grants Commission on 18 March 2016 under the Strengthening Research Programme. According to the instructions in the Letter No.UGC/F4/CE/2016 dated 18 March 2016, the progress reports in respect of the financial and physical performance of the researches conducted by utilising this money should be forwarded to the University Grants Commission once in 3 months in accordance with the specific form stated in the National Budget Circular No.06/2015 dated 29 December 2015. Nevertheless, 8 officers in the academic staff who had started researches by allocating a research assistance of Rs.27,451,250, had not submitted relevant reports to the University.</p>	<p>(d) Arrangements are being made to submit quarterly reports on the financial performance of the research grants provided. However there are some practical difficulties for obtaining the progress of individual researches quarterly. (Eg: in researches related to bio/environmental/ agricultural/ medical sciences, the collection of data in respect of certain parameters is carried out once every three months) Hence, the reporting of progress of post graduate researches once in six months has been approved by the senate. Action is now being pursued to submit the progress of researches thus obtained once every six months to the University Grants Commission.</p>
<p><b>4.4</b></p>	<p><b>Utilisation of Funds</b> The following observations are made. (a) The balance of 5 gifts and donation accounts as at 31 December 2016 amounted to Rs.2,570,861. This money had not been utilized for intended purposes and kept idle for periods from 3 to 11 years.</p>	<p>(a) <b><u>Explores Club A/C – ICO 3023</u></b> The estimates required to carry out construction activities for the benefit of students channeling the moneys of this fund have been prepared by the engineer. They are expected to be referred to for approval to proceed with the work.</p> <p><b><u>Environmental project A/C – ICO 3029</u></b> Since this project is in a state of idleness, the recommendation of the finance subcommittee has been received to remove the relevant balance from the books and future action is to be taken accordingly.</p> <p><b><u>Tsunami Fund – ICO 3053</u></b> Action has been taken to utilize this fund for the programme to grant relief to university employees affected by floods.</p>

Audit Rep. Chap.No.	Matter raised by the Auditor General	Answer given by the University
		<p><b><u>Dean's Fund (Management &amp; Finance ) – ICO 3105</u></b> This fund is to be used for upgrading facilities in the building of Management and Finance Faculty newly being constructed.</p> <p><b><u>L.W.I. Memorial Fund – ICO 3052</u></b> This fund is to be used in future by the faculty of Humanities and Social Sciences.</p>
	(b) According to the information made available for audit, out of the provision of Rs.150,369,330 given to the University by the Higher Education for 21 Century Project (HETC), work proposals for only Rs.99,173,565 had been presented by the time of completion of the project on 30 June 2016. Accordingly, 34 per cent of work proposals valued at Rs.51,195,765 had been deprived of as work proposals were not presented.	(b) Even though project activities were planned for the entire provision of Rs. 150.3 million granted to the Ruhuna University, due to the inactivity of certain projects, the planned provisions could not be fully used up.
	(c) A fund had been opened from a donation totalling Rs.1,827,899 received on 30 November 2012 and 03 September 2013 in order to reach, 4 main objectives including the improvement of mental health and Physical fitness of students. This money had been invested in 2 fixed deposits and only a sum of Rs.192,000 had been spent during the past 3 years therefrom for students counselling. However, the balance of the fund totalling Rs.2,147,666 available as at the end of the year under review had been idle without being utilised for the intended objectives.	(c) The total remaining balance of this fund is not utilized and only the interest is used for the relevant activities. Accordingly, action has been taken to channel this fund to conduct student counselling programmes up to the year 2018 and other programmes developing mental health, physical fitness and spirituality of students as well as yoga and meditation programmes.
	(d) According to the instructions of the Letter No.UGC/F4/CE/2016 dated 18 March 2016 of the University Grants Commission, a provision of Rs.5,000,000 had been made by the University under the title of "Research into Demographic Socio-Cultural and Economic Issues." Nevertheless, the academic staff of the Faculty of Humanities and Social Sciences had not presented any research proposals and as such that money could not be utilised.	(d) Applications were called from all faculties of the University to disburse this research grant and altogether 29 applications were received but none from the faculty of Humanities and Social Sciences. Therefore, under the field of "Research into Demographic Socio-Cultural and Economic Issues", research grant could not be extended to the faculty of Humanities and Social Sciences.
	(e) Balances totalling Rs.1,473,877 in 6 scholarship deposit accounts under the deposit account	(e) This fund is there for granting scholarships to students and when students fail to satisfy the

