### **TRADE IN GOODS**

#### **Article 2.1: Scope**

Except as otherwise provided in this Agreement, this Chapter applies to trade in goods between the Parties.

#### **Article 2.2: National Treatment**

1. Each Party shall accord national treatment to the goods of the other Party in accordance with Article III of GATT 1994, including its Notes and Supplementary Provisions. To this end, the obligations contained in Article III of GATT 1994 and its Notes and Supplementary Provisions are incorporated into and made part of this Agreement, *mutatis mutandis*.

2. For greater certainty, the treatment to be accorded by a Party under paragraph 1 means, with respect to a regional level of government, treatment no less favourable than the most favourable treatment that the regional level of government accords to any like, directly competitive, or substitutable goods, as the case may be, of the Party of which it forms a part.

#### **Article 2.3: Customs Value**

The Parties shall determine the customs value of goods in accordance with the provisions of Article VII of GATT 1994 and the Customs Valuation Agreement.

#### **Article 2.4: Reduction or Elimination of Customs Duties**

1. The provisions of this Chapter concerning the reduction or elimination of customs duties on imports shall apply to goods originating in the territory of the Parties.

2. Except as otherwise provided in this Agreement, each Party shall reduce or eliminate its customs duties on imported goods originating in the other Party in accordance with its Schedule of Tariff Commitments in Annex 2A (Schedule of Tariff Commitments – Thailand) or Annex 2B (Schedule of Tariff Commitments – Sri Lanka).

3. Reduction or elimination shall occur upon entry into force of the Agreement and thereafter on 1 January of each calendar year, as provided for in each Party's Schedule.

4. The base rate of customs duties on imports to which the successive reductions or eliminations are to be applied under paragraph 2 shall be that specified in the Schedules of Tariff Commitments in Annex 2A (Schedule of Tariff Commitments – Thailand) and Annex 2B (Schedule of Tariff Commitments – Sri Lanka).

5. At the time of importation, where the most-favoured-nation (“MFN”) applied rate is lower than the rate of customs duty provided for in the Schedules of Tariff Commitments in Annex 2A (Schedule of Tariff Commitments – Thailand) and Annex 2B (Schedule of Tariff Commitments – Sri Lanka), originating goods of the Parties shall be eligible for the MFN applied rate of customs duty for those goods. If an importer did not make a claim for the lower rate of customs duty at the time of importation, such importer may apply for a refund of the difference as per the provisions of domestic laws and regulations.

#### **Article 2.5: Standstill Clause**

1. Except as provided in the Schedules of Tariff Commitments in Annex 2A (Schedule of Tariff Commitments – Thailand) and Annex 2B (Schedule of Tariff Commitments – Sri Lanka) or in any other provisions of this Agreement, each Party shall not increase an existing customs duty or introduce a new customs duty on the importation of a good originating in the other Party. This shall not preclude either Party from raising a customs duty to the level established in its Schedule of Tariff Commitments in Annex 2A (Schedule of Tariff Commitments – Thailand) or Annex 2B (Schedule of Tariff Commitments – Sri Lanka) following a unilateral reduction of customs duties on originating goods of the other Party set out in its Schedule.

2. Paragraph 1 shall not apply to the goods of a Party, which are in the Exclusion List of that Party’s Schedule of Tariff Commitments in Annex 2A (Schedule of Tariff Commitments – Thailand) or Annex 2B (Schedule of Tariff Commitments – Sri Lanka), unless otherwise provided in the same Schedule.

#### **Article 2.6: Accelerated Tariff Elimination**

1. Three years after the date of entry into force of this Agreement or on the request of either Party, the Parties shall consult to consider accelerating the elimination of customs duties on originating goods as set out in their Schedules of Tariff Commitments in Annex 2A (Schedule of Tariff Commitments – Thailand) and Annex 2B (Schedule of Tariff Commitments – Sri Lanka).

2. If the Parties agree to accelerate the reduction or elimination of customs duties on originating goods, which shall supersede any rates of customs duties specified in their respective Schedules of Tariff Commitments in Annex 2A (Schedule of Tariff Commitments – Thailand) and Annex 2B (Schedule of Tariff Commitments – Sri Lanka) for such goods, such agreement shall be treated as an amendment to the Schedules of Tariff Commitments in Annex 2A (Schedule of Tariff Commitments – Thailand) and Annex 2B (Schedule of Tariff Commitments – Sri Lanka), and shall enter into force in accordance with Article 14.9 (Amendments).

3. A Party may at any time accelerate unilaterally the elimination of customs duties on originating goods of the other Party set out in its Schedule. A Party considering doing so shall inform the other Party as early as practicable.

**Article 2.7: Classification of Goods**

The classification of goods in trade between the Parties shall be set out in each Party's respective tariff nomenclature in conformity with the Harmonized System, as may be amended.

**Article 2.8: HS Transposition of Schedules of Tariff Commitments**

1. Each Party shall ensure that the HS transposition of its Schedule of Tariff Commitments in Annex 2A (Schedule of Tariff Commitments – Thailand) or Annex 2B (Schedule of Tariff Commitments – Sri Lanka), undertaken following the periodic amendments to the Harmonized System, is carried out without impairing existing tariff concessions granted under this Agreement.
2. Each Party shall provide its Schedule of Tariff Commitments as per the nomenclature of the revised HS and a two-way correlation table setting out national tariff line level in a timely manner after completion of the HS transposition.
3. In case the Parties agree that there is any HS transposition error in the Schedules of Tariff Commitments, such error shall be rectified by the relevant Party.
4. Each Party shall make publicly available its transposed Schedule of Tariff Commitments in the nomenclature of the revised HS in a timely manner.

**Article 2.9: Administrative Fees and Formalities**

1. Each Party shall ensure, in accordance with paragraph 1 of Article VIII of GATT 1994, that all fees and charges of whatever character (other than import and export duties and other than taxes within the purview of Article III of GATT 1994) imposed on or in connection with importation or exportation shall be limited in amount to the approximate cost of services rendered and shall not represent an indirect protection to domestic products or a taxation of imports or exports for fiscal purposes.
2. Each Party shall ensure that the fees and charges are imposed in accordance with paragraphs 1 and 2 of Article 6 of the Trade Facilitation Agreement. The obligation set out in this paragraph shall be implemented pursuant to the transitional arrangements that each Party has provided for under the Trade Facilitation Agreement. Notwithstanding the above, each Party shall fully implement the obligation in this paragraph no later than 30 June 2024 or within the extended period as notified by that Party and approved by the WTO.
3. Each Party shall promptly publish in an officially designated medium details of the fees and charges that it imposes on or in connection with importation or exportation of goods and shall make such information available on the internet.

### **Article 2.10: Non-Tariff Measures**

1. Each Party shall not introduce or maintain any non-tariff measures on the importation of any goods of the other Party or on the exportation or sale for export of any goods destined for the other Party, except in accordance with its WTO rights and obligations, including those set out in Article XI of GATT 1994, and other provisions of this Agreement. To this end, Article XI of GATT 1994 and its Notes and Supplementary Provisions are incorporated into and made part of this Agreement, *mutatis mutandis*.
2. Each Party shall ensure the transparency of its non-tariff measures permitted in paragraph 1 and shall ensure that any such measures are not prepared, adopted or applied with a view to or with the effect of creating unnecessary obstacles to trade between Parties.
3. The Parties understand that the rights and obligations under GATT 1994, as incorporated into and made part of this Agreement, *mutatis mutandis*, pursuant to paragraph 1, prohibit a Party from adopting or maintaining:
  - (a) export and import price requirements, except as permitted in enforcement of countervailing and antidumping orders and undertakings;
  - (b) voluntary export restraints, inconsistent with Article VI of GATT 1994, as implemented under Article 18 of the SCM Agreement and paragraph 1 of Article 8 of the Anti-Dumping Agreement.
4. The Parties recognise the treatments under the WTO of a net food-importing developing country for the purpose of food security under this Agreement.<sup>1</sup>

### **Article 2.11: Import Licensing Procedures**

1. The Parties affirm their existing rights and obligations under the Import Licensing Agreement.
2. The Parties shall introduce and administer any import licensing procedures in accordance with:
  - (a) paragraphs 1 through 9 of Article 1 of the Import Licensing Agreement;
  - (b) Article 2 of the Import Licensing Agreement; and
  - (c) Article 3 of the Import Licensing Agreement.

To this end, the provisions referred to in subparagraphs (a) through (c) are incorporated into and made part of this Agreement, *mutatis mutandis*.

3. The Parties shall ensure that all importing licensing procedures are neutral in application and administered in a fair, equitable, non-discriminatory, and transparent manner.

---

<sup>1</sup> A net food-importing country is any developing country Member of the WTO which was a net importer of basic foodstuffs in any three years of the most recent five-year period for which data are available and which notifies the Committee on Agriculture of the WTO of its decision to be listed as a Net Food-Importing Developing Country for the purposes of the Decision on Measures Concerning the Possible Negative Effects of the Reform Programme on Least-Developed and Net Food-Importing Developing Countries.

