

## **ANNOUNCEMENT**

I wish to inform the Members of this august Assembly that the Disaster Management Center has requested to inform all Hon. Members of Parliament including the members representing the coastal districts that a Regional Tsunami Simulation Exercise is scheduled to be held on Wednesday, the 04<sup>th</sup> of October 2023 to evaluate the national to village-level Tsunami early warning dissemination mechanisms established in Sri Lanka by the Disaster Management Center and to test the preparedness level of coastal communities and school children in Trincomalee, Galle and Matara districts.