Audit Rep. Chap.No.	Matter raised by the Auditor General	Answer given by the University
	balances had remained under utilised for a long period.	selection criteria, the scholarships were not granted.
	(f) A sum of Rs.696,897 received on 28 November 2015 from the 'Shanghai Xintu Foundation' for the Population Health Research and Teaching Programme in the Faculty of Medicine had been retained in the general deposit account for more than one year without being utilised for the relevant objectives.	(f) This fund is being utilized now.
	(g) Cash balances totalling Rs.2,745,617 existed in a fund account and 02 savings accounts had remained idle for 11 years from 2005 to 2016 without being utilised for the relevant objectives.	(g) Specific objectives for which the funds can be used are set out in statutes. Accordingly the fund will be utilized for the attainment of the said objectives.
	(h) There was a balance of Rs. 1,625,368 as at 31 December 2016 in the Medical Faculty Fund Account relating to World Health Organization Project. Even though it was stated in the reply letters submitted to audit on 09 September 2015 and 17 January 2017 that the balance of that Fund account would be utilised to purchase a new bus to the Faculty, it had not been implemented even up to 31 March 2017.	(h) Though arrangements were made to purchase a bus for the faculty using this balance, the financial circulars in this connection had barred the new purchases and therefore it will be used for a suitable development activity of the faculty in due course.
<b>4.5</b>	<p><b>Delayed Projects</b></p> <p>A contract agreement had been entered into on 05 January 2015 at an estimated value of Rs.3,346,168 for the modernization of Computer Resources Unit belonging to the Faculty of Electronic and Information Engineering. In terms of the agreement, that work should have been completed within 30 days but only a part of work had been completed and the contractor had abandoned the balance works by 17 September 2015. As this unit had not been modified, computers had been set up only on 10 Computer tables, out of 60 computer tables purchased on 04 November 2014 from a private firm for Rs.463,008 and the computers for the balance 50 tables could not be purchased. Even though, 75 students are required to use the computer resources unit at once, it was observed that installation of only 10 computers therefor was in sufficient.</p>	<p>On the recommendation of the Technical Evaluation Committee under RUH/ENG/SUP/2014/10 in respect of these modernization activities, this contract was awarded to 'Inovetec Network System (Pvt) Ltd' and having commenced modernization work, they abandoned the work after a few days. This situation was reported to the procurement committee of the University and on its recommendations, the performance bond was encashed and the University took possession of the relevant amount of Rs. 334,616.80. Hence, it was decided to call for bids for the modernization activities and since the provisions received for the year 2016 were not sufficient, it was planned to carry out this task using the provisions of this year.</p> <p>The Computer Resource Centre of the Department of Electrical and Information Engineering is a small unit with 25 computers and at present about 10</p>

