Message of the District Secretary

The Sri Lankan who arisen and enriched with more precious thoughts with the arrival of Mahindra Thero centralizing Anuradhapura city which endows a long, proud history had marked the origination of new civilization, centralizing this city itself entering well organized society.

This civilization which began, centralizing Anuradhapura has created people who are rich with the thinking power with great human qualities as well as well-organized Agriculture and Irrigation system, Culture, Architecture, and literature.

Majority of people among the population approximately 905,000 engage in agriculture base livelihood establishing as a proud city as mention above in the Anuradhapura district, the largest District of Sri Lanka ,spreading 7,179 Km². People in Anuradhapura District, who largely contribute to the National Agricultural sector, have worked in our history taking the responsibilities when the countries have to face hazards came time to time.

Anuradhapura District Secretariat, the Center of Administration for the District was able to accomplish various services for uplifting the living standard of the people of Anuradhapura who are pioneers in many services as mentioned above. It is pleasure to commemorate that the Infrastructure of the Sectors of Health, Education, Agriculture, and Industry, Identifies as the necessary requirements to uplift the living standard of the people of Anuradhapura as well as religious, social and political could be provided to the people in the District.

Due to possessing a world heritage place and other many archeologically valuable places, rich with biodiversity and natural beauty of the environment foreign diplomats were here frequently. It is proud to contemplate that we were able to protect Sri Lanka proud in internationally, providing facilities and organizing their programs in a good manner.

While offering grateful thanking to the people who contributed to provide such services in Anuradhapura District as well as protect the country's proud in 2016, take this opportunity to invite all to accomplish these services comprehensively and collectively in 2017.

R.M. Wanninayaka
Government Agent/District Secretary
Anuradhapura

Introduction of District Secretariat

District Secretariat is situated in Anuradhapura District, within the divisional secretariat division of Nuwaragam Palatha-East in the center of Anuradhapura Lieutenant Mengasfil who served as Government Agent in 1835. At present Mr. R.M. Wanninayaka does the Administration of the District as the District Secretariat/Government Agent.

Afterwards 73 Government Agent had served in Anuradhapura District. District Secretariat role and responsibility is to lead the all officers to uplift living standards of 905,000 of population ,spread in within the 2584 villages which belong to 22 Divisional Secretariats

Vision

To accomplish effective an Government Service and being the leader for all the government officers to perform their duties in accordance with the giving priority to the agriculture, protecting the national cultures and world heritage to uplift the living status of the community through the Anuradhapura District.

Mission

Our mission is to fulfill the public requirements efficiently, fairly, reasonably, and friendly coordination that operate institute and resources of the Government enabling the public and the district to dedicate National Development.

District of Anuradhapura

Anuradhapura District where multi religious and multi lingual people live is margined to Vavnia, Mannar and Mulative District from North, Kurunegala and Mathale District from South, Puttalam and Mannar district from West, and the Pollonnaruwa and Trincomalee from East.

Leading the "Jaya Sri Maha Bodhi" and the "Atamasthana" (the Eight Buddhist Religious Places), which are sacred ,consist with a historical value as well as the Mihintale temple, Thantirimale Temple, "Awukana" (Standing Buddha) can be seen in this city and as the result such historical background, the foreigners are attracted to the City.

Main livelihood of the Anuradhapura District is Agriculture and the main crop is paddy. As additional corps Soya beans, Maize, Undu, Sesame, and Big Onions reach the District target. Among them the Maize and the Soya beans cover the national targets. The rain water and water supplied by the irrigation systems supply water for the cultivation. The irrigation system in the District which wondrous even today's engineering field is consisted with the 12 of main tanks including Kala wewa, Thissa wewa, Nuwara Wewa, Abhaya Wewa, Nachchaduwa Wewa, Rajanganaya and Padaviya ,85 of medium and 2974 of small tanks. And also there are a lot of very small tanks. The population of Anuradhapura is 905,000.

When we consider the climate of the District, It shows that the Characteristic of a Dry Zone. The average temperature of this area is over 32 ° and annual rain fall is 1285 mm² From September to February this District gets the North East Monsoon rains. This District can be considered as the heart of Sri Lanka as it possesses sacred places which have great historical value. This district which enshrined evidences of live image in Sri Lankan culture will add many values to the nation even in the future.