4. Each Party shall respond within 30 days after the date of receipt of an enquiry from the other Party regarding:

- (a) any licensing procedures which the Party has adopted or maintained; or
- (b) the criteria for granting or allocating import licenses.

For greater clarity, the enquiry and response shall be made through the contact points designated pursuant to subparagraph 3(f) of Article 2.15 (Committee on Trade in Goods).

#### **Article 2.12: State Trading Enterprises**

1. The Parties affirm their existing rights and obligations under Article XVII of GATT 1994, its Notes and Supplementary Provisions, which are incorporated into and made part of this Agreement, *mutatis mutandis*.
2. The Parties shall be exempted from the obligations stated in subparagraph 4(c) of Article XVII of GATT 1994 with regard to food imported or purchased for non-commercial humanitarian purposes.

#### **Article 2.13: Modification and Withdrawal of Concessions**

1. A Party may, by mutual agreement with the other Party, modify or withdraw a concession contained in its Annex 2A (Schedule of Tariff Commitments – Thailand) or Annex 2B (Schedule of Tariff Commitments – Sri Lanka). Such mutual agreement shall include provisions for compensatory adjustment with respect to other goods. The Party modifying or withdrawing any concession provided in Annex 2A (Schedule of Tariff Commitments – Thailand) or Annex 2B (Schedule of Tariff Commitments – Sri Lanka) shall maintain a level of reciprocal and mutually advantageous concessions not less favorable to trade than that provided for in this Agreement prior to such agreement.
2. The modification or withdrawal of concessions shall be treated as an amendment to Annex 2A (Schedule of Tariff Commitments – Thailand) or Annex 2B (Schedule of Tariff Commitments – Sri Lanka) and shall enter into force in accordance with Article 14.9 (Amendments).

#### **Article 2.14: Restrictions to Safeguard the Balance of Payments**

1. The Parties shall endeavor to avoid the imposition of restrictive measures for balance of payments purposes.
2. Any measures taken for balance-of-payments purposes shall be in accordance with Article XII of GATT 1994, Section B of Article XVIII of GATT 1994, and the Understanding on the Balance-of-Payments Provisions, which are incorporated into and made part of this Agreement, *mutatis mutandis*.

3. Nothing in this Chapter shall be regarded as altering the rights enjoyed and obligations undertaken by a Party under the Articles of Agreement of the International Monetary Fund, as may be amended.
4. Any Party maintaining or having adopted measures to safeguard the balance of payments, or any changes thereto, shall promptly notify the other Party.

**Article 2.15: Committee on Trade in Goods**

1. The Parties hereby establish a Committee on Trade in Goods, comprising representatives of the Parties.
2. The Committee shall meet at least once a year or on the request of either Party to consider any matter arising under this Chapter.
3. The functions of the Committee shall be to:
  - (a) review and monitor<sup>2</sup> the implementation and operation of this Chapter;
  - (b) establish any sub-committee or working group, as and when necessary;
  - (c) receive reports from, and review the work of all sub-committees and working groups related to trade in goods established pursuant to subparagraph (b);
  - (d) identify and recommend measures to promote and facilitate improved market access;
  - (e) address barriers to trade in goods between the Parties, especially those related to the application of non-tariff measures, and, if appropriate, refer such matters to the Commission for its consideration;

  - (g) report the findings and the outcome of discussions to the Commission; and
  - (h) carry out other functions as may be delegated by the Commission in accordance with Article 14.2 (Duties of the Commission) of Chapter 14 (Institutional and Final Provisions).

---

<sup>2</sup> For greater clarity, the monitoring of the implementation and operation of this Chapter includes the exchange of annual import data between the Parties on the basis of preferential market access and MFN market access of the respective Parties.

(c) **CIF** means the value of the good imported and includes the cost of insurance and freight up to the port or place of entry in the country of importation. The valuation shall be made in accordance with Article VII of GATT 1994;

(d) **classified** refers to the classification of a good or material under a particular chapter, heading, or sub-heading of the HS;

(e) **competent authority** means the authority that, according to the legislation of each Party, is responsible for the issuance of the certificate of origin and may designate the issuance of the certificate of origin to other entities or bodies. In the case of Sri Lanka, the competent authority is the Department of Commerce or any other Authority acting on behalf of the Ministry of Trade. In the case of Thailand, the competent authority is the Ministry of Commerce or any other Authority acting on behalf of the Ministry;

(g) **exporter** means a natural or juridical person located in the territory of a Party, where a good is exported from, by such a person;

(h) **FOB** means the free-on-board value of the good, inclusive of the cost of transport to the port or site of final shipment abroad. The valuation shall be made in accordance with Article VII of GATT 1994 and the Agreement on the Implementation of Article VII of GATT 1994;

(i) **fungible materials** means materials that are of the same kind and commercial quality, with the same technical and physical characteristics, and which cannot be distinguished from one another once they are incorporated into the finished goods;

(j) **Generally Accepted Accounting Principles** means those principles recognised by consensus or with substantial authoritative support in the territory of a Party with respect to the recording of revenues, expenses, costs, assets, and liabilities; the disclosure of information; and the preparation of financial statements. (p) **production** means methods of obtaining goods including, but not limited to, growing, raising, mining, harvesting, fishing, farming, trapping, hunting, capturing, aquaculture, gathering, collecting, breeding, extracting, manufacturing, processing or assembling a good.

2. For the purposes of this Article, where the last working or processing has been subcontracted to a manufacturer, the term “manufacturer” may refer to the enterprise that has employed the subcontractor.

### **Article 3.2: Origin Criteria**

Except as otherwise provided for in this Chapter, a good shall qualify as an originating good of a Party where:

(a) the good is wholly obtained or produced entirely in the Party, as provided in Article 3.3 (Wholly Obtained or Produced Goods);

(b) the good is produced entirely in the Party exclusively from originating materials of the Parties; or

(c) the good is produced from non-originating materials in the Party, provided that the good has satisfied the requirements set out in Article 3.4 (Goods not Wholly Produced or Obtained).

Additionally, the good shall meet all applicable requirements of this Chapter.

### **Article 3.3: Wholly Obtained or Produced Goods**

The following goods shall be considered as wholly obtained or produced entirely in the territory of a Party:

- (a) plants, plant goods, and vegetable goods grown and harvested there;
- (b) live animals born and raised there;
- (c) goods obtained from live animals referred to in subparagraph (b);
- (d) goods obtained from hunting, trapping, fishing, farming, aquaculture, gathering or capturing conducted there;
- (e) goods from slaughtered animals born and raised there;
- (f) mineral products extracted from its soil or seabed;
- (g) goods of sea-fishing and other marine life taken by vessels of that Party<sup>1</sup>, and other goods taken by that Party or a person of that Party, from the waters, seabed, or subsoil beneath the seabed outside the territorial sea of the Parties and non-Parties, in accordance with international law, provided that, in case of goods of sea-fishing and other marine life taken from the exclusive economic zone of any Party or non-Party, that Party or person of that Party has the rights to exploit<sup>2</sup> such exclusive economic zone, and in case of other goods, that Party or person of that Party has rights to exploit such seabed and subsoil beneath the seabed, in accordance with international law;
- (h) goods of sea-fishing and other marine life taken by vessels of that Party from the high seas in accordance with international law;
- (i) goods processed or made on board any factory ships of that Party<sup>3</sup>, exclusively from the goods referred to in subparagraph (g) or (h);
- (j) waste or scrap derived from:

---

<sup>1</sup> For the purposes of this Article, “factory ships of that Party” or “vessels of that Party” respectively, means factory ships or vessels:

(a) which are registered in that Party; and

(b) which are entitled to fly the flag of that Party.

(c) which are owned to an extent of at least 50 per cent by nationals of the Party, or by a juridical person with its head office in the Party, of which the representatives, chairman of the board of directors, and the majority of the members of such board are nationals of the Party, and of which at least 50 per cent of the equity interest is owned by nationals or juridical persons of the Party; and

(d) of which at least 75 per cent of the total of the master, officers and crew are nationals of the Party.

<sup>2</sup> For the purposes of determining the origin of goods of sea-fishing and other marine life, “rights to exploit” in this subparagraph include those rights of access to the fisheries resources of a coastal State, as accruing from any agreements or arrangements between a Party and the coastal State.

<sup>3</sup> See *supra* note 1.

- (i) production carried out there, or
- (ii) used goods collected or salvaged there, provided that the waste or scrap is fit only for the recovery of raw materials; and
- (k) goods produced or obtained there exclusively from goods referred to in subparagraph (a) through (j) or from their derivatives.

**Article 3.4: Goods not Wholly Produced or Obtained**

1. For the purposes of subparagraph (c) of Article 3.2 (Origin Criteria), except for those goods covered under paragraph 2, a good shall be treated as an originating good:

(a) if the goods have a qualifying value content of not less than 40 per cent calculated using the formula set out in Article 3.5 (Qualifying Value Content (QVC)); or

(b) if all non-originating materials used in the production of the goods have undergone a change in tariff classification (hereinafter referred to as “CTC”) at four-digit level (i.e. a change in tariff heading) of the HS.