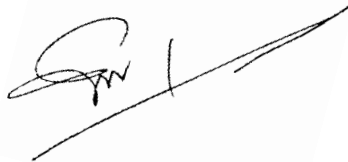

Audit Rep. Chap.No.	Matter raised by the Auditor General	Answer given by the University
		computers have been installed there. Using the provisions received under the first phase, only computer tables were purchased which have now been installed for the use of students. In the year 2017, it is expected to secure provisions for the purchase of 15 new computers.
4.6	<p><b>Personnel Administration</b> The following observations are made.</p> <p><b>(a) Academic Staff</b> All 5 Professor posts approved for the Faculty of Engineering had fallen vacant and there were 132 vacancies in the lecturer posts in all 8 faculties. Of them the number of vacancies in the Faculties of Medicine, Engineering and Science amounted to 39, 25 and 21 respectively, which represented high values.</p>	<p><b>(a) Academic Staff</b> Applications are called every year through notices published in newspapers but the posts remained vacant as applications are not received from suitably qualified persons. Sometimes, even though applications were received, they had to be rejected since the applicants had not fulfilled the qualifications as per the relevant circulars. Though recruitments are made several times during a year, the number of vacancies remains relatively high as the number of lecturers resigning from the service of the Engineering Faculty too is quite high. Provided however, action has been taken continually to recruit new lecturers for all faculties as per a proper timeframe.</p>
	<p><b>(b)Non-academic Staff</b> Vacancies of 11 staff posts in the Administration Division in one faculty, 71 non-staff posts in the Administration Division in 3 faculties and 146 minor employees posts in the Administration Division had existed. Excess cadre of one staff officer post in one faculty and 38 minor staff posts in 5 faculties had existed.</p> <p>Action had not been taken to regularise excess cadre and to fill vacancies even by the end of the year under review.</p>	<p><b>(b)Non-academic Staff</b> Posts such as Library Information Assistant, Library Worker, Full Time Deputy Chief Invigilator, Security Guard, Security Service Inspector and Driver have been approved under the estimate of the key administrative posts. As per the requirements for posts occur in faculties, the staff is attached to them. Accordingly, when compared with the total cadre in the approved estimate, an excess is not shown in the aforesaid posts.</p> <p>Applications have been called internally and externally to fill the relevant vacancies and most of these posts have been filled as of now. Measures are already underway for filling the remaining vacancies.</p>
5	<b>Accountability and Good Governance</b>	
5.1	<p><b>Action Plan</b> Action Plan for the year had not been prepared in terms of Paragraph 4 of the Public Finance Circular No.01/2014 of 17 February 2014.</p>	The Action Plan has been prepared by now and submitted for the approval of the Governing Council.

Audit Rep. Chap.No.	Matter raised by the Auditor General	Answer given by the University
5.2	<p><b>Internal Audit</b></p> <p>Although an internal audit unit had been established, consisting of 06 officers, copies of internal audit reports had not been presented to audit in terms of Financial Regulation 134 (3) of the Democratic Socialist Republic of Sri Lanka to examine and ensure whether sufficient internal audit in respect of cash transactions and work proposals and progress of projects of the University had been carried out.</p>	<p>Action had been taken to hand over the biannual report for the year 2016 to the Auditor General on 18.07.2016 and the report up to 31.12.2016 had been submitted as of now.</p>
5.3	<p><b>Budget documentary control</b></p> <p>Significant variances between the budgeted expenditure and actual expenditure of 79 objects of the year under review, ranging from 15 per cent to 242 per cent were observed and as such the budget had not been made use of as an effective instrument of management control.</p>	<p>The Governing Council has focused attention on the observations made by the Auditor General and in the coming year a budget stable to the fullest possible extent is to be prepared.</p>
5.4	<p><b>Tabling the Annual Reports</b></p> <p>Even though the Annual Reports for the years 2012 and 2013 had been presented to the Ministry of Higher Education and Highways for tabling, annual reports for the years from 2012 to 2014 had not been tabled in Parliament up to 31 May 2017 in terms of Paragraph 6.5.3 of the Public Enterprises Circular No.PED/12 of 02 June 2003.</p>	<p>Annual reports of 2012 and 2013 have been submitted for tabling in Parliament. Reports of 2014 and 2015 have been submitted for the approval of the Cabinet of Ministers.</p>
5.5	<p><b>Unresolved Audit Paragraphs</b></p> <p>Even though audit paragraphs as detailed below stated in the previous Auditor General's reports, the attention of the University had not been paid to rectify them even by the end of the year under review.</p>	
	<p>(a)(i) Financial assistance totalling Rs.1,740,622 had been provided to a temporary lecturer and a permanent lecturer to fulfill the higher education qualification under the project implemented during the period 2006 to 2010 by the Faculty of Fisheries and Marine Science and Technology without entering into any security bond.</p> <p>(ii) Both lecturers are not in the Service of the University at present and any evidence whatsoever to ensure whether higher educational qualifications had been fulfilled was not made available and as such it was</p>	<p>(a) (i),(ii)</p> <p>Dr. Chandana Nissanka, a lecturer attached to the faculty Fisheries and Marine Science and Technology has undergone short-term training in the Netherlands under this project on the subject of "GIS &amp; Remote Sensing". After the training he had reported for duty but subsequently left the service.</p> <p>Similarly, Miss N.K.W.K. Vidyarthna, a graduate of this University, during her service as a part time researcher and a temporary lecturer of the faculty had participated in a special training session of two months at Calma</p>