2. Notwithstanding paragraph 1, goods listed in Annex 3B (Product Specific Rules) shall qualify as originating goods if the goods satisfy the product specific rules set out therein.

**Article 3.5: Qualifying Value Content (QVC)**

1. The QVC of a good shall be calculated as follows:

$$QVC = \frac{FOB - VNM}{FOB} \times 100$$

Where:

- (a) “QVC” is the qualifying value content of the good, expressed as a percentage;
  - (b) “FOB” is the FOB value as defined in subparagraph (h) of Article 3.1 (Definitions); and
  - (c) “VNM” is the materials, which do not qualify as originating in any Party within the meaning of Article 3.2 (Origin Criteria) and the materials of undetermined origin.
2. For the purposes of calculating the QVC provided in paragraph 1, VNM shall be:
- (a) the CIF value at the time of importation of the goods; or
  - (b) the earliest ascertained price paid for the goods of undetermined origin in the territory of the Party where the working or processing takes place.
3. All costs considered for the calculation of the QVC shall be recorded and maintained in conformity with the Generally Accepted Accounting Principles applicable in the territory of the Party where the good is produced.

**Article 3.6: Indirect Material/Neutral Elements**

Any indirect material used in the production of a good but not incorporated into the good shall be treated as an originating material, irrespective of whether it originates from a non-Party. Such indirect materials include:

- (a) fuel, energy, catalysts, and solvents;
- (b) equipment, devices, and supplies used for testing or inspection of the goods;
- (c) gloves, glasses, footwear, clothing, and safety equipment and supplies;
- (d) tools, dies, and moulds;
- (e) spare parts and materials used in the maintenance of equipment and buildings;
- (f) lubricants, greases, compounding materials, and other materials used in production or used to operate equipment and buildings; and
- (g) any other materials which are not incorporated into the good but whose use in the production of the good can reasonably be demonstrated to be a part of that production.

**Article 3.7: Minimal Operations and Processes that do not Confer Origin**

1. Without prejudice to paragraph 2, the following operations shall be considered as insufficient working or processing to confer the status of originating goods, whether or not the requirements set out in Article 3.4 (Goods not Wholly Produced or Obtained) are satisfied:

- (a) operations to ensure the preservation of goods in good condition during transport and storage;
- (b) sifting, classifying, washing, cutting, slitting, bending, coiling, uncoiling, sharpening, simple grinding, or slicing;
- (c) changes of packing, unpacking or repacking operations, and breaking up or assembly of consignments;
- (d) cleaning, including removal of dust, paint, oil or other coverings and simple removal of oxide;
- (e) simple painting and polishing operations;
- (f) testing or calibration;
- (g) placing in bottles, cans, flasks, bags, cases, boxes, fixing on cards or boards, and all other simple packaging operations;
- (h) simple mixing of goods, whether or not of different kinds, where one or more components of the mixture do not meet the conditions laid down in this Chapter to enable them to be considered as originating goods;
- (i) simple assembly of parts of articles to constitute a complete article or simple disassembly of goods into parts;

- (j) slaughtering<sup>4</sup> of animals;
- (k) affixing or printing marks, labels, logos, and other like distinguishing signs on goods or their packaging;
- (l) husking, partial or total bleaching, polishing, and glazing of cereals and rice;
- (m) mere making-up of sets of goods;
- (n) ironing or pressing of textiles and textile articles;
- (o) operations to colour sugar or form sugar lumps;
- (p) simple peeling, stoning, and shelling;
- (q) a combination of two or more of the operations specified in subparagraphs (a) through (p).

2. For the purposes of paragraph 1, operations shall be considered simple when neither special skills nor machines, apparatus, or tools especially produced or installed for those operations are required for their performance. However, simple mixing does not include chemical reaction. “Chemical reaction” means a process (including a bio-chemical process) which results in a molecule with a new structure by breaking intra molecular bonds and by forming new intra molecular bonds, or by altering the spatial arrangement of atoms in a molecule.

### **Article 3.8: Cumulation of Origin**

For the purposes of determining whether a good qualifies as an originating good of a Party, the originating materials from the territory of the Party within the meaning of Article 3.2 (Origin Criteria), incorporated in the production of a good in the territory of the other Party, shall be considered to originate in the territory of the other Party. The finished good to be exported shall comply with Article 3.4 (Goods not Wholly Produced or Obtained).

### **Article 3.9: *De Minimis***

1. A good that does not undergo a change in tariff classification shall be considered as originating if:

(a) the value of all non-originating materials used in its production that do not undergo the required change in tariff classification do not exceed 10 per cent of the FOB value of the good; and

(b) the good meets all other applicable criteria set forth in this Chapter for qualifying as originating goods.

2. The value of non-originating materials referred to in paragraph 1 shall, however, be included in the value of non-originating materials for any applicable QVC requirement for the good.

---

(c) **customs procedures** means the treatment applied by the customs authority of each Party to goods and means of transport that are subject to customs laws and regulations including customs control; and

(d) **Expedited Shipment** means all goods imported by or through an enterprise operating a consignment service for the expeditious cross-border movement of goods who assumes liability to the customs authority for those goods.

#### **Article 4.4: Pre-arrival Processing**

1. Each Party shall adopt or maintain procedures allowing for the submission of import documentation and other required information in order to begin processing prior to the arrival of goods with a view to expediting the release of goods upon arrival.
2. Each Party shall provide, as appropriate, for advance lodging of documents and other information referred to in paragraph 1, in electronic format for pre-arrival processing of such documents.

#### **Article 4.5: Advance Rulings**

1. Customs authorities of each Party shall, subject to its laws and regulations, issue a written advance ruling prior to the importation of goods into its territory upon written request of a person who intends to import in or export to its territory, on the basis of the facts and circumstances provided by the requester, including a detailed description of the information required to process a request for an advance ruling, concerning an application of an exporter, importer or any person with respect to:
  - (a) the tariff classification of goods;
  - (b) valuation method, the appropriate method or criteria, and the application thereof, to be used for determining the customs value under a particular set of facts; or
  - (c) whether goods qualify as originating goods under this Agreement.
2. The customs authorities shall issue advance rulings after receiving a written request, provided that the requester has submitted all necessary information. The issuance of advance ruling shall be made within 120 days.
3. Each Party shall provide advance rulings that shall be in force from their date of issuance, or such other date specified by the ruling, for the period of time, in accordance with its laws and regulations, provided that the facts or circumstances on which the ruling is based remain unchanged.

Each Party shall provide, in its laws and regulations, that any modification or revocation of an advance ruling shall be effective on the date on which the modification or revocation is issued, or on such later date as may be specified therein, and shall not be applied to importations of goods that have occurred prior to that date, unless the person to whom the advance ruling was issued has not acted in accordance with the terms and conditions of the advance ruling.
7. Where an importer claims that the treatment accorded to imported goods should be governed by an advance ruling, the customs authorities may evaluate whether the facts and circumstances of the importation are consistent with the facts and circumstances upon which an advance ruling was based.
8. Each Party shall make its advance rulings publicly available, subject to confidentiality requirements in its laws and regulations, for the purposes of promoting the consistent application of advance rulings to other goods.
9. If a requester provides false information or omits relevant circumstances or facts in its request for an advance ruling, or does not act in accordance with the ruling's terms and conditions, the importing Party may apply appropriate measures, including civil, criminal, and administrative actions, penalties, or other sanctions in accordance with its laws and regulations.
10. Where a Party modifies or revokes an advance ruling, it shall provide written notice to the requester setting out the relevant facts and the basis for its decision. 2. The duration of any provisional safeguard measure shall not exceed 200 days, during which period the Party applying that provisional measure shall comply with the requirements of subparagraph (d) of Article 7.8 (Conditions and Limitations on Imposition of a Bilateral Safeguard Measure). If the investigation referred to in subparagraph (d) of Article 7.8 (Conditions and Limitations on Imposition of a Bilateral Safeguard Measure) does not result in a finding that the requirements of Article 7.7 (Application of Bilateral Safeguard Measures) are met, the Party applying the provisional safeguard measure shall promptly refund any additional customs duties collected as a result of the provisional safeguard measure. For greater certainty, the duration of any provisional safeguard measure shall be counted as part of the total period prescribed by subparagraph (g)(ii) of Article 7.8 (Conditions and Limitations on Imposition of a Bilateral Safeguard Measure).

3. A Party shall deliver a written notice to the other Party prior to applying a provisional bilateral safeguard measure. Consultations shall be initiated immediately after the provisional bilateral safeguard measure is applied.

#### **Article 7.10: Compensation**

1. A Party proposing to apply or extend a bilateral safeguard measure shall, in consultation with the Party that would be affected by such a measure, provide mutually agreed, adequate means of trade compensation in the form of concessions having substantially equivalent trade effects or equivalent to the value of the additional customs duties expected to result from the measure. The Party applying a bilateral safeguard measure shall provide the Party that would be affected by such a measure with an opportunity to consult within 30 days after the date on which the bilateral safeguard measure was applied.