Audit Rep. Chap.No.	Matter raised by the Auditor General	Answer given by the University
	<p>observed that any benefit had not been received by the University from the expenditure incurred thereon.</p>	<p>University, Sweden subject to the provisions of the project and reported back for duty at the faculty. However since her appointment was not permanent, she had to leave the service of the University. Bonds are not signed in respect of those participating in short-term training programmes.</p>
	<p>(b)(i) An advance of Rs.751,463 had been paid 4 years ago for the purchase of science equipment from an entity in Germany required for the Department of Food and Technology of the Faculty of Agriculture such equipment had not been received by the University even up to the year 2014.</p> <p>(ii) As such equipment was not received, it had been imported from an entity in India by spending a sum of Rs.329,179 and that entity had supplied equipment not ordered as well. Another part of goods were not yet received. Although 2 years had elapsed after the receipt of equipment with various defects, any action whatsoever had not been taken in that connection even by the end of the year under review.</p> <p>(iii) After indicating the matter in paragraph (b)(i) above from the audit query dated 09 February 2015, the relevant goods had been released from the Orugodawatta warehouse belonging to Sri Lanka Customs on 29 April 2016. Accordingly, storage charges of Rs.88,700 and airport charges of Rs.30,750 had to be paid due to retention of goods in the stores for 887 days from 25 November 2013. Action in terms of Financial Regulation 156 (1) had not been taken in respect of the loss to the government due to delay and negligence of officers.</p>	<p>(b)(i) Action has been taken by now to acquire the relevant equipment to the University.</p> <p>(ii) Even though the local agent of the relevant institution was notified of the matter, no response has hitherto been received. The recommendation of the financial subcommittee in this regard are to be submitted to the Governing Council and future action is to be determined on the advice of the Council.</p> <p>(iii) The matter was looked into and the relevant parties were instructed to ensure non-recurrence of such incidents within the process of foreign purchases. The Governing Council has issued necessary instructions to check whether this problem was caused due to the delay or negligence on the part of any official.</p>
6	<p><b>System and Controls</b></p> <p>Weaknesses in System and Controls observed in audit had been brought to the attention of the University from time to time by way of audit queries. Special attention is needed in respect of the following areas of Systems and Controls.</p>	<p>Necessary measures will be taken, laying special emphasis on the instructions given by the Auditor General to strengthen financial controls and management controls and the systems and controls of the University.</p>

Audit Rep. Chap.No.	Matter raised by the Auditor General		Answer given by the University
	<b>Area of Systems and Control</b>	<b>Observations</b>	
	(a) Accounting	Non-inclusion of the values of assets and constructions in the financial statements, incorrect accounting of revenue, non-reconciliation of accounts balances, Accounting Standards not correctly interpreted and not used.	
	(b) Financial Control	Non-recovery of receivables, non-settlement of payables, and not taking action on invalidated cheques.	
	(c) Personnel Administration	Vacancies not filled, excess cadre not regularized.	
	(d) Performance	Non-enrollement of total number of students, Non-introduction of new subjects, Non-preparation of action plan, annual reports not tabled, failure in Post Graduate Courses.	
	(e) Budgetary Control	Existence of variances between the budget and actuals.	

**Prof. Gamini Senanayake**