2. If the consultations referred to in paragraph 1 do not result in an agreement on trade compensation within 30 days after the commencement of such consultations, the Party against whose good the bilateral safeguard measure is applied may suspend the application of substantially equivalent concessions to the trade in goods of the Party applying the bilateral safeguard measure.

3. A Party against whose good a bilateral safeguard measure is applied shall deliver a written notice to the Party applying the bilateral safeguard measure at least 30 days before it suspends the application of concessions in accordance with paragraph 2.

4. The obligation to provide compensation under paragraph 1 and the right to suspend the application of concessions in accordance with paragraph 2 shall cease on the termination of the bilateral safeguard measure.

5. The right to suspend the application of concessions in accordance with paragraph 2 shall not be exercised for the first three years during which the bilateral safeguard measure is in effect, provided that the bilateral safeguard measure has been applied as a result of an absolute increase in imports and that it conforms to this Agreement.

**Article 7.11: Administration of Emergency Action Proceedings**

1. Each Party shall ensure the consistent, impartial and reasonable administration of its laws and regulations relating to bilateral safeguard measures.
2. Each Party shall entrust the determinations of serious injury or threat thereof in safeguard investigation proceedings to a competent investigating authority.
3. Each Party shall adopt or maintain equitable, timely, transparent, and effective procedures relating to bilateral safeguard measures.
4. Nothing in this Section shall require the Parties to disclose confidential information the disclosure of which would be prejudicial to public order, impede law enforcement or otherwise be contrary to the public interest or would prejudice the legitimate commercial interests of particular enterprises, public or private.
5. A written notice referred to in subparagraph (a) of Article 7.8 (Conditions and Limitations on Imposition of a Bilateral Safeguard Measure), paragraph 3 of Article 7.9 (Provisional Measures) and paragraph 3 of Article 7.10 (Compensation) shall be in English.

**Article 7.12: Non-Application of Dispute Settlement**

No Party shall have recourse to dispute settlement under Chapter 13 (Dispute Settlement) for any matter arising under Section I (Anti-Dumping and Countervailing Measures) and Section III (Global Safeguard Measures).

1. This Chapter applies to measures by a Party affecting trade in services.

2. This Chapter shall not apply to measures affecting:

  - (e) natural persons seeking access to the employment market of a Party; or
  - (f) citizenship, residence or employment on a permanent basis.
3. Nothing in this Chapter shall prevent a Party from applying measures to regulate the entry of natural persons of the other Party into, or their temporary stay in, its territory, including those measures necessary to protect the integrity of, and to ensure the orderly movement of natural persons across its borders, provided that such measures are not applied in such a manner as to nullify or impair the benefits accruing to the other Party under the terms of this Chapter. The sole fact of requiring a visa shall not be regarded as nullifying or impairing benefits under a specific commitment.
4. Unless they are specifically defined in this Chapter or in Annex 8A (Schedule of Specific Commitments – Thailand) or Annex 8B (Schedule of Specific Commitments – Sri Lanka), terms used in this Chapter and in the Annexes shall be construed in accordance with their meaning in GATS, *mutatis mutandis*.
5. Notwithstanding any other provision of this Chapter, a Party shall not be prevented from taking measures for prudential reasons, including for the protection of investors, depositors, policy holders or persons to whom a fiduciary duty is owed by a financial service supplier, or to ensure the integrity and stability of the financial system; or to ensure the stability of the exchange rate, including to prevent speculative capital flows subject to the following:
- (i) where such measures do not conform with the provisions of this Chapter, they shall not be used as a means of avoiding the Party's commitments or obligations under this Chapter.
  - (ii) for measures to ensure the stability of the exchange rate including to prevent speculative capital flows, such measures shall be no more than necessary, and phased out when conditions no longer justify their institution or maintenance.

### **Article 8.3: Market Access**

1. With respect to market access through the modes of supply defined in sub-paragraph (v) of Article 1 (Definitions), each Party shall accord services and service suppliers of the other Party treatment no less favourable than that provided for under the terms, limitations

and conditions agreed and specified in Annex 8A (Schedule of Specific Commitments – Thailand) or Annex 8B (Schedule of Specific Commitments – Sri Lanka)<sup>1</sup>.

2. In sectors where market access commitments are undertaken, the measures which a Party shall not maintain or adopt either on the basis of a regional subdivision or on the basis of its entire territory, unless otherwise specified in Annex 8A (Schedule of Specific Commitments – Thailand) or Annex 8B (Schedule of Specific Commitments – Sri Lanka), are:

(a) limitations on the number of service suppliers whether in the form of numerical quotas, monopolies, exclusive service suppliers or the requirements of an economic needs test;

(b) limitations on the total value of service transactions or assets in the form of numerical quotas or the requirement of an economic needs test;

(c) limitations on the total number of service operations or on the total quantity of service output expressed in terms of designated numerical units in the form of quotas or the requirement of an economic needs test;<sup>2</sup>

(d) limitations on the total number of natural persons that may be employed in a particular service sector or that a service supplier may employ and who are necessary for, and directly related to, the supply of a specific service in the form of numerical quotas or the requirement of an economic needs test;

(e) measures which restrict or require specific types of legal entity or joint venture through which a service supplier may supply a service; and

(f) limitations on the participation of foreign capital in terms of maximum percentage limit on foreign shareholding or the total value of individual or aggregate foreign investment.

#### **Article 8.4: National Treatment**

1. In the sectors inscribed in Annex 8A (Schedule of Specific Commitments – Thailand) or Annex 8B (Schedule of Specific Commitments – Sri Lanka), and subject to any conditions and qualifications set out therein, each Party shall accord to services and service suppliers of the other Party, in respect of all measures affecting the supply of services, treatment no less favourable than that it accords to its own like services and service suppliers.<sup>3</sup>

---

<sup>1</sup> If a Party undertakes a market-access commitment in relation to the supply of a service through the mode of supply referred to in sub-paragraph (v) (i) of Article 1 and if the cross-border movement of capital is an essential part of the service itself, that Party is thereby committed to allow such movement of capital. If a Party undertakes a market access commitment in relation to the supply of a service through the mode of supply referred to in subparagraph (v) (iii) of Article 1, it is thereby committed to allow related transfers of capital into its territory.

<sup>2</sup> This subparagraph does not cover measures of a Party which limit inputs for the supply of services.

<sup>3</sup> Specific commitments assumed under this Article shall not be construed to require any Member to compensate for any inherent competitive disadvantages which result from the foreign character of the relevant services or service suppliers.

2. A Party may meet the requirement of paragraph 1 by according to services and service suppliers of the other Party, either formally identical treatment or formally different treatment to that it accords to its own like services and service suppliers.
3. Formally identical or formally different treatment shall be considered to be less favourable if it modifies the conditions of competition in favour of services or service suppliers of a Party compared to like services or service suppliers of the other Party.

#### **Article 8.5: Additional Commitments**

The Parties may negotiate commitments with respect to measures affecting trade in services not subject to scheduling under Article 8.3 (Market Access) or Article 8.4 (National Treatment), including those regarding qualifications, standards or licensing matters. Such commitments shall be inscribed in a Party's Schedule.

#### **Article 8.6: Schedule of Specific Commitments**

1. Each Party shall set out in a Schedule the Specific Commitments it undertakes under Article 8.3 (Market Access), Article 8.4 (National Treatment) and Article 8.5 (Additional Commitments). With respect to sectors where such commitments are undertaken, each Schedule shall specify:
  - (a) terms, limitations and conditions on market access;
  - (b) conditions and qualifications on national treatment;
  - (c) undertakings relating to additional commitments;
  - (d) where appropriate, the time-frame for implementation of such commitments; and
  - (e) the date of entry into force of such commitments.
2. Measures inconsistent with both Article 8.3 (Market Access) and Article 8.4 (National Treatment) shall be inscribed in the column relating to Article 8.3 (Market Access). In this case, the inscription will be considered to provide a condition or qualification to Article 8.4 (National Treatment) as well.
3. The Schedules of Specific Commitments shall be annexed to this Chapter and shall form an integral part thereof.

#### **Article 8.7: Modification of Schedules**

1. A Party may modify or withdraw any commitment in its Schedule, at any time after three years have elapsed from the date on which that commitment entered into force, in accordance with the provisions of this Article. It shall notify the other Party of its intent to so modify or withdraw a commitment no later than three months before the intended date of implementation of the modification or withdrawal.

2. At the request of the other Party whose benefits under this Agreement may be affected by a proposed modification or withdrawal notified under paragraph 1, the modifying Party shall enter into negotiations with a view to reaching agreement on any necessary compensatory adjustment. In such negotiations and agreement, the Party concerned shall endeavour to maintain a general level of mutually advantageous commitments not less favourable to trade than that provided for in Schedules of Specific Commitments prior to such negotiations.
3. The Parties shall endeavour to conclude negotiations on such compensatory adjustment to mutual satisfaction within six months, failing which recourse may be had to the provisions of Chapter 13 (Dispute Settlement).

#### **Article 8.8: Domestic Regulation**

1. In sectors where specific commitments are undertaken, each Party shall ensure that all measures of general application affecting trade in services are administered in a reasonable, objective and impartial manner.
2. Each Party shall maintain or institute as soon as practicable judicial, arbitral or administrative tribunals or procedures which provide, at the request of an affected service supplier of the other Party, for the prompt review of, and where justified, appropriate remedies for, administrative decisions affecting trade in services. Where such procedures are not independent of the agency entrusted with the administrative decision concerned, the Party shall ensure that the procedures in fact provide for an objective and impartial review.
3. The provisions of paragraph 2 shall not be construed to require a Party to institute such tribunals or procedures where this would be inconsistent with its constitutional structure or the nature of its legal system.
4. Where authorisation is required for the supply of a service on which a specific commitment has been made, the competent authorities of a Party shall, within a reasonable period of time after the submission of an application considered complete under domestic laws and regulations, inform the applicant of the decision concerning the application. At the request of the applicant, the competent authorities of the Party shall provide, without undue delay, information concerning the status of the application.
5. With the objective of ensuring that measures relating to qualification requirements and procedures, technical standards and licensing requirements do not constitute an unnecessary barrier to trade in services, the Parties shall jointly review the results of the negotiations on disciplines on these measures, pursuant to paragraph 4 of Article VI of the GATS, with a view to their incorporation into this Chapter. The Parties note that such disciplines aim to ensure that such requirements are, *inter alia*:
  - (a) based on objective and transparent criteria, such as competence and the ability to supply the service;
  - (b) not more burdensome than necessary to ensure the quality of the service;

(c) in the case of licensing procedures, not in themselves a restriction on the supply of the service.

6. For sectors where a Party has undertaken specific commitments and subject to any terms, limitations, conditions or qualifications set out therein, pending the incorporation of disciplines pursuant to paragraph 5, a Party shall not apply licensing and qualification requirements and technical standards that nullify or impair such specific commitments in a manner which:

(a) does not comply with the criteria outlined in sub-paragraphs (a), (b) or (c) of paragraph 5; and

(b) could not reasonably have been expected of that Party at the time the specific commitments in those sectors were made.

7. In determining whether a Party is in conformity with the obligation under paragraph 6, account shall be taken of international standards of relevant international organisations<sup>4</sup> applied by that Party.

#### **Article 8.9: Recognition**

1. For the purposes of the fulfilment of its standards or criteria for the authorisation, licensing or certification of services suppliers, a Party may recognise the education or experience obtained, requirements met, or licenses or certifications granted in the other Party.

2. The Parties shall encourage their relevant competent bodies to enter into negotiations on recognition of professional qualifications, licenses, or registration procedures with a view to the achievement of early outcomes.

3. Any arrangement reached pursuant to paragraph 2 shall be consistent with this Agreement.

#### **Article 8.10: Monopolies and Exclusive Service Suppliers**

1. Each Party shall ensure that any monopoly supplier of a service in its territory does not, in the supply of the monopoly service in the relevant market, act in a manner inconsistent with that Party's obligations under Schedule of Specific Commitments.

2. Where a Party's monopoly supplier competes, either directly or through an affiliated company, in the supply of a service outside the scope of its monopoly rights and which is subject to that Party's Schedule of specific commitments, the Party shall ensure that such a supplier does not abuse its monopoly position to act in its territory in a manner inconsistent with such commitments.

3. If a Party has reason to believe that a monopoly supplier of a service of another Party is acting in a manner inconsistent with paragraphs 1 or 2, it may request the Party establishing,

---

<sup>4</sup> The term "relevant international organisations" refers to international bodies whose membership are open to the relevant bodies of the Parties.

maintaining or authorising such supplier to provide specific information concerning the relevant operations.

4. The provisions of this Article shall also apply to cases of exclusive service suppliers, where a Party, formally or in effect:

- (a) authorises or establishes a small number of service suppliers; and
- (b) substantially prevents competition among those suppliers in its territory.

#### **Article 8.11: Business Practices**

1. The Parties recognise that certain business practices of service suppliers, other than those falling under Article 10, may restrain competition and thereby restrict trade in services.

2. A Party shall, at the request of the other Party, enter into consultations with a view to eliminating practices referred to in paragraph 1. The Party addressed shall accord full and sympathetic consideration to such a request and shall cooperate through the supply of publicly available non-confidential information of relevance to the matter in question. The Party addressed shall also provide other information available to the requesting Party, subject to its domestic laws and regulations and to the conclusion of satisfactory agreement concerning the safeguarding of its confidentiality by the requesting Party.

#### **Article 8.12: Emergency Safeguard Measures**

1. The Parties note the multilateral negotiations pursuant to Article X of the GATS on the question of emergency safeguard measures based on the principle of non-discrimination. Upon the conclusion of such multilateral negotiations, the Parties shall conduct a review for the purpose of discussing appropriate amendments to this Agreement so as to incorporate the results of such multilateral negotiations.

2. In the event that the implementation of this Agreement causes substantial adverse impact to a service sector of a Party before the conclusion of the multilateral negotiations referred to in paragraph 1, the affected Party may request for consultations with the other Party for the purposes of discussing any measure with respect to the affected service sector. Any measure taken pursuant to this paragraph shall be mutually agreed by the Parties. The Parties shall take into account the circumstances of the particular case and give sympathetic consideration to the Party seeking to take a measure.

#### **Article 8.13: Payments and Transfers**

1. Except under the circumstances envisaged in Article 8.14 (Restrictions to Safeguard the Balance-of-Payments), a Party shall not apply restrictions on international transfers and payments for current transactions relating to its specific commitments.

2. Nothing in this Chapter shall affect the rights and obligations of the Parties as members of the International Monetary Fund under the Articles of Agreement of the International

Monetary Fund, including the use of exchange actions which are in conformity with the Articles of Agreement of the International Monetary Fund, provided that a Party shall not impose restrictions on any capital transactions inconsistently with its specific commitments regarding such transactions, except under Article 8.14 (Restrictions to Safeguard the Balance-of-Payments) or at the request of the International Monetary Fund.

#### **Article 8.14: Restrictions to Safeguard Balance of Payments**

1. In the event of serious balance-of-payments and external financial difficulties or threat thereof, a Party may adopt or maintain restrictions on trade in services, including on payments or transfers for transactions relating to such obligations. It is recognised that particular pressures on the balance-of-payments of a Party in the process of economic development may necessitate the use of restrictions to ensure, *inter alia*, the maintenance of a level of financial reserves adequate for the implementation of its programme of economic development.

2. The restrictions referred to in paragraph 1:

- (a) shall not discriminate among WTO Members;
- (b) shall be consistent with the *Articles of Agreement of the International Monetary Fund*;
- (c) shall avoid unnecessary damage to the commercial, economic and financial interests of the other Party;
- (d) shall not exceed those necessary to deal with the circumstances described in paragraph 1;
- (e) shall be temporary and be phased out progressively as the situation specified in paragraph 1 improves.

3. In determining the incidence of such restrictions, a Party may give priority to the supply of services which are more essential to its economic or development programmes. However, such restrictions shall not be adopted or maintained for the purpose of protecting a particular service sector.

4. Any restrictions adopted or maintained under paragraph 1, or any changes therein, shall be promptly notified to the other Party.

5. The Party adopting any restrictions in accordance with paragraph 1 shall commence consultations with the other Party promptly in order to review the restrictions adopted.

#### **Article 8.15: Transparency**

1. Each Party shall publish promptly and, except in emergency situations, at the latest by the time of their entry into force, all relevant measures of general application which pertain to or affect the operation of this Chapter. International agreements pertaining to or affecting trade in services to which a Party is a signatory shall also be published.

2. Where publication as referred to in paragraph 1 is not practicable, such information shall be made otherwise publicly available.
3. Each Party shall respond promptly to all requests by the other Party for specific information on any of its measures of general application or international agreements within the meaning of paragraph 1. Communication between the Parties in this regard shall be done through their designated contact points.

#### **Article 8.16: Disclosure of Confidential Information**

Nothing in this Chapter shall require any Party to provide confidential information, the disclosure of which would impede law enforcement, or otherwise be contrary to the public interest, or which would prejudice legitimate commercial interests of particular enterprises, public or private.

#### **Article 8.17: Denial of Benefits**

Subject to prior notification and prompt consultation, a Party may deny the benefits of this Chapter:

- (a) to the supply of any service, if it establishes that the service is supplied from or in the territory of a non-Party;
- (b) in the case of the supply of a maritime transport service, if it establishes that the service is supplied:
  - (i) by a vessel registered under the laws of a non-Party, and
  - (ii) by a person which operates and/or uses the vessel in whole or in part but which is of a non-Party;
- (c) to a service supplier, that is juridical person, if it establishes that it is not a service supplier of the other Party where the Party establishes that the service supplier is owned or controlled by persons of a non-Party and that it has no substantive business operations in the territory of a Party.

#### **Article 8.18: Contact Points**

Each Party shall designate one or more contact points to facilitate communication between the Parties on any matter covered by this Chapter, and shall provide details of such contact points to the other Party. The Parties shall notify each other promptly of any amendments to the details of their contact points.

**Article 8.19: Committee on Trade in Services**

1. The Parties hereby establish a Committee on Trade in Services that shall meet as mutually determined by the Parties or the Joint Committee to consider any matter arising under this Chapter.
2. The Committee's functions shall include:
  - (a) reviewing the implementation and operation of this Chapter,
  - (b) exchanging information and recommendation of measures to promote increased trade in services between the Parties; and
  - (c) considering and discussing any issues related to this Chapter

**Article 8.20: Miscellaneous Provisions**

The GATS Annexes, namely, Annex on Movement of the Natural Persons Supplying Services under the Agreement, Annex on Air Transport Services, Annex on Financial Services, and Annex on Telecommunications, shall apply to this Chapter, *mutatis mutandis*.

## CHAPTER 9 INVESTMENT

### Article 9.1: Definitions

For the purposes of this Chapter:

(a) **covered investment** means, with respect to a Party, an investment in its territory of an investor of the other Party in existence as of the date of entry into force of this Agreement or established, acquired, expanded or operated thereafter, which has been admitted and, where applicable, specifically approved in writing for protection by the competent authorities of the host Party, in accordance with its laws, regulations, and policies;

(b) **freely usable currencies** means a freely usable currency as determined by the International Monetary Fund (IMF) under its Articles of Agreement and any amendments thereto, or any currency that is used to make international payments and is widely traded in international principal exchange markets;

(c) **investments** means every kind of asset that an investor owns or controls, which has the characteristics of an investment,<sup>1</sup> such as the commitment of capital or other resources, the expectation of gains or profits, or the assumption of risk. The forms that an investment may take include in particular:

- (i) a juridical person;
- (ii) movable and immovable property, and any other property rights, such as leases, mortgages, liens, and pledges;<sup>2</sup>
- (iii) shares, stocks, and any other form of equity participation, excluding beneficial ownership, of a juridical person and rights derived therefrom;
- (iv) bonds and debentures of a juridical person and rights derived therefrom;
- (v) returns reinvested;
- (vi) claims to money and to any other rights to contractual performance having a financial value related to investment;<sup>3</sup>
- (vii) intellectual property rights which are recognised pursuant to the laws and regulations of the host Party;

---

<sup>1</sup> Where an asset lacks the characteristics of an investment, that asset is not an investment regardless of the form it may take.

<sup>2</sup> For greater certainty, market share, access to market, expected gains, and opportunities for profit making are not, by themselves, investments.

<sup>3</sup> For greater certainty, the term “investment” does not include claims to money that arise solely from:  
(a) commercial contracts for the sale of goods or services by a natural person or juridical person in the territory of a Party to a natural person or juridical person in the territory of the other Party; or  
(b) the extension of credit in connection with a commercial transaction, such as trade financing.

(viii) rights under contracts, including construction, management, production, or revenue-sharing contracts; and

(ix) rights conferred pursuant to the laws and regulations of the host Party or contracts, such as concessions, licences, authorisations, and permits.

The term “investment” does not include an order or judgment, sought or entered in any judicial, administrative, or arbitral proceeding, including an arbitral award.

For the purposes of the definition of investment in this subparagraph, returns that are invested shall be treated as investments and any alteration of the form in which assets are invested or reinvested shall not affect their character as investments;

(d) **investor of a Party** means a natural person of a Party,<sup>4</sup> or a juridical person of a Party recognised as a legal entity by the law of the other Party, that seeks to make,<sup>5</sup> is making an investment or has made a covered investment in the territory of the other Party;

(e) **juridical person** means any entity constituted or organised under the applicable law of the host Party;<sup>6, 7, 8</sup>

(f) **juridical person of a Party** means a juridical person constituted or otherwise organised under the laws and regulations of that Party and is engaged in substantive business operations in that Party;

(g) **measure** means any measure taken by a Party, whether in the form of a law, regulation, rule, procedure, decision or administrative action, and includes measures taken by:

(i) central, regional or local governments and authorities; and

(ii) non-governmental bodies in the exercise of powers delegated by central, regional or local governments or authorities;

(h) **natural person of a Party** means any natural person possessing the nationality or citizenship of that Party in accordance with its laws and regulations; and

(i) **return** means an amount yielded by or derived from an investment, including profits, dividends, interest, capital gains, royalty payments, payments in connection with intellectual property rights, and all other lawful income.

---

<sup>4</sup> Natural persons who hold two or more nationalities shall be deemed to be exclusively nationals of the State of their dominant and effective nationality.

<sup>5</sup> For greater certainty, the Parties understand that an investor that “seeks to make” an investment refers to an investor of the other Party that has taken active steps to make an investment. Where a notification or approval process is required for making an investment, an investor that “seeks to make” an investment refers to an investor of the other Party that has initiated such notification or approval process.

<sup>6</sup> For greater certainty, a branch of a juridical person does not have any right to make any claim against any Party under this Agreement.

<sup>7</sup> For greater certainty, the inclusion of a “branch” in the definition of “juridical person” is without prejudice to a Party’s ability to treat a branch under its law as an entity that has no independent legal existence and is not separately organised.

<sup>8</sup> A branch of a legal entity of a non-Party shall not be considered as a juridical person of a Party.

## Article 9.2: Scope and Coverage

1. This Chapter shall apply to measures adopted or maintained by a Party relating to:
  - (a) investors of the other Party; and
  - (b) covered investments.
2. Nothing in this Chapter shall impose any obligation on either Party regarding measures pursuant to immigration laws and regulations.
3. This Chapter shall not apply to:
  - (a) government procurement;
  - (b) subsidies or grants provided by a Party, including government supported loans, guarantees, insurance, and any conditions attached to the receipt or continued receipt of such subsidies or grants;
  - (c) services supplied in the exercise of governmental authority;
  - (d) any taxation measure, except as provided for in Article 9.11 (Expropriation and Compensation) and Article 9.12 (Transfers); and
  - (e) any measure adopted or maintained by a Party to the extent that it is covered by Chapter 8 (Trade in Services).
4. Notwithstanding subparagraph 3(e), Article 9.5 (Treatment of Investment), Article 9.6 (Compensation for Losses), Article 9.11 (Expropriation and Compensation), Article 9.12 (Transfers), Article 9.13 (Subrogation), and Article 9.24 (Settlement of Investment Disputes between a Party and an Investor of the other Party) shall apply, *mutatis mutandis*, to any measure affecting the supply of a service by a service supplier of a Party through commercial presence in the territory of the other Party covered by Chapter 8 (Trade in Services), but only to the extent that any such measure relates to a covered investment and an obligation under this Chapter, regardless of whether such a service sector is scheduled in the Party's Schedule of Specific Commitments in Annex 8A (Schedule of Specific Commitments – Thailand) or Annex 8B (Schedule of Specific Commitments – Sri Lanka).
5. For the purposes of liberalisation, this Chapter shall apply to investments, subject to Article 9.9 (Reservations and Non-conforming Measures), in the non-service sectors.
6. Notwithstanding any other provisions of this Agreement, a Party shall not be prevented from taking measures for prudential reasons, including for the protection of investors, depositors, policy holders or persons to whom a fiduciary duty is owed by a financial service supplier, or to ensure the integrity and stability of the financial system or to ensure the stability of the exchange rate, including to prevent speculative capital flow. Where such measures are taken, they shall not be used as a means of avoiding the Party's commitments or obligations under this Agreement.
7. For greater certainty, the provisions of this Chapter do not impose any obligation on either Party in relation to any act or fact that took place, or any situation that ceased to exist, before the date of entry into force of this Agreement.

### **Article 9.3: National Treatment**

1. Each Party shall accord to investors of the other Party, and to covered investments, treatment no less favourable than that it accords, in like circumstances, to its own investors and their investments with respect to the establishment, acquisition, expansion, management, conduct, operation, and sale or other disposition of investments.
2. For greater certainty, whether treatment is accorded in “like circumstances” depends on the totality of the circumstances, including whether the relevant treatment distinguishes between investments of investors on the basis of legitimate public welfare objectives.

### **Article 9.4: Most-Favoured-Nation Treatment**

1. Each Party shall accord to investors of the other Party, treatment no less favourable than that it accords, in like circumstances, to investors of a non-Party with respect to the establishment, acquisition, expansion, management, conduct, operation, and sale or other disposition of investments in its territory.
2. Each Party shall accord to covered investments, treatment no less favourable than it accords, in like circumstances, to investments in its territory of investors of a non-Party with respect to the establishment, acquisition, expansion, management, conduct, operation, and sale or other disposition of investments.
3. For greater certainty, whether treatment is accorded in “like circumstances” depends on the totality of the circumstances, including whether the relevant treatment distinguishes between investors or investments on the basis of legitimate public welfare objectives.
4. The treatment, as set forth in paragraphs 1 and 2, shall not include:
  - (a) any preferential treatment accorded to investors or their investments under any existing bilateral, regional or international agreements, or any forms of economic or regional cooperation with any non-Party;
  - (b) in the case of Thailand, any measure that accords preferential treatment to ASEAN Member States under any agreements between all ASEAN Member States, in force or signed after the date of entry into force of this Agreement. For the avoidance of doubt, such agreements do not include agreements between ASEAN Member States and non-ASEAN Member States;
  - (c) in the case of Sri Lanka, any measure that accords preferential treatment to SAARC Member States under any agreements between all SAARC Member States, in force or signed after the date of entry into force of this Agreement. For the avoidance of doubt, such agreements do not include agreements between SAARC Member States and non-SAARC Member States;
5. For greater certainty, paragraphs 1 and 2 shall not be construed as granting to investors options or procedures for the settlement of disputes other than those set out in Article 9.24 (Settlement of Investment Disputes between a Party and an Investor of the other Party).

### **Article 9.5: Treatment of Investment**

1. Each Party shall accord to covered investments of nationals or juridical persons of the other Party, fair and equitable treatment and full protection and security in its territory. No Party shall in any way impair by unreasonable or discriminatory measures the management, maintenance, use, enjoyment or disposal of investments in its territory of nationals or juridical persons of other Party. Each Party shall observe any obligation it may have entered into with regard to investments of nationals or juridical persons of the other Party.

2. For greater certainty:

(a) “fair and equitable treatment” requires each Party not to deny justice in any legal, criminal, civil, administrative or adjudicatory proceedings in accordance with the principle of due process;

(b) “full protection and security” requires each Party to take such measures as may be reasonably necessary to ensure the physical protection and security of the covered investments; and

(c) the concepts of fair and equitable treatment and full protection and security in subparagraphs (a) and (b) do not require treatment in addition to or beyond that is required by the customary international law minimum standard of treatment of aliens,<sup>9</sup> and do not create additional substantive rights.

3. A determination that there has been a breach of another provision of this Agreement, or of a separate international agreement, does not establish that there has been a breach of this Article.

### **Article 9.6: Compensation for Losses**

1. Each Party shall accord to investors of the other Party, whose covered investments suffered losses due to war or other armed conflict, state of national emergency, civil strife or other similar events in its territory, treatment no less favourable than that it accords, in like circumstances, to its own investors or investors of a non-Party, relating to restitution, indemnification, compensation or other forms of settlement.

2. Notwithstanding paragraph 1, if an investor of a Party, in the situations referred to in paragraph 1, suffers a loss in the territory of the other Party resulting from:

(a) requisitioning of its investment or part thereof by the other Party’s forces or authorities; or

---

<sup>9</sup> Customary international law results from a general and consistent practice of States that they follow from a sense of legal obligation. With regard to this Article, the customary international law minimum standard of treatment of aliens refers to all customary international law principles that protect the economic rights and interests of aliens.

(b) destruction of its investment or part thereof by the other Party's forces or authorities, which was not required by the necessity of the situation, the other Party shall provide the investor restitution, compensation, or both, as appropriate, for such loss.

#### **Article 9.7: Performance Requirements**

The provisions of the WTO Agreement on Trade-related Investments Measures (TRIMs), which are not specifically mentioned in or modified by this Agreement shall apply, *mutatis mutandis*, to this Agreement.

#### **Article 9.8: Senior Management and Boards of Directors**

1. A Party shall not require that a juridical person of that Party that is a covered investment, appoint to a senior management position a natural person of any particular nationality.
2. A Party may require that a majority of the board of directors, or any committee thereof, of a juridical person of that Party that is a covered investment, be of a particular nationality or resident in the territory of that Party, provided that the requirement does not materially impair the ability of the investor of the other Party to exercise control over its investment.
3. For the avoidance of doubt, nothing in this Article shall be construed to limit a Party from exercising its rights as a shareholder.

#### **Article 9.9: Reservations and Non-Conforming Measures**

1. Article 9.3 (National Treatment), Article 9.4 (Most-Favoured-Nation Treatment), Article 9.7 (Performance Requirements), and Article 9.8 (Senior Management and Board of Directors), shall not apply to:

- (a) any existing non-conforming measure that is maintained by a Party at:
  - (i) the central level of government, as set out by that Party in List A of its Schedule in Annex 9A (Schedule of Reservations and Non-Conforming Measures for Investment - Thailand) or Annex 9B (Schedule of Reservations and Non-Conforming Measures for Investment – Sri Lanka);
  - (ii) a regional level of government, as set out by that Party in List A of its Schedule in Annex 9A (Schedule of Reservations and Non-Conforming Measures for Investment - Thailand) or Annex 9B (Schedule of Reservations and Non-Conforming Measures for Investment – Sri Lanka); or
  - (iii) a local level of government;
- (b) the continuation or prompt renewal of any non-conforming measure referred to in subparagraph (a); or

(c) an amendment to any non-conforming measure referred to in subparagraph (a) to the extent that the amendment does not decrease the conformity of the measure, at the date of entry into force of this Agreement, with Article 9.3 (National Treatment), Article 9.4 (Most-Favoured-Nation Treatment), Article 9.7 (Performance Requirements), and Article 9.8 (Senior Management and Board of Directors).

2. Article 9.3 (National Treatment), Article 9.4 (Most-Favoured-Nation Treatment), Article 9.7 (Performance Requirements), and Article 9.8 (Senior Management and Board of Directors) shall not apply to any measure that a Party adopts or maintains with respect to sectors, subsectors, or activities, as set out by that Party in List B of its Schedule in Annex 9A (Schedule of Reservations and Non-Conforming Measures for Investment - Thailand) or Annex 9B (Schedule of Reservations and Non-Conforming Measures for Investment – Sri Lanka).

3. (d) establish or designate an enquiry point where, upon request of any natural person or juridical person of the other Party, all information relating to the measures required to be published or made available under subparagraphs (b) and (c) may be promptly obtained.

2. Nothing in this Chapter shall require a Party to furnish or allow access to any confidential information, including information concerning particular investors or investments, the disclosure of which would impede law enforcement, or otherwise be contrary to the public interest, or which would prejudice legitimate commercial interests of particular juridical persons, public or private.

### **Article 9.11: Expropriation and Compensation**

1. A Party shall not nationalise or expropriate, either directly or through measures having effect equivalent to nationalisation or expropriation (hereinafter referred to as “expropriation”),<sup>10</sup> a covered investment of an investor of the other Party, unless such a measure is taken on a nondiscriminatory basis, for a public purpose in accordance with due process of law, and upon payment of compensation in accordance with this Article.

3. In the event of delay, the compensation shall include an appropriate interest in accordance with the laws and regulations of the Party making the expropriation. The compensation, including any accrued interest, shall be payable either in the currency in which the investment was originally made or, if requested by the investor, in a freely usable currency.

4. If an investor requests payment in a freely useable currency, the compensation referred to in paragraphs 2 and 3 shall be converted into the currency of payment at the market rate of exchange prevailing on the date of payment.

5. This Article does not apply to the issuance of compulsory licenses granted in relation to intellectual property rights or to the revocation, limitation, or creation of intellectual property rights, to the extent that such issuance, revocation, limitation, or creation is consistent with Chapter 10 (Intellectual Property) and the TRIPS Agreement.<sup>12</sup>

---

<sup>10</sup> For the avoidance of doubt, any measure of expropriation relating to land shall be as defined in the Party’s respective existing domestic laws and regulations and any amendments thereto, and shall be for the purpose and upon payment of compensation in accordance with the aforesaid laws and regulations

<sup>11</sup> Parties understand that there may be legal and administrative processes that need to be observed before payment can be made.

<sup>12</sup> For greater certainty, the Parties recognise that, for the purposes of this Article, the term “revocation” of intellectual property rights includes the cancellation or nullification of such rights, and the term “limitation” of intellectual property rights includes exceptions to such rights.

#### **Article 9.13: Subrogation**

1. If a Party or its designated agency makes a payment to an investor of that Party under a guarantee, a contract of insurance or other form of indemnity that it has granted on non-commercial risk in respect of a covered investment, the other Party shall recognise the subrogation or transfer of any right or claim in respect of such investment. The subrogated or transferred right or claim shall not be greater than the original right or claim of the investor.
2. Where a Party or its designated agency has made a payment to an investor of that Party and has taken over rights and claims of the investor, that investor shall not, unless authorised to act on behalf of the Party or its designated agency making the payment, pursue those rights and claims against the other Party.
3. In the exercise of subrogated rights or claims, a Party or its designated agency exercising such rights or claims shall disclose the coverage of the claims arrangement with its investors to the other Party.

#### **Article 9.14: Denial of Benefits**

1. A Party may deny the benefits of this Chapter to an investor of the other Party and to the investor's covered investments if the investor is a juridical person owned or controlled by a person of a non-Party or of the denying Party, and such juridical person has no substantive business operations in the territory of the other Party.
2. The denying Party shall, to the extent practicable, notify the other Party before denying the benefits. If the denying Party provides such notice, it shall consult with the other Party at the request of the other Party.

### **Article 9.17: Special Formalities and Treatment of Information**

1. Nothing in Article 9.4 (National Treatment) shall be construed to prevent a Party from adopting or maintaining a measure that prescribes special formalities in connection with covered investments, such as a requirement that covered investments be legally constituted under its laws or regulations, provided that such formalities do not materially impair the protections afforded by that Party to investors of the other Party and investments pursuant to this Chapter.

2. Notwithstanding Article 9.4 (National Treatment) and Article 9.5 (Most-Favoured Nation Treatment), a Party may require an investor of the other Party or its covered investment, to provide information concerning that investment solely for informational or statistical purposes. 2. Such restrictions shall be applied on a non-discriminatory basis such that the other Party is treated no less favourably than any non-Party and be applied in good faith so as to avoid unnecessary damage to the commercial, economic, and financial interests of the other Party.

3. The duration of the restrictions stipulated in paragraph 1 shall not exceed those necessary to deal with the circumstances described in paragraph 1, provided that such restrictions are consistent with the IMF Articles of Agreement.
4. Such restrictions shall be temporary and be phased out progressively as the situation specified in paragraph 1 improves.
5. Where such restrictions are adopted or maintained, they shall not be used as a means of avoiding the Party's commitments or obligations under this Chapter or under the IMF Articles of Agreement.

#### **Article 9.19: General Exceptions**

Subject to the requirement that such measures are not applied in a manner which would constitute a means of arbitrary or unjustifiable discrimination between the Parties or their investors where like conditions prevail, or a disguised restriction on investors or investments made by investors of the other Party, nothing in this Chapter shall be construed to prevent the adoption or enforcement by any Party of measures:

- (a) necessary to protect public morals or to maintain public order;<sup>13</sup>

37. The non-disputing Party shall be entitled, at its cost, to receive from the disputing Party a copy of the notice of arbitration, no later than 30 days after the date that such document has

39. The tribunal shall, on its own account or at the request of a disputing party, request a joint interpretation of any provision of this Agreement that is at issue in a dispute. The Parties shall submit in writing any joint decision declaring their interpretation to the tribunal within 60 days after the delivery of the request. Without prejudice to paragraph 40, if the Parties fail to issue such a decision within 60 days, any interpretation submitted by a Party shall be forwarded to the disputing parties and the tribunal, which shall decide on the issue on its own account.

40. A joint decision of the Parties declaring their interpretation of a provision of this Agreement shall be binding on a tribunal, and any decision or award issued by a tribunal must be consistent with that joint decision.

43. A tribunal may not award punitive damages.

44. An award made by a tribunal shall be final and binding upon the disputing parties. An award shall have no binding force except between the disputing parties and in respect of the particular case.

45. Subject to paragraph 46 and the applicable review procedure for an interim award, a disputing party shall abide by and comply with an award without delay.<sup>17</sup>

46. A disputing party may not seek enforcement of a final award until:

- (a) in the case of a final award under the ICSID Convention:
  - (i) 120 days have elapsed from the date the award was rendered and no disputing party has requested revision or annulment of the award; or

---

<sup>17</sup> The Parties understand that there may be domestic legal and administrative processes that need to be observed before an award can be complied with.

(ii) revision or annulment proceedings have been completed;

(b) in the case of a final award under the ICSID Additional Facility Rules, the UNCITRAL Arbitration Rules, or the rules selected pursuant to subparagraph 8(b):

**Article 13.12: Final Report**

1. Unless the Parties agree otherwise, the Arbitral Panel shall present a final report to the Parties, including any separate opinions on matters not agreed to by consensus, within 30 days after the date of the presentation of the initial report.
2. Neither initial report nor final report shall disclose which panelists are associated with majority or minority opinions.
3. Final reports are final and binding on the Parties.
4. Unless the Parties agree otherwise, the final report of the Arbitral Panel shall be made available to the public within 15 days after its presentation to the Parties subject to the requirement of non-disclosure of secret and confidential information.

**Article 13.13: Implementation of the Report**

1. The responding Party shall promptly comply with the final report of an Arbitral Panel, or, if this is not practicable, within a reasonable period of time.
2. Unless the Parties agree otherwise, within 30 days after the date of receipt of the final report, the responding Party shall notify the complaining Party in writing of actions it proposes to take to implement the final report of the Arbitral Panel.

5. Unless the Parties agree otherwise, the Arbitral Panel shall issue its determination on the extent of the reasonable period of time for compliance to the Parties within 40 days after the date of the submission of the request.
6. In the event that any member of the original Arbitral Panel is no longer available, the procedures set out in Articles 13.5 (Establishment of an Arbitral Panel) and 13.7 (Composition of Arbitral Panels) shall apply.
7. The reasonable period of time may only be extended by mutual agreement of the Parties.

**Article 13.14: Non-Implementation – Compensation and Suspension of Concessions or other Obligations**

1. Compensation and the suspension of concessions or other obligations shall be temporary measures. None of these measures is preferred to full elimination of the non-conformity as determined in the final report of the Arbitral Panel. Compensation and suspension of concessions or other obligations shall only be applied until such time as the non-conformity is fully eliminated or a mutually agreed solution is reached.
2. The responding Party shall, if so requested by the complaining Party, enter into negotiations with the complaining Party with a view to reaching mutually acceptable resolution, such as compensation or any alternative arrangement if:
  - (a) the complaining Party has not received any notice from the responding Party under paragraph 2 of Article 13.13 (Implementation of the Report); or
  - (b) the responding Party notifies the complaining Party that it is impracticable to implement the final report; or

(c) the responding Party failed to comply with the final report within the reasonable period of time as determined by the Arbitral Panel under paragraph 5 of Article 13.13 (Implementation of the Report).

3. If:

(a) the circumstances under paragraph 2(a), 2(b) or 2(c) exist and the complaining Party does not request for negotiations pursuant to paragraph 2; or

(b) the Parties are unable to agree on a mutually acceptable resolution under paragraph 2 within 30 days after the commencement of negotiations under such paragraph; or

(c) the Parties agreed on a mutually acceptable resolution under paragraph 2 and the complaining Party considers that the responding Party has failed to observe the terms of such agreement, the complaining Party may at any time thereafter provide a written notice to the other Party that it intends to suspend the application of concessions of equivalent effect to the non-conformity found by the Arbitral Panel. Such notification shall specify the level of benefits that the complaining Party intends to suspend.

4. The complaining Party may begin suspending concessions or other obligations under this Agreement within 30 days after the receipt of a written notice by the responding Party specifying concessions or other obligations and the level thereof that the complaining Party proposes to suspend. The responding Party shall immediately acknowledge its receipt of the notice specifying concessions or other obligations and the level thereof that the complaining Party proposes to suspend, indicating the date on which the notice was received, otherwise the date when the notice was made shall be deemed to be the date of the responding Party's receipt of the notice.

5. In considering what concessions or other obligations to suspend, the complaining Party shall apply the following principles and procedures:

(a) it should first seek to suspend concessions or other obligations with respect to the same sector(s) as that in which the Arbitral Panel has found the non-conformity; and

(b) if it considers that it is not practicable or effective to suspend concessions or other obligations with respect to the same sector(s), it may seek to suspend concessions or other obligations in other sectors. The notice of such suspension pursuant to paragraph 3 shall indicate the reasons on which it is based.

6. The level of suspension referred to in paragraph 4 shall be equivalent to the level of the nullification or impairment.

7. If the responding Party objects to the level of suspension proposed, or claims that the principles and procedures set forth in paragraph 5 have not been followed, it may request the Arbitral Panel to reconvene under this Article and consider the matter.

8. The Arbitral Panel that is reconvened for the purposes of this Article shall determine:

(a) the level of suspension it considers to be of equivalent effect, if it finds that the level of suspension is not equivalent to the level of nullification or impairment; and

(b) in which sector(s) the complaining Party may suspend concessions or other obligations in accordance with the principles and procedures set forth in paragraph 5, if it finds that the complaining Party has not followed such principles and procedures.

9. The Arbitral Panel shall present its determination to the Parties within 45 days after the date when the matter is referred to it. Concessions or other obligations shall not be suspended during the course of the determination.

10. The Parties shall accept the determination as final. The complaining Party shall suspend concessions or other obligations in a manner consistent with the Arbitral Panel's determination, unless the Parties agree otherwise.

#### **Article 13.15: Compliance Review**

1. If the responding Party considers that it has eliminated the non-conformity that the Arbitral Panel has found, it shall provide written notice to the complaining Party with a description of how non-conformity has been removed. If the complaining Party disagrees, it may refer the matter to the original Arbitral Panel within 60 days after its receipt of such written notice.

2. The Arbitral Panel shall release its report within 90 days after the referral of the matter.

3. If the Arbitral Panel decides that the responding Party has eliminated the non-conformity, the complaining Party shall promptly reinstate any benefits it has suspended under Article 13.14 (Non-Implementation – Compensation and Suspension of Concessions or other Obligations).

4. If the Arbitral Panel rules that measures taken to comply are in conformity with the rulings and recommendations of the Arbitral Panel, the suspension of obligations shall be terminated immediately. If the Panel rules otherwise, the measures shall remain in place until such further request to the Arbitral Panel.

#### **Article 13.16: Expenses**

1. Unless the Parties agree otherwise, each Party shall bear the costs of its appointed panelist and its own expenses and legal costs.

2. Unless the Parties agree otherwise, the costs of the chair of the Arbitral Panel and other expenses associated with the conduct of the Arbitral shall be borne in equal parts by the Parties.
